Real Rope Is Used By Friends After Pastor Ties Knot For Couple

Rev. J. Edgar Purdy, pastor of the Methodist church, tied a hard, tight knot when he united L. V. Ough and Miss Fannie Moore in marriage at the parsonage Saturday night, but it wasn't a circumstance to what friends did a few days later when they learned of the marriage and located the newlyweds in a local movie theater. Real rope supplemented the bonds of matrimony last night and Mr. and Mrs. Ough were led through the streets of the business section for a half hour before the party, under the leadership of Kenneth Helm, Howard Sullars, Al Lattin, and Harvey Dunn, finally escorted them to their new home at 15 Park place.

The groom is an employee of the Brooks-Scanlon Lumber Co., Mrs. Ough being a student at the Bend high school during the past semester.

GRAIN SHED IS ORDERED RAZED

K. of P. Lodge Serves Notice On Aune Brothers To Vacate Building Site.

Notice to vacate the lot on Bond street which is occupied by their grain shed, will be served on Aune Brothers by the Knights of Pythias lodge of Bend as soon as the time on which the Aunes have paid rent for the lot, has expired, which will be on June 1, it was decided at last night's meeting of the lodge. The lot was recently purchased by the lodge from M. P. Cashman, and is to be the site of a two story building which the Knights of Pythias plan to erect within several months, with store rooms on the main floor and a lodge hall on the second floor.

The decision to ask Aune Brothers to vacate was made on the understanding that the condemnation proceeding which the city instituted last year applies to the owners of the property as well as to the owner of the building.

A large delegation from the Bend K. of P. lodge will attend the meeting of the Redmond lodge next Tuesday night, to talk over plans for holding the district convention here June 21, and the D. O. K. ceremonial to be held at the same time. Five or six cars will make the trip. A party of local members planned to go Tuesday night, but decided to wait until more could go.

W. C. Burrill was elected to membership by transfer at last night's meeting.

All But Three Stores Close For Annual Event

EXPECT HARD FIGHT

Local Athletes Better Prepared Than In Years For Contest—Schedule of Events For Friday Varied.

More interest in the annual Central Oregon School day competition has been taken here this year than in years previous, and as a result the teams to represent the Bend grade and high schools are better trained and are expected to make a better showing than in the past, at the meet at Prineville tomorrow. For the reason that coaches at Redmond and Prineville are keeping the records made by their teams under cover little can be predicted as to the outcome.

Regarding it as the biggest event of the year for the schools of Central Oregon, all but three of Bend's stores will close tomorrow.

High school track teams will be entered by Prineville, Bend, Redmond, Madras and Burns, and a few men from Culver and other smaller high schools. The grades will be represented by county teams from Deschutes, Crook and Jefferson counties.

The day's program events begins at 9 o'clock, with the tennis contests, the finals being played in high school boys' singles and doubles, girls' singles and doubles, and grade boys' singles and doubles. The Prineville high school courts will be used.

At 10 o'clock will begin the stenography and typing contests, in the high school annex. Bend will be represented by Helen McLaughlin and Helen Turamire in first year shorthand, Rona Whinnant and Louise Inabitt in first year typing, Helen Mahoney and Lois Triplet in second year shorthand, and Alice Stockmon and Elsie Johnson in second year typing.

Grade declamation contests will be held in the Legion club hall, beginning at 10 o'clock. Deschutes county will be represented by Helen McCormack of Bend, Woodson Bennett of Bend, Dwight Hauser of Redmond, and Doris Knorr of Terrebonne, in the various divisions.

The track and field meet, the most important feature of the day, will be on the fair grounds, beginning at 2 o'clock in the afternoon. Bend high school will be represented as follows:

All are expected to make a good showing in the meet.

Entrants Announced

Deschutes county will be represented in the grade track meet by King of Redmond in the 50 and 100 yard dashes, broad jump and 75 yard hurdles; Tracy of Bend in the high jump; Moore, Park, Buckley and Waymire of Redmond, 220 relay. The midget team consists of Whinnant of Bend, 100 yard dash; Beckwith, Doty, Rawson and Shupaker of Redmond, relay; Beebe of Redmond, 50 yard dash, 75 yard hurdles.

In the high school declamatory contest, beginning at 8 o'clock in the evening at the Legion club hall, Bend will be represented by Albert Kribbs, Clarence Gould and Mayme Erickson.

Bend men who will act as officials at the track meet are D. H. Peoples, time keeper, and County Superintendent J. Alton Thompson, announcer. H. C. Ellis, J. A. Eastes, Louis Bennett and E. A. Sather are among autoists who will take students to the meet.

(By United Press to The Bend Bulletin.)
THE DALLES, May 4.—I. L. Patterson, republican candidate for the nomination for governor, addressed a good audience at Hood River yesterday afternoon and in The Dalles this evening. He emphasized the need for curtailing expenses.

He stated he would illustrate his sincerity of desire for reduction of expense by having the first bill introduced in the legislature if he is elected, one to place governors salary at the same figure as that received by Governors Lord, Penneyer, Geer, Chamberlain, and Withycombe. He charged that the single item veto has been in practical disuse and promised the use of it to prevent raids on the treasury.

DIRECTORS SIGN CONTRACTS WITH 4 SCHOOL PRINCIPALS; MISS UмбаUGH REFUSES POST

Holstein Mother of Roan Shorthorn Calf, Seemingly Pure Breed

A roan shorthorn calf which claims a Holstein cow as its mother is the novelty which visitors at the Jess Harter ranch in the Tumalo section are reporting. The calf is to all appearances a purebred specimen but Harter is authority for the statement that the black and white cow is actually the mother. The father is a Scotch shorthorn of the roan type.

Belated Action Is Taken By Parents' Association

THREAT IS IGNORED

Resignation of E. P. Mahaffey Goes On Table—Moore Fights Salary Injunction—Diplomas Are Signed.

Four principals for Bend schools were named last night when the school board, in regular session signed contracts with Miss Harriet Umbaugh as head of the high school, with Mrs. William Searcy for the Reid school, with Mrs. Veronica Coleman for the Kenwood, and with Mrs. J. D. Davidson for the Central. Of these, two are new, Mrs. Searcy and Mrs. Coleman taking the respective places of Miss Nellie Tift and Miss Evelyn Carlson, both of whom are resigning to take other school positions.

Although her contract will not bear her signature, the board members placed their names on the document as their answer to a letter from the executive board of the Parents' association demanding reconsideration of the election of Miss Umbaugh, threatening to prefer charges against the principal if this were not done. The letter bore the date of April 21, while a communication from Miss Umbaugh, dated April 20 declined to accept reappointment as principal. Miss Umbaugh expressed her thanks to the board for reelection, and regretted that other plans made it impossible for her to consider the offer. At the last meeting in April at which she was elected, Mrs. Horace Richards, chairman of the teachers' committee, had stated that Miss Umbaugh would not accept, but the election was formally carried through as a recognition of ability as an instructor, and loyalty to the school administration.

Miss Umbaugh, according to an agreement with the board at the time that she accepted the principalship under protest, will be restored to her former standing as an instructor.

Sign Contract as Answer

Little discussion greeted the reading of the Parents' association letter, read before that from Miss Umbaugh. "Let's call their bluff," urged George D. Gove. "It's just a dirty rotten trick."

Miss Umbaugh's contract was signed before her letter declining the position was heard by the board. Action to replace Miss Umbaugh will be deferred pending recommendations from W. G. Ager, who succeeds S. W. Moore as city superintendent.

"The newspapers indicate that your purpose is to elect Miss Harriet Umbaugh as principal of Bend high school for the coming year," stated the Parents' association letter, which was signed by Mrs. Harriet D. Gant as secretary. "She has proven herself incompetent in that capacity, and we have no reason to expect an improvement on her part."

"Therefore we most respectfully request that you reconsider this matter, and do not elect her. Otherwise it will be incumbent on the Parents' association to file charges against her for her removal. This will involve the district in financial outlay and will tend to disintegrate the moral and social solidarity of our community."

Table Mahaffey Resignation

For the second time in two weeks, the resignation of E. P. Mahaffey as a member of the board, was received, but due to the absence of Director C. A. Hayden, action was deferred until the next meeting. Mahaffey's resignation is prompted, his letter to the board states, by the fact that his business demands all of his time that his health will permit. Refusal to accept his previous resignation made for the same cause, was unanimous, and for the time being he consented to act as a member of the directorate.

That he has retained counsel to assist the district's attorney in fighting the injunction proceedings which are now holding up the payment of his salary was the statement of City Superintendent S. W. Moore.

As a final order of business, the board signed the diplomas which will be presented to graduates at the close of the school year. Diplomas
