## BIBLE THOUGHT FOR TODAY

**DEATH OR LIFE:**—To be carnally minded is death; but to be spiritually minded is life and peace.—Romans 8: 6.

## NEW SCHOOL DIRECTORS

The election of Floyd Dement and H. A. Miller as members of the school board to fill places left vacant by resignation is an admirable action in every way. Neither one has had any connection with the unfortunate controversy over school affairs that has been going on for the past eight months and they both will take office free from the burden of personal antagonism that has seemed, in part at least, to have actuated the fight against the old board. Each is an old resident of the city but except for Mr. Miller's service as mayor seven years ago neither has held any public office with its consequent development of factional strife.

Both new members aided last fall in the preparation of the school budget, thereby gaining a knowledge of the financial condition and needs of the district that will be invaluable in beginning their new work. Each one is at the head of a successful business and can be relied on to give the district the benefit of his business experience.

In the series of suits about to be heard in the circuit court there is opportunity to bring to an end the various squabbles that have arisen over acts of the old board. With these out of the way and new directors on the job it is sincerely to be hoped that school affairs may now progress in peace.

Papa McCormick's opposition need not worry Max Oser a bit. He can still be a groom.

## STEEL CAR ORDERED TO CHECK HOLDUPS

Armor Plated Truck Equipped With Riot Guns, To Be Used In St. Louis.

(By United Press to The Bend Bulletin.)  
 ST. LOUIS, Mo., June 5.—A "community" three-inch armor plated motor truck, equipped with placements for riot guns, will appear on the streets of St. Louis shortly, to prevent rapidly increasing bank messenger holdups.

A chauffeur and one or two armed guards will ride inside. A safe will also be carried.

"Jesse James was a piker compared with the bandit of today," declared A. H. Heller, vice-president of the Bremen bank, in revealing the co-operative plans of the nine banks and trust companies to cope with the outbreaks.

The majority of the institutions have been the victims once or more of the bandits' depredations during the past year. Daring holdups of the banks themselves have lately been succeeded by equally daring robberies of bank messengers on the streets and trolley cars.

## WOMEN OF NATION TO ATTEND BIG MEETING

More Than 10,000 Expected At Federation Sessions Beginning June 20.

(By United Press to The Bend Bulletin.)  
 CHAUTAUQUA, N. Y., June 5.—Between 10,000 and 15,000 women from every state in the union are expected to gather here for the biennial convention of the General Federation of Women's Clubs, June 20 to 30.

The executive committee of the general federation will convene Tuesday morning, June 20, and that afternoon there will be a meeting of the national board of directors. At 8 o'clock that evening there will be a meeting of the presidents of the 50 state federations, including the District of Columbia, and Alaska, and at the same hour the committee which has in charge the purchase and fur-

## Pop Anson

The grand old man has gone to sleep, to rest his weary frame, and as our motto we should keep his watchword, "play the game." "A game's not finished till it's done," Pop Anson used to say; and more than once the game was won that seemed all fooled away. I've read the works of many seers, of sages gray and wise, and in those works no rede appears more grateful to the eyes than Old Pop Anson's "Play the game," when things were all askew, and players, lacking lofty aim, were grouchy, sore and blue. Confucius sat upon a fence and reeled off sound advice, and ancient Greeks, possessed of sense, put up much useful ice; and Romans, too in olden times, made words of wisdom fly, in epigrams and sounding rhymes that were not meant to die. And those old patriarchs, indeed, piled up a deathless fame; but none gave forth a finer rede than Anson's "Play the game!" Let's paste this motto in our hats as down this world we slide, and in our belfries fewer bats will afterwards abide. And it will make our quarrels brief, we'll gain the world's regard, and we will dodge a lot of grief that makes the sledding hard. The winds will sigh, the rain will drop, above his sleeping frame, but we'll remember good old Pop, and try to play the game.

nishings of the \$100,000 home in Washington, D. C., to be used for national headquarters, will meet.

On Wednesday, June 21, the board of directors will hold a joint meeting with state presidents, and national department and division chairmen will meet jointly in conference with state chairmen.

The national council of the federation will be in session Wednesday afternoon, June 21, with Mrs. Thomas G. Winter, president of the general federation, presiding.

## PARK CHIEF GIVES MORE THAN SALARY

Mather Donates Large Sums In Furtherance of National Playground Ideals.

(By United Press to The Bend Bulletin.)  
 YOSEMITE LODGE, Cal., June 5.—Uncle Sam has an employe who is so enthusiastic over his work that he has donated many times his salary to the furtherance of his ideas.

He is Stephen T. Mather of Chicago, director of the national park service, department of the interior. The government pays him \$4000 a year to look after its national parks. But when he thinks an improvement should be made, and congress cannot see it, Mather digs down into his pocket and finances the project himself.

Mather can do this because he is a millionaire. The Mather fortune was made in California by his father in the borax business with Death Valley Smith.

## JAPANESE CABINET NOW FACING FALL

(By United Press to The Bend Bulletin.)  
 TOKIO, June 5.—The Japanese cabinet is believed facing its fall. Attacks on the Takahashi cabinet, formed after the assassination of Premier Hara, are believed responsible for this shaky condition.

The tangled state of Japanese politics presages a political crisis.

## REQUIRE NO DAMAGES FROM MINERS' UNION

(By United Press to The Bend Bulletin.)  
 WASHINGTON, June 5.—Striking coal miners achieved a signal victory here today when the supreme court held that the United Mine Workers need not pay damages amounting to over \$600,000 to Arkansas coal mine owners as a result of strike riots in the Arkansas coal fields in 1914.

## GRAND JURY GETS WARD MURDER CASE

(By United Press to The Bend Bulletin.)  
 WHITE PLAINS, N. Y., June 5.—The case of Walter S. Ward, confessed slayer of Clarence Peters, ex-mayor, and alleged blackmailer, went to the West Chester county grand jury today.

## RUSSIAN PREMIER REPORTED FAILING

(By United Press to The Bend Bulletin.)  
 BERLIN, June 5.—Reports to the Russian delegation, here on Rapallo treaty business, indicated that Premier Lenine is seriously ill. He is reported worse following a paralytic stroke last week.

## TACOMA WILL HAVE \$1,500,000 HOSPITAL

(By United Press to The Bend Bulletin.)  
 WASHINGTON, June 5.—The Veterans' bureau announced today that Tacoma, Wash., will get one of three \$1,500,000 hospitals soon to be erected.

## EASTES USES NEW THREE PIECE BOAT

Using his new "three piece" boat for the first time, J. A. Eastes yesterday at Twin lakes had little luck, he reports, the only large fish in his basket being one 25 inches long. Mrs. W. Helfrich, of Portland, who with her husband, an insurance agent, accompanied Eastes yesterday to the lakes, caught a 19 inch trout. Judge Eastes says he can transport the new boat on the running board; but at present he is hauling it in a trailer.

## DOWN LOGS BURNED IN SATURDAY FIRE

Approximately 100 acres of pine timber was burned over on the Tumalo segregation Saturday, and 40,000 feet of down logs destroyed before the blaze near the Michaelson mill near the Tumalo headgates was controlled by Fire Warden J. D. Bowmau. Rain did not fall in that section Saturday, it was reported.

## WIFE, NOT HUSBAND SIGNED PETITION

Through error the name of J. B. Miner was given as a signer of the school board recall petitions in the list published in The Bulletin. The signature actually appearing on the petitions was that of his wife. Miner stated this morning that he had been asked to sign but had refused.
