### AT THE CAMP GROUND

Tables are an important consideration to campers, and the 10 new ones that have been provided for the auto park will be a welcome addition to its equipment. The tables were being painted today by caretaker H. O. Cleveland, with some assistance from residents of the camp.

Use of the camp is steadily increasing, as the number of tourists penetrating to Central Oregon is greater. The record registration for one day is 10 new camping parties, but this is expected to be far eclipsed in a few weeks.
