Home Loyalty

BOOSTING A TOWN IS BIG BUSINESS WE CAN ALL ENGAGE IN. And what makes it a particularly happy pastime is due to the fact you are identified with a bunch of "Good Fellows" when you work with the Boosters of a community.

Before going further we want you folks to stop and read the list of Bend Business Men and Women whose names are appended herewith. You will be impressed with the fact that these people are REAL BOOSTERS OF BEND in every sense of the word. And there are many more just like them, both in the business and citizen life of this city.

You will also agree with us, friends, that these Business Firms, and in fact all the business people of Bend are not only good Boosters but dependable servants of our purchasing public who are anxious and ready to serve you with merchandise and service at prices and involving quality they can afford to stand back of. THAT WILL MAKE THEM REALLY WORTHY OF YOUR PATRONAGE AS NEIGHBOR WITH NEIGHBOR.

But back to Boosting. The thought occurs to us that YOU CAN'T SAW WOOD WITH A HAMMER. The particular "hammer" we are referring to is the one used when a person spends money away from his own community for purchases THAT CAN BE MADE JUST AS SATISFACTORILY AT HOME. It is the same hammer that has beaten into insensibility the towering hopes of many hustling American towns that would have otherwise made cities worthy the name.

In other words, however small the habit of some Bend citizens may be in spending their money away from our city, TO JUST THAT EXTENT ARE THEY OBSTRUCTING THE PATH TO the big, wonderful goal we have elected for ourselves.

It is not the intention of the Bend Business Men to dictate to you good people in this matter. They are more than appreciative of your fine patronage of the past and their anticipation of the future is only inspired by their eager desire to make possible a Great Forward Movement for Bend and Bend property owners and citizens.

AND THE FOUNDATION FOR THIS RESULT MUST BE A FINANCIAL FOUNDATION that calls for keeping every cent of these resources within ourselves to be re-invested and re-spent to the advantage and profit of we Bend folks.

This kind of HOME LOYALTY means good times for Bend; EMPLOYMENT for those who need it and PROSPERITY for all.
