

# Dundee Ready To Quit Ring After His Battle Tonight

## FORMER CHAMP FACING TERRIS

### Youngster Is Backed to Lay Veteran Cold

(U. P. Leased Wire to The Bend Bulletin)  
NEW YORK, May 5.—Johnny Dundee, one of the old men of the ring and a veteran of more battles than he can count, will make what may be his last stand in Madison Square garden tonight.

The former world's featherweight champion will meet Sid Terris, a spider like youth from the east side, in the last show staged in the historic old garden.

"If I don't win or if I have any trouble winning, I'm going to call it quit," Dundee said today. "I've got enough money to keep me for the rest of my days but I think a fellow ought to work as long as he is able to work and fighting is my work."

Wise money around town is being laid at 5 to 3 that Terris, noted for his speedy footwork, will outstep the veteran who was fighting 15 years before the youngster had ever put on a glove.

Some think that Terris will win by a knockout. He has every reason to try for a quick victory because Dundee has been knocked out only once and if Terris should try and turn the stunt for the second time it would restore some of the prestige Terris lost in his last big fight when he was beaten by Sammy Mandell.

Dundee's showing tonight will depend entirely on how far he has gone back. He admits that he isn't as fast as he was. Dundee, of course, is a smarter fighter than Terris and he has more courage.

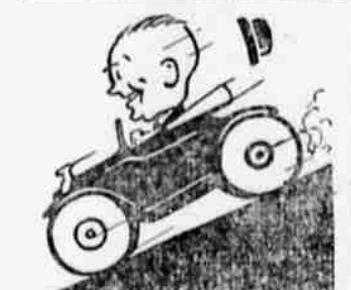

If Dundee is knocked out it will be for the reason that he is an old man and went into the ring once too often.

There is some sentiment in the appearance of Dundee in the last fight in the garden. He was in the main bout against Joe Welling in the show that opened the garden five years ago when boxing was made legal again in New York.

## WOOL QUIET

(U. P. Leased Wire to The Bend Bulletin)

## TITLE IS AT STAKE IN SCHOOL TENNIS

### Play This Afternoon to Pick Bend High's Best

Gordon McKay and Fred Loomis will play this afternoon in the finals for the tennis championship in boys' singles in the Bend high school. Beth Ager has won the girls' tournament but according to the tournament rules, she must play Edna Fox, winner of the consolation tournament, before the championship is here. This match will be played Wednesday morning.

Whether McKay or Loomis wins this afternoon, it is probable that they will constitute the boys' double team in the Central Oregon tournament, and further matches may be necessary to pick the singles player. This honor may fall to Marion Horton, who represented the school two years ago but who has been too busy with throwing the weights for the track team to practice tennis this spring. Horton lost to McKay 6-2, 6-2 this morning in the semi final round.

Loomis won from Gillfillan in qualifying for the final round, and from Revans in the second round. McKay beat Pittman. Horton won from O'Brien in the first round and drew a bye in the second.

Kenneth Ballantyne won the consolation tournament and may qualify for a place on the school team.

In the girls' tournament, Marian Smith defeated Catherine Adrian and Katherine Redfield won from Edna Fox in the first round. Beth Ager won from Marian Smith and Katherine Redfield.

## Cow, Calf Removed From City Pound By Owner

Just as Chief of Police Hanson predicted, the birth of a heifer calf saved the city from paying the board bill of the impounded mother. Learning of the new arrival, the owner of the cow, K. E. Hellem, appeared at the pound, paid the \$14.70 charged up against the cow, and removed his property. Previous to the arrival of the calf, the cow had been considered virtually worthless.

Erwin Kohfield as Peter, the awkward young man who is very much in love but can't find the words to tell it to pretty Inez, the girl, played by Mrs. Arthur Gertson, starred with comedy parts, while pathos was injected by Mrs. James C. Riney as Miss Carrie Ellsworth and Mrs. Floyd Turner as "Grandma."

## Finn's Western Bills Get A. A. U. Approval

(U. P. Leased Wire to The Bend Bulletin)

SAN FRANCISCO, May 5.—Paavo Nurmi, Finn racing star, is "in the clear" so far as his western expenses are concerned, according to the registration committee of the Pacific association of the A. A. U. today. Committee members expressed satisfaction with the expense account of \$1,184.25, given them by Hugo Quist, manager on the western tour for Nurmi, Willie Ritola, Lloyd Hahn and Willie Plant.

Advisers received here say that Nurmi will not be permitted to appear as an amateur again until the eastern headquarters finish investigation of the Drake relay charges but so far as his western trip is concerned the association is satisfied he drew only legitimate expenses.
