

Downpour Again Menaces High School Athletic Schedule

PENNANT HANGS ON NEXT GAME

Fans Hope Against Hope For Dry Thursday

Once more Jupiter Pluvius threatens to break up the athletic schedule of Central Oregon high schools, as heavy rain fell today with the championship baseball game between Bend and Prineville high schools scheduled for Thursday afternoon at 3:30 o'clock on O'Donnell field.

But while the unprecedented rain spell defies all predictions, it was believed today that it will clear off in time for the game Thursday, and if the rain stops an hour or so before the game is called, the field will be in the best possible condition.

Coach James C. Riney of the Bend team points out that the schedule was made out it called for an additional game to decide the championship after the four teams entered should have played each other once; but since the final scheduled game is between the undefeated teams, it has been agreed that this game will be the deciding one.

The contest is expected to be a close one, too. Both Bend and Prineville have defeated Redmond and Mitchell high school teams by similar scores—winning from Redmond decisively and scratching out a victory by one run from Mitchell.

In spite of the frequent rains the Bend team has not missed a practice session, and is in the best of condition, Coach Riney says. Similar reports have been given out by Coach Norval Powell of Prineville.

Riney's probable lineup to start the game Thursday afternoon are: Barber, pitcher; Pitman, catcher; Brink, third base; Gunderson, shortstop; Mahoney, first base; Marquard, second base; Rollins, Shull and McKay, outfield. Loomis and Ballantyne may get into the game, although Ballantyne will be kept from his regular position behind the bat by an injured finger.

RUTH WILL REJOIN HIS TEAM SHORTLY

Presence of Babe May Lift Yanks From Hole

(U. P. Leased Wire to The Bend Bulletin) NEW YORK, May 20.—Babe Ruth will be able to join the floundering New York Yankees when they return home after the first western invasion of the year. The team will be back in the east May 28 and the "babe" should be ready to do some bench duty.

His recovery from the operation he underwent was more rapid than expected but he is weak and soft from being in bed for more than seven weeks. He is to be permitted to work out every day at the Yankee stadium but the doctors have warned him not to do too much.

"I think I've learned by this experience to take care of myself," the "babe" said. "I was never sick before and I never want to be sick again."

Ruth's return to the game is almost certain to improve the Yankees, who have been in a very low state of mind. It isn't the actual batting or fielding of the Babe that is needed, it is the Ruth threat and the moral effect of the Babe upon the opposition.

Glenna Collette Loses In Championship Play

TROON, Scotland, May 20.—Glenna Collette, of Providence, R. I., America's hope in the British ladies' open golf championship, was defeated, four up and three to play, by Miss Joyce Wethered, the title holder, in the third round today.

After taking the lead at the third hole, the diminutive Rhode Island girl was overwhelmed by the superior golf of her opponent.

Miss Collette was trailing, one down, at the sixth, with hopes of her followers still high, but on the way in Miss Wethered quickly demonstrated that she is without a peer among women golfers in the world today.

THE PUGILISTIC HAMLET

By DICK DORGAN

William Harrison Dempsey the genial champion of heavyweights has stepped upon the field of battle for the last time. Mr. Dempsey is now an actor of parts, and is kidding the public more or less with "one more fight" stuff.

Jack is the pugilistic Hamlet, He gazes fondly upon the padded mitt which has brought him fame and fortune and much like the fabled Dane, murmurs somewhat sadly:

"Alas! Poor Yorick, I knew him entered the movies and was satisfied to retire as champion, but unofficially—the ad was too good for his pictures. He had beaten the five or six men who faced him and perceiving a dark shadow coming closer and closer to the throne he is taking the easiest way out."

TENNIS TITLE WON BY BEND PLAYERS

Tournament Is Taken From Redmond By One Point

The Bend high school won another Central Oregon championship Tuesday when its tennis team took first honors in the tennis tournament held at Redmond. Bend scored 11 points to 10 for Redmond, 8 for Culver and 3 for Madras.

Redmond high took two first places, in boys' singles and doubles, but did not place in the finals of the girls' events. Bend won the girls' doubles and was second in girls' singles and boys' singles. Culver won the girls' singles, and Madras was second in the girls' doubles.

Dunbar Burdick of Redmond won in the boys' singles, taking the final match from Kenneth Ballantyne of Bend, 6-4, 6-1.

Daniel Schumehere and Fred Stanley of Redmond won the boys' doubles, defeating the Culver team, Hinton and Osborn, 6-0, 6-1. The Bend team made a better showing than Culver, but lost in the semi-finals to Redmond, 6-2, 3-6, 6-2. The Bend doubles players were Fred Loomis and Gordon McKay.

Helen Keeney of Culver defeated Beth Ager of Bend in the girls' singles, 6-2, 6-4. The Bend girls' doubles team, Katherine Redfield and Marian Smith, won 6-2, 6-4 from Louise Pearce and Rebecca Johnson of Madras.

The tennis trophy was brought home from Redmond by the Bend team and will be presented to the high school at an assembly soon.

The Bend tennis squad was coached by John T. Parish and Miss Marguerite Hansen.

This is the fourth sports championship won by Bend high this year, the others being in football, track and field events, and girls' basketball. The basketball title was not definitely decided, although Bend was the Central Oregon school rep-

resented in the finals of the tournament held here.

SPORT TABLOIDS

(U. P. Leased Wire to The Bend Bulletin) BOSTON, May 20.—Harvard athletic officials expect the big stadium to be filled Friday when Paavo Nurmi, Finnish running star, makes an attempt to establish a new world's record for a mile.

NEW YORK, May 20.—Louis B. Dailey, Jr., of East Orange, N. J., has been added to the team of young players that is to be sent to Wimbledon next month by the United States Lawn Tennis association to play in the British national championships. Ray Casey and John Hennessey were appointed some time ago.

MICHIGAN CITY, Ind., May 20.—Wayne "Big" Munn is training for his Decoration day bout with Ed "Strangler" Lewis by climbing trees. Lou Talaber, former middleweight champion, who is training him, convinced him that it was a good conditioner and now has a hard time pulling him away to grapple with his sparring mates.

SAN FRANCISCO, May 20.—Doubt that the disc record of 157 feet, 1 1/2 inches, set by Glenn Harraff of Stanford here, will stand as official was cleared when Ed Grace, executive secretary of the P. A. A. declared the discus used by the college star was more than an ounce overweight.

STRIBLING LEADS FIGHTING

(U. P. Leased Wire to The Bend Bulletin) KANSAS CITY, Kan., May 20.—Young Stribling and Hughie Walker, light heavyweights, fought a 10 round no decision bout here last night. Walker failed to land a clean blow until the eighth round and the Georgia school boy had things all his own way throughout.

MANDELL TO GET BOUT (U. P. Leased Wire to The Bend Bulletin) NEW YORK, May 20.—Sammy Mandell, Rockford lightweight, and

Sid Terria, New York, probably will be matched for one of the first fights in the new Madison Square garden.

Only one ball player was ever at the head of a baseball organization of national prominence. This was Robert Ferguson of Brooklyn, who was president of the national association from 1871 to 1875. Ferguson held this position while managing a club in Brooklyn and playing regularly on his ball team.

"If it works, it's true!"

But it doesn't prove out in practice—this legend about salt as an aid to bird-catching.

Neither does this superstition that there is something mysteriously "better" about eastern lubricants—merely because they cost more. Every quart of Zerolene you buy proves the groundlessness of this superstition.

Pacific Coast Crude Is Best Zerolene is a western oil—And a better oil even if it does cost less.

As far as matter of fact, the best crude petroleum so far discovered for the manufacture of a motor lubricant is obtained from Pacific Coast wells, and the most advanced refining process is this Company's patented high-vacuum process during the use of which Zerolene is submitted to 15 positive checks for quality.

Experienced Drivers Prefer Zerolene Lubricated drivers know this—that Zerolene experiences more cars in the Pacific Coast states than any other oil made—heavy-duty trucks and high-priced cars alike. Superstitions don't work out in practice—Zerolene will increase the gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen your car's working life.
