DEPUTY INDICTED IN WASCO COUNTY

Stole From Sheriff's Funds Is Complaint

(U. P. Leased Wire to The Bend Bulletin) THE DALLES, May 21.—G. L. Coleman, deputy sheriff and jailer of Wasco county for the last 12 years, today was stripped of his star and placed in the county jail on a grand jury indictment charging theft of funds from the sheriff's office. The indictment was brought in by the grand jury at 11 o'clock this morning. Coleman is accused by the grand jury of the theft of \$256.36 from the vault in the sheriff's office. District Attorney Francis V. Galloway stated that small amounts missing from time to time throughout the court house during at least the last two years might aggregate more than \$1,000. The deposed deputy sheriff was not suspected of the crime until Sheriff Levi Chriaman, returning unexpectedly to his office a few minutes after 12 o'clock last Friday, caught the jailer apparently tampering with the vault door, which then stood open but which was left locked

PORTLAND, May 21.—Gifts of \$27,000 to the Doernbecher hospital now under construction on Marquam hill near the University of Oregon medical school, have been announced. The rotary club of Portland furnished \$25,000, and \$2,000 was donated by the junior league of Portland.

No Big Force Waiting Riffian Attack, Claim

(U. P. Leased Wire to The Bend Bulletin) PARIS, May 21.—An authority of the French war ministry today ridiculed a report attributed to Rabat sources that 50,000 men were braced for an early attack by the Riffians on the northern front of the French zone in Morocco, saying that only about 5,000 were engaged in the Tanouat region and less than 30,000 men in all were at Marshal Lyautey's disposition.

at noon. Coleman, the sheriff said, leaped into a small closet where the firearms, manacles and had weather clothes are kept, in an effort to hide. Chriaman, thinking it was an intruder who had entered through a window, reached for his gun and covered the cowering jailer. Coleman, he said, then became hysterical.

Bribery Trial Is Faced By Ex-governor's Son

(U. P. Leased Wire to The Bend Bulletin) TOPEKA, Kan., May 21.—The state will go ahead with the prosecution of Carl Peterson and Russell Davis, despite the acquittal of former Governor Jonathan M. Davis on a charge of bribery, Attorney General

C. B. Griffith announced today. Davis and his son are charged in connection with the alleged purchase by Fred Pollman of a pardon for \$1,250. Peterson was charged jointly with the former governor of conspiring to sell paroles, but demanded a separate trial. "None of the cases will be dismissed," Griffith said.

Perhaps the most interesting building in Sofia, the capital city of Bulgaria, is the little round chapel of St. George in the Jewish quarter. It is the one building in the town which has seen the whole of Sofia's history. Originally, so it is said, it was a Roman temple, then it became a church, then a mosque, and now it is a church once more.

ANAEMIA

A remarkable discovery has enabled thousands of worn-out, tired, nervous, anaemic people to increase their strength and energy, often in two weeks' time, and to quickly change their leaden pallor and listless look to the pink skin, rosy lips and sparkling eyes of glowing health. Formerly they were given the old-fashioned tinctures and pills made from mineral iron, which many doctors now say are scarcely assimilated at all, and so give little benefit. But since the discovery of a new combination of organic iron—Nuxated Iron—which, being like the organic iron in our own blood, is promptly taken up by the blood, thousands have found that they can banish every trace of tiredness and disease, those peculiar pains and that nervousness incident to old age, in a few short weeks. Furthermore, Nuxated Iron does not injure the teeth or disturb the stomach. It quickly helps build up rich, red blood that carries less strength, vitality and youth to your whole body. No matter how weak and ill you feel, or how many other medicines you have tried in vain, make this convincing test. Take Nuxated Iron for just two weeks, and if you do not notice a wonderful improvement in strength and energy and look young younger, the druggist will promptly refund your money. Nuxated Iron is sold under this absolute guarantee by all good druggists.

Wouldnt you spend 7% to Save 50%?

Lumber, plaster, roofing and other building materials, plus the carpenters' wages needed to build—these make up 50% of the total cost of the average six room frame house.

Then the cost for protection against depreciation and decay—Paint and Varnish, in other words—only 7% of the total cost.

There is only one name to remember in spending that 7%—that is Rasmussen.

Rasmussen Pure Paints and Varnishes excel in covering capacity, lasting finish and protective qualities. They are the safest insurance of property values—and beauty.

Ask your dealer for color cards. Ask your painter for an estimate.
