

# Manna Easy Winner In British Derby At Epsom Downs

## REST OF FIELD IS FAR BEHIND

### Donoghue Rides His 6th Mount to Victory

By Webb Miller  
(United Press Staff Correspondent)

EPSOM DOWNS, England, May 27.—Ridden by Steve Donoghue, England's premier jockey, H. Morris' Manna cantered to an easy victory by eight lengths in the historic derby stakes today.

Cheered by tens of thousands whose pounds, shillings and pence had made the Morris colt a second favorite in the betting at odds of nine to one, Donoghue hooted home his sixth derby winner, Manna never being extended to win in 2:49 3-5.

Second in the struggling field of 27 three year olds came Ann Khan's Zlonist, also well backed at ten to one, while an American, A. K. Macomber, saddled the third place winner, The Birdar, a 50 to 1 shot. Two lengths separated second and third.

King George Lord Astor and the Butcher of Chichester whose Priory Park was the choice of the proletariat, saw their entries badly beaten. Manna is the only colt Morris has run in England.

LONDON, May 27.—First prize for the holder of the Calcutta sweepstake ticket on the winner of the English derby was estimated today to be worth \$450,000. James Carey, Liverpool shipping man, held the ticket on Manna, the winner.

## NURMI, TOO TIRED, LOSES HALF MILE

### Finn Cancels Engagements, Goes Home to Rest

NEW YORK, May 27.—Tired, worn and sick from a campaign that was too much for a superman, Paavo Nurmi, world's champion distance runner, returns home to Finland tomorrow with a mixed assortment of triumphs.

He beat every one in this country at his own game but when he stepped out of his role last night and attempted a race where sustained speed and not durability was the main essential, he was defeated.

Nurmi finished 12 yards behind Allen Helfrich of Penn State, one of the greatest middle distance runners on the track, in a special half mile race at the Yankee stadium. It was the final appearance of the Finn.

It is not generous to Helfrich, a fine boy and a great runner, but it is only fair to blame the rather crushing defeat of the Finnish star upon the lack of condition.

Helfrich finished fresh 12 yards ahead of Nurmi in 1:52 4-5, which does not compare with Ted Meredith's nine year old record of 1:52 1-5.

Those who had seen the great Nurmi run in Antwerp and in Paris in the Olympic games and in his early races on the boards in this country, knew that he was not there when he tried to keep up with the flying American.

"Nurmi's awfully tired," Hugo Quist, his manager, said today. "He's going home and rest. He's called off the races he planned to run in England and Germany this summer and is going to rest until the fall. Maybe he'll come back to this country in the winter."

Albin Stenroos, Olympic marathon champion, made a new record for one hour's running when he covered 11 miles, 153 yards, and Carl Christensen, Newark, N. C., equalled the world's record of 13 1-5 seconds for the 100 yard high hurdles.

## Swimming Draws Many To Suttle Lake Resort

Swimming, which started at Suttle lake a month ago, is now attracting many from Bend and Redmond, reports John Gates, holder of the Suttle lake concession. Several parties of Central Oregonians have already visited the lake, and declared that the water was unusually warm for this time of year.

Gates is preparing to erect individual bath houses, and is putting his boats in shape and securing more for use on the lake. Tent houses have been put in shape for guests, who will be more numerous than ever before, Gates expects.

Meals will be served at the resort, beginning in the near future.

## Americans Eliminated On Links By British

(U. P. Leased Wire to The Bend Bulletin)

WESTWARD HO, England, May 27.—America's last chance to figure in the finals for the British amateur golf championship was shattered here today when Douglas Grant, the lone American survivor, was eliminated.

Grant, who resides in London and who represents the Royal St. George's club, was defeated by R. W. Crammack of St. Anne's at 2 and 1. Michael Scott, Royal North Devon, defeated A. Menzies, Balaton, two up.

Track and field championships have been held regularly by the New England Intercollegiate Athletic association for 33 years.

Believing in the virtue of getting a good start in the Southern league pennant race, the Atlanta Crackers took the first four games in a row from Chattanooga.

## ALL B.H.S. COACHES SIGNED TO RETURN

### Riney to Work Under Knute Rockne This Summer

Athletic prospects for the Bend high school for next year appeared rosy today with the announcement from Superintendent G. W. Ager that all of this year's coaching staff will be present for the 1925-1926 seasons, with the exception of those who had charge of the tennis team.

James C. Riney, football mentor, is planning to add to his gridiron lore this summer by attending the summer school sessions conducted by Knute Rockne, Notre Dame coach, at O. A. C., and he will return prior to the opening of school in the fall to make arrangements for opening the practice season.

Charles W. Frost, who coached basketball and track sports, will spend the summer in the government service in the Deschutes national forest. The other coaches who are returning are John W. Sutherland, who had charge of training in the field events for the Central Oregon School day meet, and Miss Ellen Dahl, girls' basketball and track coach. John T. Parish and Miss Marguerite Hansen, tennis coaches, have secured other positions for next year.

Graduation will remove a number of the local high school's athletic stars, taking almost the entire girls' basketball team and a number of boys who have been prominent along this line.

Football players who will be graduated Friday evening include Michael Mahoney, Kenneth Dutt, Les Harryman, Marion Horton and Edward Stadler. None of the boys' basketball team will be lost in this manner. Girls in the graduating class who have been prominent in basketball and tennis are Katherine Redfield, Beth Ager, Marlin Smith, Clarice Swick, Thelma Thompson and Evelyn White.
