

**REV. F. H. BEARD
RESIGNS POSITION**

**Ill Health Forces Baptist
Pastor to Leave**

In Bend for four years as pastor of the local Baptist church, Rev. F. H. Beard Sunday announced his resignation, effective August 30, to his congregation. Rev. Beard's resignation is due to ill health, the Baptist pastor having been incapacitated about two months ago when he fell, striking his back on a protruding piece of timber.

The most marked accomplishment of Rev. Beard since coming to Bend four years ago from Mymore, Nebraska, where he served as pastor for 15 months, was the construction of the modern Baptist church in this city. This, by the way, was the sixth church constructed under Rev. Beard's administration since his graduation from the seminary. Also, the Baptist congregation in Bend has increased from 60 to more than 200 in the past four years.

Rev. Beard, chaplain of the local post of the American Legion last year, has no definite plans for the immediate future. He has a home in McMinnville, where his son Clyde has been attending Linville college. Clyde was recently forced to discontinue his studies because of illness.

Rev. Beard came to Bend July 1, 1921. He succeeded Rev. E. B. Johnson, now of Grass Valley, as pastor. Dr. W. W. Ferris of Portland was in the interim pastor, occupying the pulpit until Rev. Beard was selected for Bend.

**G.A.R. Specially Honored
In Memorial Day Service**

(Continued from page 1)

each one with a brief outline of his service. They were:

A. F. Morrison, Company A, 107th Illinois volunteer infantry; bandmaster, second division, second brigade, 23rd army corps, served three years under General Schofield.

Theron H. Morgan, Company A, 144th Illinois volunteer infantry, first brigade, second division, fourth army corps, served three years under General Howard.

Thomas Tweet, private Company A, 7th Wisconsin volunteer infantry, Iron brigade, first division, first army corps, served three years and four months under General Cutler.

William J. Woods, served two years in Maryland infantry under General Fremont.

The service was opened with a selection by the Shevlin-Hixon band, the invocation led by Rev. Frank James, chaplain of Percy A. Stevens Post, and a vocal solo, "God Shall Wipe Away All Tears", by Louis Bennett, with Mrs. J. J. Schwendker

at the piano. Following Judge Butler's address, the audience sang the "Star Spangled Banner", led by the Shevlin-Hixon band.

The parade formed in front of the gymnasium, with the colors and legion standard leading, escorted by the color guard. Next in line was the band, which was followed by the legion men in uniform, under command of Captain Frank R. Prince, the Grand Army men in an automobile, and other cars.

The parade led north on Wall street and east on Greenwood to the cemetery, where the American Legion service was conducted over the decorated graves of World War veterans by Chaplain James. The uniformed men stood at parade rest while taps were sounded by Ray Golden and the firing squad fired a salute over the grave of Edwin A. Foss, who was killed in action in France. The firing squad was directed by Sergeant Leslie Davis. Arrangements for this service and for the Memorial day observance in general had been made by a committee of which J. E. Smith was chairman.

Smith today expressed the thanks of the legion post for the support given by the public for the Memorial day exercises, and especially for the respect paid to the flag as it passed in the parade—a respect which was much more universal than has been shown on previous occasions.

**BABE RUTH AGAIN
IN YANKS' LINEUP**

**Nearly Gets Homer But It
Is Foul by Inches**

(U. P. Leased Wire to The Bend Bulletin)

YANKEE STADIUM, New York, June 1.—Cheered by 10,000 fans in grand stand and bleachers as he trotted out to right field, Babe Ruth returned to the Yankee lineup against Washington today after several weeks in the hospital and another on the bench.

Ruth was first man up for New York in the second inning and had to face Walter Johnson in the Swede's best form.

Johnson laid a fast one down the groove and Babe took and easy swing, met the ball fairly and sent an easy bouncer straight to Walter, who threw him out at first.

Ruth got his chance in the fourth inning. Combs singled and Ruth was next up.

The first offering was a ball but Ruth swung at the second and missed. He fouled the third and the fourth went for a long foul into the bleachers. It was foul by inches and the crowd, thinking it was a home run, went wild. John then howled over three more balls and Ruth walked. Bob Meusel followed Ruth and tripled, scoring Combs.

An Old Fashioned Garden!

A grove of trees, a velvet lawn, a cozy cottage nestling among the flowers, an entrancing vista of the mountains, clean, pure air free from mill dirt. All these and much more you can have if you live in

Ruth tried valiantly to score from first on the triple but about ten yards from home he became exhausted and seeing he couldn't make it, dived for the base. He was thrown out and it was several minutes before he was able to pick himself up and walk to the bench.

In the fifth inning Ruth thrilled the crowd with one of the greatest catches made this season.

Joe Judge of Washington drove a liner to right center that looked like a sure homer. Ruth ran up a hill in center field, stabbed the ball over his shoulder and rolled over three or four times, down the hill—hold-

on to the ball. In the sixth Babe came to bat again, he grounded out to Bucky Harris. He was then taken out of the game.

**PIUTES ARE GIVEN
PERMANENT HOME**

**150 of "Orphan Tribe" Are
Made Happy at Burns**

BURNS, June 1.—One hundred and fifty Piute Indians, Oregon's "orphan tribe," remnant of what was once one of the greatest and most warlike tribes of the northwest, are celebrating the presentation of a tract of land which gives them a home really their own. For many years this band of aborigines has pitched its tents in the outskirts of Burns, remaining there on sufferance of the city.

Years ago when the power of the Piutes was broken they were herded by soldiers to a reservation in Washington. But the Indians longed for their old home, and a few at a time they drifted back. Approximately half of those who returned to Oregon are represented by the few who for years have lived within the city limits of Burns.

The gift of a 10 acre tract by the Burns Company, which is developing the Burns section in preparation for the commencement of pine milling operations by the Fred Herrick interests, purchasers of the Bear Valley timber unit. The Indians accepted the gift with profuse thanks—profuse for an Indian tribe, that is—and immediately moved their tents to their new home. Also they posted guards to prevent encroachments on their newly acquired freedom.

The city of Burns and Harney county are now combining in financing the sinking of a deep well to furnish a water supply for the tribe. Now assurance has been received from the federal government that with this development a day school will be established and a teacher employed for the tribe which years ago, on its refusal to live on a reservation was given up by Uncle Sam as a hopeless case.

**Explosions Kill Miners
and Oil Men in Mexico**

(U. P. Leased Wire to The Bend Bulletin)

MEXICO CITY, June 1.—Seven miners were killed and several injured by fire and explosion in the El Bordo mine near Pachuca Saturday.

Ten Mexicans and one American were also killed late Saturday by the explosion of gas in an oil well

**...still C-T-C
sales mount
upward /**

FROM Los Angeles, Salt Lake, Spokane, Seattle, Tacoma, Portland, San Francisco . . . everywhere in the West . . . come reports of increasing C-T-C sales!

In 1924, the number of retail dealers selling C-T-C's, made a tremendous increase—120 per cent gain over 1923.

And still C-T-C sales mount upward! It looks as though unquestionably 1925 sales will at least double those of 1924!

The reason? Engineers behind C-T-C are keeping their promise!

They came West from Akron, where they held high executive positions, to build even a better tire in the West. Motorist say they have done it.

We shall be glad to give you expert information about your tires, and—if you need them—put on C-T-C's—either balloons, semi-balloons, heavy-duty cords or oversize cords!
