POWER for HILLS

The Powerful Star—the car that has upset all tradition and practice in motor building. Heretofore only high-price cars had a real power plant—now the 1925 Star, with its Million Dollar Motor, offers a revolutionizing idea as to what real power is.

Test it yourself—on any hill. Power galore!—and plenty in reserve—smooth power, too.

Test it for pickup. Fast? You bet—5 to 25 miles in 4½ seconds. Throttle down to a walk—no bucking!

Test it for economy. Little gas—but power—plenty of it.

And here is the real message that will interest every man who values his dollars: The Star Car, with the Million Dollar Motor—plus the 101 value features that set it apart from all competition—is the greatest value buy in the world today.

The famous 30 Minute Test. Just 30 minutes behind the wheel of the 1925 Star Car, to prove to you for all time the real value that Star builds into a low-cost car. Test it! There is a dealer near you.

Un-superstitious pedestrians often do this

—Proving that a post can divide two people without splitting their friendship. In the same way experienced motorists have proved to their complete satisfaction that Zerolene, a western oil, will lubricate the modern automobile engine as well or a little better than any oil they can buy, although it costs less than eastern lubricants.

The anti-western oil superstition succumbs to experience

Zerolene is successfully lubricating more cars in the Pacific Coast states than any other oil made—low and high priced cars alike. The most advanced refining process is this Company's patented high-vacuum process, during the use of which Zerolene is submitted to 15 positive checks for quality. Zerolene's special filtration through 40 tons of Florida Fuller's Earth gives you an oil of absolute purity—a better oil even if it does cost less!

Less carbon—better fuel mileage

Zerolene will increase the power and gasoline mileage of your car, reduce carbon accumulation in the cylinders and lengthen the working life of the engine.

Why pay tribute to a superstition? Insist on Zerolene—ask for it by name.

Get the Facts!

A series of independent and impartial reports showing the experience of large users with Zerolene has been collected in our booklet, "Why Pay Tribute to a Superstition?" Ask any Standard Oil Company representative or Zerolene dealer for a copy.
