

Knocked Out For First Time, Gibbons Will Quit Ring

TRIES TO RISE, COUNTED OUT

Tunney to Demand Bout With Dempsey

(U. P. Leased Wire to The Bend Bulletin)
NEW YORK, June 6.—Knocked out for the first time since he started boxing 15 years ago, Tom Gibbons has given up his ambition for the world's heavyweight championship and will retire from the ring.

Gibbons, who was floored twice by Gene Tunney, the former A. E. F. champion, in the 12th round last night and counted out while he was gamely trying to pull himself up the ropes, has not made the announcement official, but he has decided to go up boxing.

Gibbons took his defeat philosophically. He was saddened by the weight of 10 years on his opponent and he was handicapped by terrific heat which only a youngster like Tunney could stand.

The ring in the polo grounds was pitched under 27 huge Klieg lights for the movies and it was a seething furnace that was hardly bearable in the press box. Tommy, for the first time in his career, had water thrown on him from the first round and sat gasping for breath in his corner.

Tunney, of course, felt the heat and was affected by it, but he had more in reserve than the 37 year old Gibbons.

"This is a business where it comes always to those who wait long enough," Gibbons said today. "I just couldn't get started. I was tired and weary all through the fight. I've had my chances and I'm fixed so that I can retire. I can go into another business."

Gibbons looked like a greatly improved fighter, but some critics thought it was not so much that he was a better fighter as it was that Gibbons had gone back so far.

Gibbons fought the worst fight of his career.

The unusual spectacle of Gibbons being knocked out was present all during the fight. Tunney kept him away with a long left hand and pounded him to the head and body with a right hand that had Gibbons on the point of exhaustion.

A right hand punch to the jaw in the 10th round started Gibbons on the way. He went through the 11th round wobbling on his feet. A right to the jaw after a left body punch

sent him to the floor in the first minute of the 12th round. He was up at once, only to go down again from another right to the head, for the count.

Tunney said he was going to demand a fight with Jack Dempsey for the world's championship and he expressed his willingness to fight Harry Wills. Tex Rickard is figuring on a Tunney-Wills fight for late in the summer.

Renault-Godfrey Fight Is On This Afternoon

(U. P. Leased Wire to The Bend Bulletin)
SAN FRANCISCO, June 6.—Jack Renault and George Godfrey go to the ring here today at 3:45 p. m. for a 10 round battle that will eliminate a heavyweight championship contender.

The big Canadian still ruled a 10 to 7 favorite but a weight advantage of some 20 pounds was conceded the negro batter.

Godfrey was declared by those who have seen him fight before to have vastly improved his boxing and to have gained more courage, an element he is said to have lacked in two previous engagements which he lost to Renault.

The Canadian has shown very little of his punching ability during training, but has demonstrated that he is in good condition, probably better than for a year, and is fast on his feet and with his hands.

SHIELDS FUNERAL SET
PORTLAND, June 6.—Funeral services for Tiny Shields, captain of the Oregon football team of 1922, who died in San Diego from injuries received during a game almost three years ago, will be held Monday morning at St. Mary's Cathedral. Interment will be in the little cemetery at his home town, Washougal, Wash.

SUZANNE WINS MATCH
ST. CLOUD, France, June 6.—Suzanne Lenglen, France's tennis champion, today defeated Kitty McKane of England, 6-1 and 6-2 for the French hard court championship. Lacoste beat Jean Borotra 7-5, 6-1 and 6-4.

National High School Meet On At Chicago

(U. P. Leased Wire to The Bend Bulletin)
STAGG FIELD, Chicago, June 6.—With ideal weather conditions prevailing, several hundred high school athletes from 31 states answered the starter's whistle in the annual national interscholastic track and field meet here this afternoon.

The sun was scorching, but there was good breeze off Lake Michigan. There were three 880 yard gallops, all counting as separate events. The first half mile for high schools was won by W. Crouch, Vernon, Texas. B. Dalton, Hilliard high, Spokane, was third.

The second half mile went to Burton, Kaysville, Utah, also in 1:59 4-5. E. Miller, Loveland, Colo., ran second and Kiser of Wenatchee, Wash., took third.

The last half mile center was won by Ash, Argentine high, Kansas City. In the final of the 100 yard dash, Foster, colored speed king of Wenatchee, Wash., jumped for the tape just ahead of Draper, Central high, Fort Worth, Texas. Time 09 4-5.

In the first mile run, Kiser of Wenatchee set a new world's interscholastic record for the event, negotiating the distance in 4:28 1-10.

In the second mile race, W. J. Cox, Rochester, N. Y., high school lad, who was on the 1924 United States Olympic team, again broke the world's interscholastic mark when he ran the distance in 4:20. Harvey, Fort Collins, Colo., was third and Squire, East high, Salt Lake City, fourth.

In the high jump, J. Stewart, Breckenridge, Tenn., set a new record of 6 feet 2 inches, an inch better than the old mark.

O. A. C. Baseball Team Wins Northwest Title

(U. P. Leased Wire to The Bend Bulletin)
CORVALLIS, June 6.—The Oregon Agricultural college held the northwest conference baseball title today as a result of yesterday's baseball game with Oregon, which ended 19 to 5 in favor of the Aggies.

With but the one game left to play the Aggies were tied in the conference with Washington, which had already finished her season, and yesterday's victory clinched the title for the Aggies.

The scores:
Oregon 5 6 6
O. A. C. 19 4 2
Harrison and Minnaugh; Young, Tebb and Faurie.

Early reports from the ball lots indicate that another season of heavy hitting is in prospect.

Hard Fought Ball Game Is Expected Tomorrow

Another high class baseball game is looked for by the local fans in tomorrow's contest between the Shevlin-Hixon and Brooks-Scanlon teams, scheduled for 2:30 o'clock on O'Donnell field.

As is natural for two teams of nearly even strength located in the same city, rivalry between these two organizations is growing heated, and both are expected to start fighting for victory from the time the first man comes to bat Sunday.

Not content with having beaten Redmond last Sunday, the Brooks-Scanlon team has added several players, strengthening both the infield and the outfield, and adding also to the potentiality of the batting order.

The teams have had better weather for practice this week, with the result that they should show increased speed Sunday, aside from the new faces which will be seen in the game.

Last Saturday and Sunday's contests brought out bigger crowds than had attended the earlier games this season, and this attendance is expected to be surpassed tomorrow.

Fights and Fighters
(U. P. Leased Wire to The Bend Bulletin)
NEW YORK, June 6.—King Solomon, Jewish heavyweight, won an eight round decision from Quintin Romero, Chilean champion. Bud Gorman, Kenosha heavyweight, won a six round decision from Jack Demave, New York.

BOSTON, June 6.—Jack Sharkey, young Boston heavyweight, won from Jim Maloney on a foul in the ninth round. Sharkey was on the floor in the sixth.

CHICAGO, June 6.—Tiger Flowers beat Jack Malone in their 10 round fight here last night.

MARQUETTE, Mich., June 6.—Harry Greb, 163 pounder of New York, knocked out Jimmy Muss, Ohio champion, in the fourth round.

SAN FRANCISCO, June 6.—Tuffy Wing won the decision over Sammy Camparino in 10 rounds here last night. Some sports writers thought the bout should have been a draw.

TO HOLD FISH FRY SUNDAY, NOW SURE

The annual fish fry given under the auspices of the Madras Rod and Gun club will be held tomorrow at Cowles orchard on the Deschutes river in Jefferson county, after having been postponed because of the unusually rainy weather in May. For a week Jefferson county's best fishermen have been coaxing the biggest, fattest trout from the Deschutes, and tomorrow Jefferson county's best male cooks will toss these same redsides into sizzling lard. The method used is the same as in frying doughnuts.

Close to a thousand people may be on hand for the fish fry, it is estimated. The Jefferson county folk are hospitable, and invite everyone who desires to come and enjoy the yearly spring reunion with them. A picnic luncheon should be brought, but soft drinks can be purchased on the grounds. Proceeds from this sale go to paying the expenses used in putting on the fry.

In addition to the virtually 100 per cent attendance from Jefferson county, and the many who will be on hand from other parts in Central Oregon, there will be picnickers from all parts of the state, and from other states in the union as well. If past experience is any indication, the fry is a get together for all the people who have ever lived in Jefferson county, and last year drew attendance from as far away as New York.

The 1925 championship tournament of the Middle Atlantic Golf association is to be held June 18-20 at the Maryland Country club of Baltimore.
