## STOCKS STRONG AS WEEK ENDS

### Oils and Motors Ahead In Trading

(Wall Street Journal Financial Review)  
 NEW YORK, June 6.—Those who braved the heat in the financial district today were surprised with the healthy market which developed despite the light attendance. Wire houses were doing a large business from seaside and mountain resorts.

Oils and motors featured the trading, with Pan-American, Phillips and Marland issues active and strong. In the motor group, Moon, Pierce-Arrow and Chandler were the leaders. Willys-Overland, on the other hand, was evidently subjected to heavy profit taking. Mack Truck was quiet and showed little change. U. S. Steel was quiet and rather heavy, selling at 114 1/2 down to 113 1/2.

The market closed irregular. Closing prices included:  
 U. S. Steel 114, off 1/2; Baldwin 112, off 1/2; Studebaker 46 1/2, up 1/2; American Can 187, off 1/2; General Electric 289, off 1/2; General Motors 77 1/2; Mack Truck 176 1/2, off 1/2; Pan-American "B" 80 3/4, up 1/2; Pierce-Arrow preferred 76 1/2, up 1/2; Frisco 82, off 1/2; Rock Island 44, off 1/2; St. Paul preferred 16, off 1/2; Texas Company 49; A. T. & T. 140 1/2.

By far the oldest annual cricket match that still survives in England is the yearly contest between the Collogers and Town Boys played at

Westminster school. The first of these matches took place in 1398, and definite records show that they have been played ever since without a break.  
 Journeymen plumbers in Passaic, N. J., have been granted a wage scale of \$11 a day, making the weekly salary \$60.50, exclusive of overtime, said to be the highest wage paid the craft anywhere in America.

# CONVERSATION

## Does Many Things

It offers a means of entertainment, develops business, gets a fellow in trouble and caused Tunney to knock the sox off of Gibbons yesterday. Now we suppose it will cause Dempsey to pot wallop Tunney so we can all talk about him and fill his coffers with many shekels, but here's one we overheard that started with a fish and ended with a fish.

Jones and Smith (fictitious names of course) met down on the street. Jones had some new tackle and Smith said to him: "Where to?" "East Lake after work Sunday A. M.," said Jones. "The wife and kids are going along and we're going to make a swell catch for from reports the big ones are sure doing their stuff. Just bought a good used car from the Bend Garage so our transportation problems are over now." "I've been thinking of getting a used car, too," said Smith. "Guess I'll see what they've got and may see you at the lake Sunday."

## "RESULT"

Jones and Smith are both driving a Bend Garage Co. Dependable Used Car and, as we said, "started with fish and ended with fish." They both got the limit.

Why not take a look and make the lake yourself. We have a real stock of cars to pick from, priced low and just rarin' to go.
