

Redmond Hitting Wins Ball Game By Nine Point Margin

MILL PLAYERS ARE BORROWED

Errors Aid Visitors In Sunday Victory

Bouncing hits in the sixth inning until it seemed that Shevlin-Hixon never would stop them, the Redmond ball players Sunday won a 12 to 3 victory.

If Redmond hadn't pounded the ball for seven hits and eight runs in that inning, it would have been a real ball game in spite of the draw-back, from the spectators' standpoint, that Redmond's team looked a lot like the Brooks-Scanlon team, having three infielders and an outfielder from the local mill organization, while Dieters, who has been pitching for Brooks-Scanlon, occupied the mound for Shevlin-Hixon.

It looked, early in the game, like the mill team's turn to even up accounts all around, and tie up the unofficial percentage column. Shevlin-Hixon scored twice in the second inning, on three successive errors by Redmond and Ralph Russell's single. Redmond got one in the fourth when Cain walked and Stokes doubled, Cain scoring on an overthrow to third. Shevlin-Hixon took another when Dieters singled, stole second and scored on another hit by Ralph Russell.

"TERRIBLE DANE" IS SEEKING MATCHES

Noted Wrestler In Bend, May Be At Convention

Fred Mortensen, holder of the light heavyweight wrestling championship of Denmark and known to wrestling fans over the entire country as the "Terrible Dane," is in Bend, working for a local contractor. Mortensen arrived here Friday and announces that he plans to make his home in Bend.

In hopes of lining up a match for the state convention of the American Legion, Mortensen today was in touch with Harold G. Malson of Prineville, convention chairman. Mortensen also has hopes of meeting Dutch Miller, local wrestler. The Dane says he can throw Miller twice in an hour.

Mortensen, formerly instructor for Farmer Burns, is a family man and has two children, a boy and a girl, who have been declared by experts to be physically perfect. These two youngsters frequently appear on the mat at private entertainments, wrestling with each other. The boy is 19 and the girl is eight years of age.

Mortensen came to Bend in hopes of finding a climate which will benefit his wife's health.

Tied in Fifth

Redmond tied the score in the fifth. Berning was safe on a Texas leaguer and Holloway tripled, scoring Berning and coming home a moment later on Allen's single.

Thus things stood when Burns, with a long three base drive over the automobiles in right field, started the slaughter in the sixth. Stokes, Weigand and Tetherow singled in rapid succession, Berning was safe on an error. Allen singled, Plets was safe on an error. Then Cain fanned, the first out of the inning. Burns singled, his second hit of the inning. Seven hits, eight runs.

In the ninth inning Stokes beat out an infield hit and went to second on an overthrow, advancing the rest of the way to the plate on two infield outs.

Shevlin-Hixon tried hard to stage a retrieving rally, but not more than four men came to bat in any of the innings after the fourth.

HOW LONG WILL THE NEW KING RULE?

"POP 'EM PAUL" BERLENBACH THE NEW KING OF THE LIGHT-HEAVIES

Pop 'em Paul Berlenbach, the devastating Dutchman of Astoria, is now the proud possessor of the world's light heavyweight crown. Paul won the title from Mike McGuire in his 27th professional battle only four of which went the limit. He was held even by Argie Hainer and Young Stribling and won the decision over Tony Marallo and McGuire.

Twenty-two others were put to sleep by Berlenbach's wallop and the one professional bout he lost was to Jack Delaney last year when the Bridgeport bearcat dropped Paul and ended his remarkable string of knockouts.

It is this same Mr. Delaney that Paul will be obliged to joust with late this summer. And it behooves Paul to think that Paul will relinquish his newly acquired crown when they do meet.

Berlenbach's colorless style of boxing in with hardly any defense is just Mr. Delaney's meat. He

Major League Clubs Cut to Fighting Strength

(U. P. Lensed Wire to The Bend Bulletin)
 NEW YORK, June 15.—Standings of the clubs in the National league begin to look more natural as they pass the first landmark of the season.

Excess baggage must be cast out of the big leagues today when the rules force the clubs to get down to the 25 player limit.

Although they have been almost wrecked by injuries, the New York Giants are holding a lead of four and a half games over the Pittsburgh Pirates.

The Brooklyn Robins, lacking the pitching that held the team in the race last season, are slumping and in danger of losing a place in the first division. The Phillies have dropped down to where they belong after a spurt in the first division.

Chief interest in the National league now centers around the St. Louis Cardinals, which have been turned into a winning combination by Rogers Hornsby, who is showing himself to be a skillful manager as well as a star field mechanic. Hornsby, in two weeks, has moved the St. Louis club from the hole up to a striking position at the first division.

The slipping of the Philadelphia Athletics was the feature of the week

in the American league. The hitting of the club has fallen off and Mack needs more pitchers.

The champion Washington Senators are within a half game of first place and they are moving along at an easy gait.

The New York Yanks may have more luck now that Ruth is getting back to his real form. The big fellow is getting stronger and is hitting and when he hits the team wins. Combs and Meusel have been the whole works for the Yanks and without them the team might be down in the hole.

The Detroit Tigers are in a critical position. It looks now as if the team never will get started. So much ground has been lost that it seems that Cobb's team cannot hope to figure in the pennant race.

The Dalles Is Winner In Mid Columbia League

(U. P. Lensed Wire to The Bend Bulletin)

THE DALLES, June 15.—The Dalles American Legion baseball team clinched the pennant of the Mid-Columbia league yesterday, defeating Hood River by a 4 to 0 score. The Dalles team has lost but one game this season, that to Hood River at that city.

Chicken pickers employed in the great poultry breeding region about Petaluma, California, have demanded a wage increase because the owners have switched feed on the chickens, with the result that the birds grow tougher skins and are harder to pick.

"Had I Known Before"

[Monday Health Talk No. 23]
 [By Roy Reynolds, D. C., Ph. C.]

Force of circumstances has obliged the Chiropractor to make his reputation by skillful handling of cases on which other methods have failed. Almost the only regret of the long-suffering patient, helped by Chiropractic, is that he did not learn of it sooner.

Wasted years inevitably force regret. What is passed cannot be regained. It is the future that counts, and the future can be safeguarded by proper attention to your spine, by seeing to it that the nerves are free so that disease cannot enter.

The spine is the key to health. If the nerves that radiate from it to millions of nerve centers of the body are free to carry their burden of vital energy, all will be well. Chiropractic spinal adjustments relieve pressure upon nerves—Health Follows.

HEALTH FOLLOWS

CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS:

MR. TAYLOR WRITES HIS CHIROPRACTOR

"It is more than twenty years that I have suffered most acutely. Late last fall I came to you, just able to hobble on crutches, sick at my stomach, coughing day and night. The first two months under your care I felt little benefit—there was so much to undo. Today, after eight months of steady adjustments, I am a wonder to myself, walking without crutches, eat and sleep well, very little cough, and able to do two or three consecutive days' work. I feel sure that with continued adjustments I will further surprise myself. I only wish I had known of your method when I was a young man, then."
 —James Taylor, Chiropractic Research Bureau, Statement No. 2167-Y.
