WEEK'S TREND FOOLS STREET

Irregular Aspect Cloaks Heavy Buying

(Wall Street Journal Financial Review)

NEW YORK, June 27.—Shorts were put to rout at the week end by the development of further remarkable strength in American Can, Dupont and other leading industrials.

Not in recent speculative history have so many traders been deceived by the action of the market as in the last week.

Under cover of an irregular appearance in the general list, which made a bad break seem imminent, heavy buying was conducted by influential banking interests.

American Can scored sensationally, forging into record territory at 209, thereby fulfilling predictions confidently made for the stock by First National bank interests at the outset of the current bull swing.

General Motors also forged into the highest levels ever attained by the present shares, while substantial advances occurred in Dupont, General Electric and other pivotal industrials. Rails also experienced good buying and the wewek on the stock exchange closed in an atmosphere of cheerfulness.

The market closed higher. Closing prices included:

American Can 198, up 8; Cast Iron Pipe 161, up 1; General Motors 84⅝, up ⅝; Mack Truck 178¾, off ¾; Pan-American "B" 79, off ⅝; United Cigar Stores 91½, off ¾; Southern Railway 97½, up ⅛; St. Paul preferred 16¼, up ¼; New York Central 115; Frisco 80, off ½; Great Northern 69½, up 1⅛; Northwestern 63¾, up ¼; United States Steel 114¾, off ¾; Baldwin 112½, up ½; Studebaker 48⅛, up ⅛; Texas Company 51⅝; Electric Power 36; A. Stickers Give Warning Of Forest Fire Danger

More than 16,000 windshield stickers giving warning of the forest fire hazard have been sent out this week from the office of the Oregon State Chamber of Commerce to local chambers of commerce and commercial clubs in all parts of the state, according to a letter received today by L. K. Cramb, secretary of the Bend Commercial club, from the state organization.

Over 7,000 booklets dealing with the same subject have been distributed in Portland to the auto camps.

A wider distribution of fire warning literature has been obtained this year than last, according to the state chamber of commerce secretary, and a keen interest is being manifested throughout the state in Stop Forest Fire week, which the governor has designated for June 29 to July 4.

An unusual record in longevity is furnished by the case of a woman in England aged 70. Her grandfather was 70 when his first son was born, and his son was 70 when his daughter was born. The grandfather of this living woman was thus born 200 hundred years ago.

Grocery Is Burglarized, Cigarettes, Money Taken

The Reynolds grocery on Broadway near the entrance to the Brooks-Scanlon plant gate, was broken into last night by burglars, probably amateurs, for the second time in several months, according to word telephoned to the police. A quantity of cigarettes and other merchandise was taken, as well as about $11 found in the till.

Sugar cane is harvested today in the same primitive manner that it was 30 centuries ago.

Missing Man Located At Ranch of Friends

The story of how Galos Fernandez, a Porto Rican, started from Portland to Burns but failed to arrive in the southeastern Oregon town was told today by various people who met Fernandez while he was in Bend.

About a week ago Fernander, who has only a slight knowledge of English, left Portland with a letter of introduction from W. G. Ide, general secretary of the Oregon State Chamber of Commerce, to L. K. Cramb, secretary of the Bend Commercial club. Cramb directed him to someone who could tell him the exact location of the farms of two of his countrymen, Jamie Grino and Alfred Incognito, who live about 10 miles east of Bend.

Fernandez hired a local taxi to take him to see his friends and has not been heard of since. The Burns Chamber of Commerce has advised the state organization that the man failed to arrive in Burns.

Witnesses Harrassed, Charged By Wheeler

(U. P. Leased Wire to The Bend Bulletin)

WASHINGTON, June 27.—A charge that defense witnesses in the Wheeler case were being harassed by the department of justice was made today by Senator Burton K. Wheeler, Montana, democrat.

In a statement, Wheeler declared that the department's action in summoning witnesses before a Spokane jury, "is another attempt to indict enther me or some of the witnesses who testified in my behalf before the Borah committee and in my recent case in Montana.

The sum of $45,000 has been paid by a motion picture concern for the exclusive privilege of taking a film in the famous casino at Monte Carlo.
