

Dave Shade Big Sensation Of New York Fight Program

VICTORY EARNS WALKER BATTLE

Weinert and Champion Both Defeated

By Henry L. Farrell
(United Press Staff Correspondent)

NEW YORK, July 3.—Mickey Walker's first duty as the welterweight champion of the world is to attend to his own business, stay in his own class and fight Dave Shade.

This was the only moral of lesson to be derived from 2,225,000 worth of fights for which 40,000 spectators gave up close to a half million dollars last night.

Walker, who was set down on twice by the New York boxing community because he would not accept the challenge filed by Shade, went out of his class last night and tried to take the middleweight championship away from Harry Greb. He got a good purse and a fine thrashing for his ambition and his stock on the pugilistic market also suffered a downward movement.

Shade, forced out of his class because no welterweights will fight him, proved one of the sensations of the year when he knocked out Jimmy Slattery, a middleweight from Buffalo who had been hailed by experts as a good punch and a fine thrasher for his ambition and his stock on the pugilistic market also suffered a downward movement.

Harry Greb proved himself more of a marauder than he ever has been rated and he always has been rated as one. He made a complete mess of Walker, whose good stout heart saved him in the 14th round when Greb had him on the point of a knockout.

Harry Wills, the negro challenger for the heavyweight championship, ran like a train and knocked out Charlie Weinert. The bout proved nothing and it should not have been permitted. By no process of reasoning can the victory of Wills over such a second rater as Weinert be construed as meaning that Wills is the outstanding contender in the heavyweight class. Weinert never had a chance. His end started when Wills sneaked over a right hand punch in the second round as they were stepping back out of a clinch. Referee Eddie Purdy said after the fight that the blow was fair as he had not ordered them to break and that Weinert stepped back voluntarily.

The bust of Slattery was the big feature of the program that was arranged for the benefit of the Italian hospital fund. It was estimated that an investment of at least a quarter of a million dollars was cracked right on the chin by a marker who was thought to be a fight for him. Slattery, of course, is young and may come back but he will have to be good to do it.

While the figures have not been computed, Humbert Fizazi, who arranged the card, estimated that there would be about \$150,000 left for the hospital after the bills are paid.

THE GREAT LITTLE COLORED BANTAM WHO HAS WON OVER 50 STRAIGHT BATTLES

By Dick Dorgan

We are hearing plenty about Harry Wills, Tiger Flowers, Larry Esbridge and Bob Lawson of late, but there is still another colored boxer whose name will be in the limelight very soon. We refer to Chick Suggs, the great little colored bantam of New York.

Suggs has just run up a string of 50 odd victories over some of the best bantams in the country. He jack boxer and as his record proves holds knockouts over Irish Johnny carries quite a sock in his gloves. Curtis, Billy Bycroft, Nick Mercer. He is known as the uncrowned king Johnny Gilbert, Tony Thomas and of the bantams and is the bantam Ruby Levine, and 'Decision' over Abe Goldstein, Joe Ryder, Terry Martin, Joey Sanger, Jimmy Mendo and a bunch of others.

Chick weighs about 115 pounds and has taken the measure of a flock of featherweights besides the boys in cinder shoes going good and then—his own class. Chick is a cracker—watch out Mr. Rosenberg!

NATION'S ATHLETES OPEN FRISCO MEET

(U. P. Leased Wire to The Bend Bulletin)

SAN FRANCISCO, July 3.—Athletes from every section of the United States clashed today in the Junior national A. A. U. championships at Kezar memorial stadium, with Pacific coast stars holding a big advantage over rivals from the east.

This is the first day's competition of the greatest national championship event in the history of American athletics. Senior stars will start competition tomorrow. The relays and decathlon will take place Sunday.

The Hollywood Athletic club, making its debut in national competition, has the highest field of stars entered in the Junior events and should carry off the honors, with the Olympic club of San Francisco providing the fight for first place. Eastern clubs for the most part have confined their entries to senior events.

Suzanne Regains Title In Play At Wimbledon

(U. P. Leased Wire to The Bend Bulletin)

WIMBLEDON, England, July 3.—Miss Suzanne Lenglen, French tennis star, regained the world's tennis championship here today when she defeated Miss Joan Fry, the 19 year old British girl, in straight sets at 6-2 and 6-0.

The British youngster, playing her first season in major tournaments, was not at all awed by her opponent. She did better than the score would indicate in winning two games of the first set, but she faltered in the second as most of Lenglen's opponents falter against her deadly accuracy.

Fifteen thousand spectators, who occupied every available inch of the stadium, were thrilled by the match. Lines had formed in front of the stadium at dawn, and at noon it was almost impossible to get close to the windows where the few unreserved seats were being sold. A sporadic drizzle of rain fell on the exposed sections of the stands.

Trophies Are Received For Tennis Tournament

Arrangements for the Central Oregon tennis tournament which will be held here Saturday and Sunday were completed today with the arrival of the trophy cups. These were on display at the Symons Bros. store.

The tournament opens officially at 8 o'clock Saturday morning, but one or two matches were to be played this afternoon. All first round matches and possibly some of the second round will be played Saturday.

The semi finals in both singles and doubles will be played Sunday morning, and the finals will begin at 2 o'clock Sunday afternoon.

TWO MAIN EVENTS FOR CARD TONIGHT

Gilbert Facing Tough Battle, Belief of Fans

That the fight card which is to be staged at 9:30 tonight in the Hippodrome will have a double main event, is the belief of local fans who hold that the return bout between Sub Dean and Earl Stolz is an attraction equal to the headliner between Fred Gilbert and Art Bibby, who hails from The Dalles, bearing the reputation of a clever fighter.

Dean and Stolz are to appear in the semi-finals of tonight's card, to be held under the auspices of the Bend bricklayers' and plasterers' local. Both are in prime condition. That this fight will be no lovefest is a certainty, since Stolz put the k. o. skids under the Wallace, Idaho, fighter in their last bout after a hard fight. Dean says he will claim no atonement if Stolz should lay him away again. Should this happen, Dean's career as a drawing card in Bend will be virtually ended.

Because Bibby is not known very well in local fight circles, the interest in his bout with Gilbert is probably not so great as the interest in the Gilbert-Hubbard fight, the headliner of the bricklayers' last card. But those who have seen Bibby do his stuff in training here for the past several weeks believe that Gilbert tonight faces one of his hardest fights of his ring career. All fighters who are to appear on tonight's card took their final workouts Wednesday evening.

Carrying out the policy of the bricklayers to make every fight a main event, Matchmaker O. B. Montgomery has lined up Chief Egbert and Frenchie Gaspard for the curtain raiser. Egbert in his last fight in Bend knocked out Cowboy Baxter. Several knockouts have featured the last few fight cards staged here by the bricklayers.

The doors are to open at 8 o'clock tonight, but the first fight will not get under way until 9:30, since places of business are to be open until 9 o'clock. This time, explains Matchmaker Montgomery, will permit local business men to attend the fights. Jack Barron is to be referee.

Prize List Announced For Flag Tournament

Play in the 18 hole "flag tournament" on the Bend Golf club course will begin at 9 o'clock Saturday morning, it was announced today by Sid J. Reid, professional. All who plan to compete should be at the first tee at that hour.

Each player will be allotted a certain number of strokes, depending on his handicap, Reid explains. After completing this number of strokes he is to plant his flag where the ball carried after the last one. This should be somewhere near the end of the second nine holes.

Four prizes for this event have been provided, and there are also prizes for the driving, approaching and putting contest.

The prizes, on display in the Men's wear store window, include a \$10 gold piece given by the First National bank; 20 theater tickets given by the Capitol; a fountain pen by Symons Bros.; golf knickers donated by the Men's Wear store; a mashie given by the Pilot Butte Inn, an inner tube given by the Central Oregon Motor Co., and 10 gallons of gasoline given by Hubble's service station.

AMERICANS IN FINALS WIMBLEDON, England, July 3.—John Hennessey and Ray Casey, the young American pair, survived the semi final round in the British national men's doubles championship here today when they defeated the French stars, Jacques Brugnon and Henri Cochet, at 7-5, 5-7, 9-7 and 6-4.

GEDDES PLANE WINS LONDON, July 3.—Captain F. A. Barnard, piloting Sir Frank Geddes' entry in the "air derby," today won the around England run after 10 to 14 netries had been forced down by fog. Some of the airplanes were wrecked in their forced landings.
