

# British Invaders Winning Track Meet From Americans

## SEVEN OF NINE FIRSTS TAKEN

### Injuries Weaken Cornell-Princeton Team

(U. P. Leased Wire to The Bend Bulletin) ATLANTIC CITY, July 18.—For one of the few times since inauguration of international varsity track and field meets, an Oxford-Cambridge team was favored today to defeat an American college combination.

Out of nine events run off, the British had scored seven first places. The Cantab and Oxonian, who held Harvard and Yale to a tie in first place at Cambridge last week and only lost when second places were counted, were picked by the experts to beat a Cornell-Princeton aggregation this afternoon.

The American team was weakened by injuries and on paper did not stand up as strongly as the crimson-clad stars who were so hard pressed by the visitors at Harvard stadium.

The weather was fair, ideal for records, but the track was slow.

The Englishmen were considered certain winners in the half mile and mile, with D. G. A. Lowe, the Olympic 500 meter champion, in form. Lowe won both these events at Cambridge last Saturday. It was thought likely that the visitors would account for first place in the two mile run, both hurdles, the high jump and possibly the sprints. Porritt, the New Zealander, should win at least one of the latter events.

Lord "Dave" Burghley, the British hurdler, was looked upon as the best bet in the hurdles, as Scattergood of Princeton has been troubled with a bad leg.

The same scoring system as was used at Harvard stadium will prevail, each first place counting one point and second place being reckoned only in case the first series results in a tie.

### Elk Lake Water High, Swimming Is at Best

With the water unusually high, swimming at Elk lake is better this summer than ever before, is the report from the Skyline Trail camp, where 19 girls are spending their vacation under the supervision of Miss Carin H. Deermarck, who conducts the camp each summer.

Today the girls were to hike up the trail to a point where a snowball fight could be enjoyed. They have already made a horseback trip, and done some swimming and canoeing. Three have passed the canoe tests permitting them to use the canoes; Irene Gerlinger, Ruth Patterson and Nancy Northrup.

### Patterson Is Winner Over Japanese Player

(U. P. Leased Wire to The Bend Bulletin) CHESTNUT HILLS, Mass., July 18.—Gerald L. Patterson of Australia made a remarkable finish and won the finals of the singles in the Longwood Bowl tennis tournament here this afternoon from T. Harada of Japan.

Patterson lost the first set 5-7, won the second 7-5 and in the third was overwhelmed by the Japanese, 3-6. Patterson then struck his stride and took two straight sets, 6-3 and 6-1 for the match.

### TENNIS STARS ENTERED

GLENCOE, Ill., July 18.—With the 10 ranking tennis players of the United States entered, the Illinois state tennis tournament opened here today. It is to continue through to July 26, when the finals will be played. Bill Tilden will defend the championship which he won last year.

### Double Header Listed in Bend for Tomorrow

For the first time this season Bend baseball fans will be treated to a double header at O'Donnell field Sunday afternoon, beginning at 1 o'clock.

At that hour the Shevlin-Hixon team will play the Brooks-Scanlon camp team—a game which promises to be close and exciting, judging from the past performances of both teams. The camp players recently held the Brooks-Scanlon plant team to a 9 to 8 score, and the east sliders won their last game from Shevlin-Hixon, so these teams are, according to "the dope," pretty nearly even in strength.

As soon as this game is finished, Brooks-Scanlon plant team and the Tumalo ball tossers will play, and this game also should be close and hard fought. Tumalo threw a big scare into the Shevlin-Hixon organization several weeks ago, and is expected to have an even stronger combination for the game here tomorrow.

### E. W. Nutting Is Champion Among Pacific Marksmen

(U. P. Leased Wire to The Bend Bulletin) DENVER, Colo., July 18.—E. W. Nutting, Los Angeles, is champion amateur marksman of the Rocky Mountain region here today after breaking 200 blue rocks straight in the Rocky Mountain tournament yesterday.

### Tilden Retains Title Over Youthful Phenom

(U. P. Leased Wire to The Bend Bulletin) TRIPLE A CLUB, St. Louis Mo., July 18.—Champion Bill Tilden retained his title in the finals of the national clay court championship by defeating 18 year old George Lott after a brilliant 5-11, 6-2, 6-2, 6-2, 5-6.

Young Lott, last year's junior champion, displayed a hard driving game to battle the champion and after the third set Tilden was plainly worried.

### MURCHISON TAKES SPRINT

(U. P. Leased Wire to The Bend Bulletin) LONDON, July 18.—Loren Murchison, American sprinter who has been touring the world with Charley Padcock, won the finals of the 100 yard dash in the Amateur Athletic association track and field championships at Stamford Bridge today. Murchison's time was 9-9-10 seconds.

Science has always maintained that the human ear, unlike the eye, cannot be fatigued. Now, as a result of experiments with radio apparatus, it is asserted that the ear apparently

### Roosevelt Expedition Will Return Shortly

(U. P. Leased Wire to The Bend Bulletin) CALCUTTA, July 18.—It was reported here today that the members of the James Simpson-Roosevelt-Field museum expedition to the heart of Asia in quest of the sheep's ancestor, the civet, had indicated they were returning soon. Authorities, perplexed and without definite news, say an early return would mean either that the expedition had succeeded or was obliged to replenish equipment.

United Press dispatches from Leh and Karachi yesterday indicated that the Roosevelt were due at Yarkand, western Turkestan, Sunday. They had evidently mastered the mighty Karakoram pass in northern Kashmir and were said to be only five caravan stations from Yarkand.

### Fights and Fighters

(U. P. Leased Wire to The Bend Bulletin) SAN FRANCISCO, July 18.—Young Nationalists, Filipino bantamweight, and Roy Riley went 19 rounds to a draw here last night.

NEW YORK, July 18.—Gene Tunney said today he had an oral agreement to fight Jack Dempsey here September 18. "And if he meets me, he will never have to worry about fighting Wilks," Gene added.

ALBANY, N. Y., July 18.—Believe it or not, Mike McGuire, former world's light heavyweight champion, won a bout here last night, stopping Frankie Carpenter of Freeport in the seventh.

NEW YORK, July 18.—Mickey Walker, world's welterweight champion, is expected to sign articles to meet Dave Shadle here this fall, when the pair come before the boxing commission next Tuesday.

EAST CHICAGO, Ind., July 18.—Sammy Mandell, lightweight, of Rockford, Ill., beat Bolly Seeman of New York in their 10 round battle here last night.

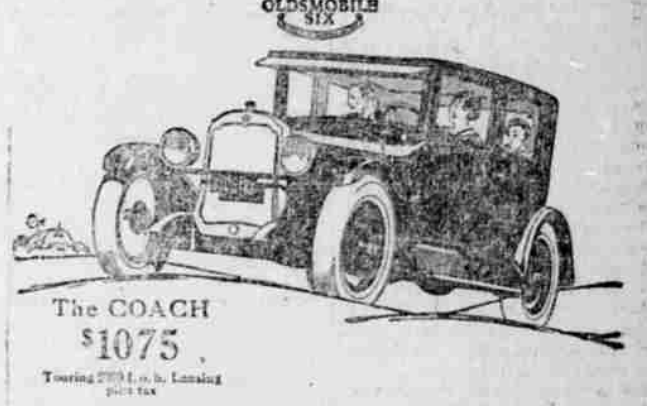

HOLLYWOOD, Cal., July 18.—Fidel La Barba, former world's amateur bantamweight champion, won the decision from George Rivers, Mexican, in 19 rounds at the Hollywood Legion stadium last night.

### Pedigreed Cockerels

We have more cockerels than we need for our own use and will sell the surplus at about 25 per cent of value asked by the breeder for mature birds. They are out of a bunch of chicks purchased from Hanson's selected O. A. C. from this spring (July) and fine; some are growing now. Each has original wing bands and pedicels, and from dams with parent records of 300 to 300 eggs. They are the grade that Hanson's sells at \$4 to \$10. We will sell our surplus at \$3 if taken by August 10th, 1 for \$10.
