Father Tells Delinquency Of Girl, Alleged Slayer

(U. P. Leased Wire to The Bend Bulletin)
 SAN FRANCISCO, Aug. 14.—The tale of a wayward girl who started running away from home at the age of 12 years, was recited from the witness stand today when Joseph Ellington testified in the trial of his daughter, Dorothy, the murderer of her mother.

Bids Called on Grading Highway South to Butte

Bids for grading of 9.05 miles on the Bend-Lava butte section of The Dallas-California highway, involving approximately 91,000 yards of excavation, have been called by the state highway commission, bids to be opened on August 20, it is announced.

HEAVY HAY YIELD REPORTED

Less than 50 acres of irrigated land on the G. S. McCartney place, four and one-half miles north of Tumalo, produced 120 tons of alfalfa, timothy clover and alsike clover the first cutting this year. This yield is considered one of the best ever reported in the state. Part of the land received only one wetting of about one acre foot.

DUTCH QUEEN IN WRECK

(U. P. Leased Wire to The Bend Bulletin)
 LONDON, Aug. 14.—An Amsterdam message to the Exchange Telegraph Company today said a speeding touring car had crashed into a car occupied by Queen Wilhelmina of Holland near the royal summer residence but that the queen was not injured.

Californians Expected To Visit at Old Home

POWELL BUTTE, Ore., Aug. 12.—Mr. and Mrs. J. J. Flint, former residents of Powell Butte, at present making their home at Lindsey, California, are expected soon to visit at the home of their son in law and daughter, Mr. and Mrs. E. R. Agee. Mrs. M. H. Cook will entertain the children of the Sunday school choir Wednesday afternoon, August 19, at the community hall.
 Mr. and Mrs. Otto Pauls are driving a new Ford roadster.
 Maude and Evelyn Kissler were dinner guests Sunday of Margaret Chapman.
 The Sleasman ranch of 500 acres is the scene of much activity during the harvesting of the big grain crop. Sleasman recently purchased the L. S. Hines ranch, known by pioneers as the Vandever ranch, part dry land and part under ditch.
 Mr. and Mrs. Frank Kissler and children spent the week end in the

What makes this building possible?

This new building has comfortable office room for more than 6,000 men and women. Without 27 electric motors that run its numerous elevators, 72 more that run its heating and ventilating equipment, and 12 others for water supply and pneumatic tube system, this vast structure would be a lifeless pile of masonry and steel.
