

# Youthful Athletics First To Crack Under Heavy Strain

## SENATORS LOSE THEN PICK UP

### Older Team Is Crippled, But Keeps Ahead

(U. P. Leased Wire to The Bend Bulletin)  
NEW YORK, Aug. 29.—Smart baseball men have predicted since the American league pennant race developed into a two fisted fight between the Washington Senators and the Philadelphia Athletics that the younger Athletics would crack under the strain.

It looks now as if the Athletics have exploded under pressure and their plight would be critical if it had not happened that the Senators blew at the same time and could not take advantage of the situation.

The champion Senators now have a lead of a little better than one full game and they are playing better ball than Connie Mack's youngsters.

The two teams have to play eight more games against each other and upon results of these eight games the American league pennant no doubt will hang. Unless they should break even, the coming series may have the effect of the recent series between the Pittsburgh Pirates and the New York Giants which knocked the Giants out of the running.

The Senators had a very bad break when Joe Judge, the veteran first baseman, was cracked in the head in Detroit with a pitched ball and was forced out of the game. The defensive work of the infield was slowed up when Manager Bucky Harris was forced to move Roger Peckinpaugh over to first and put the aged Deacon Scott in Peck's place at short.

Even under this handicap the Senators have been holding their own under circumstances that would have caused a less experienced team to go to pieces.

The Athletics have been in a hitting slump and their pitchers also have shown the strain of extra labor.

## Miss Nuisance Winner Of First Motor Heat

(U. P. Leased Wire to The Bend Bulletin)  
PORT WASHINGTON, L. I., Aug. 29.—Miss Nuisance, driven by Colonel J. G. Vincent of Detroit, today won the first heat of the gold cup race, the speed boat classic. Baby Bootlegger was second, William Joyce's Impish was third, Miss Columbia, driven by L. G. Hammerly fourth, and Miss Tampa, driven by Dick Lucke, fifth. The time was 36.46 for the 20 mile course.

Miss Nuisance averaged 49 miles an hour, two miles faster than the best previous average in the gold cup.

Baby Shadow, owned by Carl Fisher and driven by Victory Klosserath, led for the first nine laps but was then forced out of the race when fire broke out in a gasoline feed pipe. The fire was quickly extinguished. The Curtiss Wild Gold II, driven by R. V. Williams, was forced out by a broken connecting rod, and the Solar Plexus, belonging to Horace Dodge of Detroit developed engine trouble and had to withdraw.

## Golf Champion's Title Stake In Oakmont Play

(U. P. Leased Wire to The Bend Bulletin)  
OAKMONT COUNTRY CLUB, OAKMONT, Pa., Aug. 29.—A report to the effect that "unusually lies the head that wears a crown" is endorsed by Bobby Jones of Atlanta, here to defend his title as national amateur golf champion and far from being over confident about doing it.

More than 100 other amateurs who will compete in the championship next week got in some final practice links over the Oakmont course today and many of them are showing better preliminary form than the young title holder.

Chick Evans, former amateur and open champion, broke the competitive course record at the Allegheny Country club yesterday in a special 18 hole medal tournament. He shot a 79 while the best Jones could get was 81.

## Changes In Game Laws Explained by Warden

Definite knowledge that the season on waterfowl in Central Oregon will not open until October 1, and will close on January 15, was received in a letter from P. M. Brown, chief deputy game warden of the state game commission, today.

Referring to the confusion in the protected season on bear, caused by a typographical error, Brown points out that bear are protected in Jackson, Josephine and Klamath counties only. In these counties, there is an open season in November on bear.

It is explained by Brown that the game commission pamphlet which stated that the season on waterfowl on district No. 2 opens September 15 was printed before the migratory regulations for 1925-26 were adopted by the federal game authorities.

Brown emphasizes in his letter that the open season on ducks, geese and other waterfowl is from October 1 to January 15, both dates inclusive. "This law will be strictly enforced," Brown writes.
