

Babe Ruth Will Appeal Suspension To Czar Of Baseball

HAS TO WAIT FOR TEN DAYS

Claims Huggins Trying to Alibi Yanks

(U. P. Leased Wire to The Bend Bulletin)
 CHICAGO, Aug. 31.—Formal appeal from the \$5,000 fine and indefinite suspension imposed on him by Manager Miller Huggins of the New York Yankees will be made to Judge K. M. Landis, baseball arbiter, within 10 days, George Herman (Babe) Ruth declared today when he found that Landis was out of the city.

Ruth, premier slugger, still smarting under the blow dealt him by his diminutive manager Saturday afternoon, reiterated charges that Huggins was trying to alibi the poor showing made by the Yankees.

Seated in his room at a hotel, clothed in a dark blue dressing gown while waiting for his suit to be pressed, Ruth said:

"I have to wait 10 days before making an appeal to Judge Landis. I will go before him and demand that he take action. There was no reason for Huggins throwing me off the team other than to alibi the poor showing made by the Yankees.

"We have the best team in the league, but Huggins is off his nut and he's trying to blame me. He's been laying for me for a long time and he got his chance the other morning when I pulled in about 2:30 in the morning.

"I'm going to New York this afternoon to lay my case before Colonel Ruppert (Colonel Jacob Ruppert, owner of the Yankees).

"Only, I'm afraid I won't get anywhere because Huggins has got Colonel Ruppert where he wants him and where he'll believe anything he says."

Ruth appeared worried. He passed his hands through his thick shining black hair as he talked. He twisted about uncomfortably, a nervous question put to him by a group of newspapermen.

"I gave the team the best I had in me," he said. "I'm 25 pounds lighter than ever and I'm in better shape than ever before.

"Huggins had to have somebody for a goat and I'm it."

Judge Landis is at Bird Lake, Mich., with his grandchildren and may not return to Chicago for several days.

Ruth was disappointed at not being able to see the commissioner and told friends he felt that Landis had "walked out on him."

According to the arbiter's office he went to Michigan during the night, taking a train shortly after Ruth's arrival here.

Ban B. Johnson, president of the American league, has taken no official cognizance of the action of Huggins. Unofficially, he told newspapermen that he felt the "babe" got what was coming to him.

Ruth made no effort to get in touch with Johnson.

CHICAGO, Aug. 31.—The former king of swat appealed to the czar of baseball today for a showdown on whether he or Miller Huggins, his diminutive manager, is the biggest man in the American league.

Babe Ruth's conference with Baseball Commissioner K. M. Landis was scheduled for this morning, after which the "bad boy" of the Yankees was to entrain for New York.

On his arrival here last night, Ruth registered at a fashionable hotel and began giving out interviews, attacking Miller Huggins, Yankee baseball club manager, for suspending him indefinitely and fining him \$5,000 for "conduct unbecoming a player."

"This morning the former home run king's attitude had not changed in the least.

"I'm all set to tell the judge (Landis) what this is all about," Ruth said before starting for the baseball commissioner's office. "I want my fine reduced.

"Huggins gave me a raw deal. Why, they wouldn't fine a bootlegger that much, and I didn't even take a drink."

"Baby Bootlegger" Best Of Boats, Seen In Race

(U. P. Leased Wire to The Bend Bulletin)
 PORT WASHINGTON, Aug. 31.—Caleb E. Braeg's speedy motor boat, Baby Bootlegger, has firmly established its claim to recognition as about the fastest thing in the water.

After winning the classic gold cup regatta Saturday in the regatta here, the Braeg boat followed up its victory by carrying away the Dodge trophy yesterday. The victory was impressive.

The Bootlegger took all four heats of the 12 mile course which made up the race and set a new record for boats of her displacement with an average speed of 46.5 miles an hour.

The international trophy went to Richard Hoyt's Teaser almost without argument. It was a 105 mile event.

New York Club Owner Stands Behind Manager

Ruppert Says Discipline for Big Slugger Long Overdue— Asserts Landis Without Authority in Case

(U. P. Leased Wire to The Bend Bulletin)
 NEW YORK, Aug. 31.—"Babe Ruth is not the manager of the New York Yankees and he does not own the club. As long as he is working for me he will have to do as he is told. He never can dictate to Miller Huggins or to me," Colonel Jacob Ruppert, owner of the former American league champions, said today.

Ruppert made it clear that the \$5,000 fine and the suspension which Huggins slapped on the home run king for a violation of training rules goes with him to the limit.

"I don't know all the details but I'm behind Huggins in everything he does," he said.

Colonel Ruppert intimated that he thought Huggins had been too slow in giving the babe some good discipline and that he wanted to do it several times in the past but would not interfere in the family affairs of the team.

It won't do him any good to talk to Commissioner Landis, as Landis has no authority to go into the private affairs of any club. It is certain that he cannot get anything from Ban Johnson because the American league president is a Huggins man from the start.

It has been known ever since he got into the big money that the babe was his own manager and that he caused dissension among the other players on the team who could not understand that the club rules be applied only to them and not to the babe. He openly insulted Huggins, refused to carry out instructions on or off the field and several times threatened Huggins with physical violence.

A telegram from Commissioner Landis to Mayor C. A. Cargill of Oklahoma City said:

"Detailed reports from investigations of L. I. Burns whom I sent to Oklahoma City disclose most atrocious wide open gambling in Oklahoma City. (Signed) K. M. Landis."

Similar telegrams were sent to City Attorney J. K. Wright and Manager Jack Holland of the Oklahoma City Indians.

Ruth to Carry the Fight To New York Club Owner

(U. P. Leased Wire to The Bend Bulletin)
 CHICAGO, Aug. 31.—Babe Ruth this afternoon boarded a fast train to New York, having failed to lay his case before Judge K. M. Landis, supreme dictator of baseball.

The "king of swat" had planned to appeal to Landis from the suspension and fine imposed on him by Miller Huggins, manager of the New York Yankees.

Learning, however, that Landis had left town over night, Ruth decided to turn his fight to New York, where he will attempt to convince Colonel Jacob Ruppert, owner of the Yankees, that he was not deserving of the fine and suspension.

ROLAND MACKENZIE TAKES HIGH SCORE

Beats Bobby Jones by Two In Qualifying Round

(U. P. Leased Wire to The Bend Bulletin)
 OAKMONT COUNTRY CLUB, Pa., Aug. 31.—Roland Mackenzie, of Washington, D. C., took the lead for medal score in the qualifying round of the national amateur golf championship this afternoon when he turned a brilliant 71.

This was two strokes better than Bobby Jones' card, which had been the lowest up to the time Mackenzie checked in.

Following the Jones-Carter match, the next important pair to reach the turn were Francis Ouimet of Brookline, who had for a partner Don Carick from Toronto university.

Ouimet reached the turn in 42, while Carick, despite his getting into trouble in the fourth and eighth, had a 41.

Mackenzie is an 18 year old Washington school boy. He walked off with most of the invitation tournaments in the vicinity of the capital this spring. The youngster has been playing golf but three years. Mackenzie chalked up five birdies or his round.

In Nervous Disorders --Free the Nerves

(Monday Health Talk No. 34) By Roy Reynolds, D. C., Ph. C.

You will agree that in cases of nervous disorders it is but logical that all effort should be directed to secure a proper co-ordination of the nervous system. If you know of the science of Chiropractic you will unhesitatingly add that Chiropractic best achieves this result.

HEALTH FOLLOWS CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS:

A CASE IN POINT— "After the sudden death of my husband, I found myself a nervous wreck. For two years I had not slept more than two or three hours out of each twenty-four. The loss of sleep brought nervous indigestion and many physical ills. I could not discuss my business affairs with my attorney without 'going to pieces' and could not attend to them at all. I was desperate when a good friend suggested Chiropractic. After the first adjustment I spent 14 hours without awakening. I took about forty adjustments, but before I finished I was a new woman, sleeping all night, eating anything I wanted and attending to my business affairs without the least obstacle."—Mrs. Mary Miles Baker, Chiropractic Research Bureau, Statement No. 2115-L.
