

We Leave It Entirely With You!

Our selecting of pictures for the winter months will be governed by your decision. We realize our success depends entirely upon our ability to furnish entertainment that meets your fullest approval.

During the coming season 762 pictures will be made. Out of this number, allowing for six changes each week, we use only 312 pictures. There is a wide variation in quality and type of this multitude of product. We cannot consider our judgment as being good when it comes to picking pictures that will please you. We must have your advice.

What Kind of Pictures Do You Want to See This Winter?

HERE IS HOW YOU CAN ANSWER THIS QUESTION

We have very carefully prepared a list of pictures from each different type of production for showing during the next few weeks. One week we will show, in both theatres, all pictures of one type. The next week we will show all pictures of another. The pictures receiving the largest attendance will govern the type of pictures we shall choose for showing during the winter months. We urge you, Movie Fans of Bend, to give this plan your earnest consideration. This is not a trivial matter. IT MEANS YOU ARE TO BE THE JUDGE OF THE KIND OF PICTURES YOU AND YOUR BOYS AND GIRLS ARE TO SEE THIS WINTER. It means we are taking you in to our confidence as a silent partner.
