

Fighters Make Weight For Championship Bout Tonight

SHADE GIVEN SLIGHT EDGE

Mickey Overtrained, Say Ring Experts

(U. P. Leased Wire to The Bend Bulletin) NEW YORK, Sept. 21.—Dave Shade will have two and a half pounds' advantage in weight when he meets Mickey Walker tonight in an effort to wrest from Walker the welterweight championship crown.

Shade weighed in this afternoon at the office of the New York boxing commission at 147 pounds. He looked extremely fit for the bout. Walker weighed in at 144 1/2 pounds, which was considered surprising. Mickey looked wan and pale and some experts express the opinion he might be suffering from over training.

NEW YORK, Sept. 21.—For the first time in three years that he has been the world's welterweight champion, Mickey Walker will take a chance on his title tonight when he meets Dave Shade, the California challenger, in the Yankee stadium.

Ever since Walker won the title from Jack Britton, Shade has been right behind him telling the world that Walker was no champion and he would prove it if he got the chance. However, Jack Bulger, the late manager of Walker, and Joe Flynn, Shade's manager, had a falling out and Walker said he never would engage in any fight in which Flynn would share a part of the purse.

When Jack Kearns took over Walker's management he went right after a Shade bout as it was the only big shot in sight and the bout tonight is the result.

Walker came down from an eight to five favorite to six to five tonight and it is probable that even money will prevail when the fighters enter the ring. Reports of several competent critics, who saw the champion in his training camp, resulted in the same opinion that Walker has hurt himself getting down to 147 pounds and that he has not been working well.

There is not much chance of a knockout tonight unless Shade elects to make a slugger match of it and in that case either one of them is apt to go. Shade can take better than Walker and the champion is in danger of being outpointed if he wants to stand off and box with the challenger, especially if he is not in shape to last 15 rounds at top speed.

NEW YORK, Sept. 21.—Tex Rickard weather prevailed today and promised ideal conditions for the Walker-Shade welterweight championship fight tonight in the Yankee stadium.

If unexpected weather should cause a postponement, the fight will be staged Friday night.

The first bout will start at 8:15 p. m. eastern daylight time and the preliminaries will consist of Joe Silvan and Johnny Croso, six rounds; Kid Norfolk and Frank Mody, eight rounds; Will Harmon and Jack Zivie, 12 rounds.

The main bout will go on at 10 o'clock.

WANT GARDENER RETAINED

Retention of Tom Gates, landscape gardener, as superintendent of the local city parks, was urged upon the city today by the Kiwanis club, following action taken by the club directors. Their recommendation was that Gates be paid sufficient increase in salary to induce him to stay in Bend.

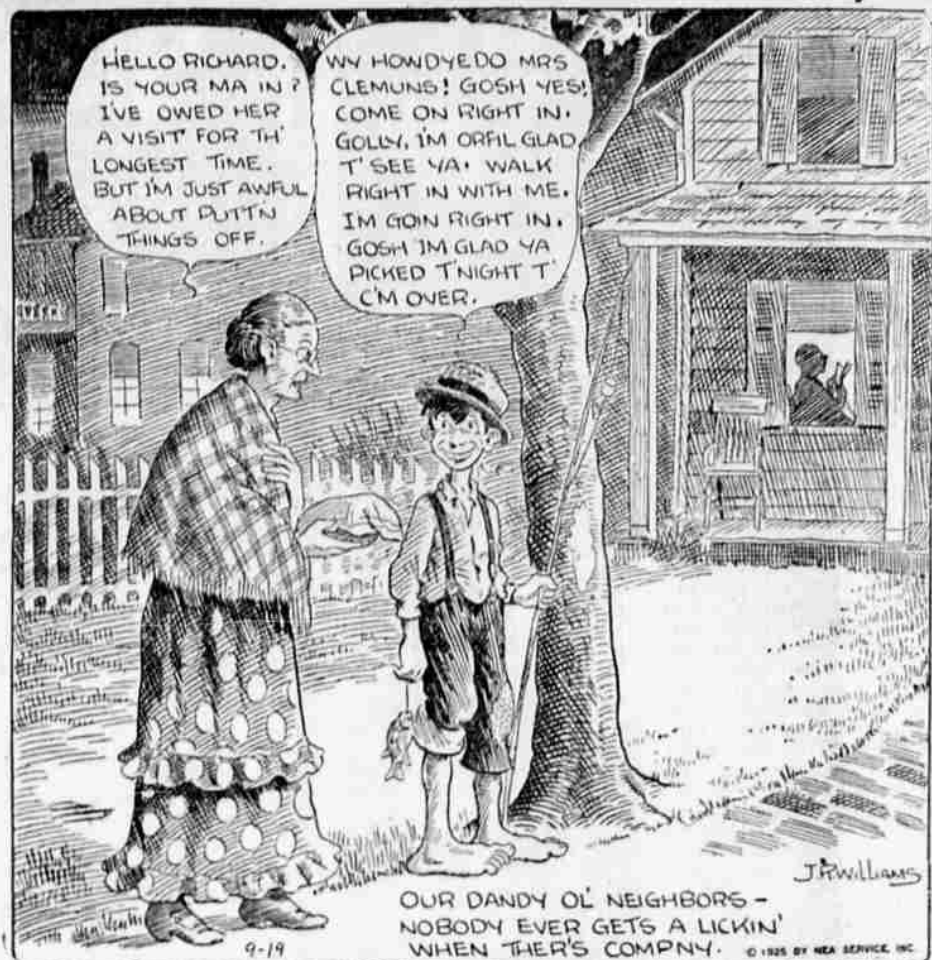

After being released from a liner crossing the Atlantic to Europe, a pigeon flew 1,000 miles over the sea to its loft in New York.

After Title

Meet Ray Schauer, promising young flyweight of Los Angeles. He's hot on the trail of Fidel La Barba, present champion. He's been stepping to the front rapidly and stacks up as a dangerous contender in the division.

George Von Elm Wins On California Course

(U. P. Leased Wire to The Bend Bulletin) DEL MONTE, Cal., Sept. 21.—The California golf championship was held today by a Californian, George Von Elm, Los Angeles.

Von Elm won, 2 to 1, from Frank Doly, Portland, Oregon, in a sensational match here yesterday.

Doly emerged from the morning round of 18 holes, five down. In the final round he made a desperate effort to catch his speedy rival and succeed in squaring the match on the 31st hole. He dropped behind again on the next hole but again squared the match on the 33rd. Von Elm took the 34th and 35th holes and the championship.

In the Del Monte women's championship, Miss Kathleen Wright, Pasadena, defeated Mrs. Frank Sheedy, San Francisco, 5 and 3 for the title.

From San Antonio Dempsey is scheduled to go to Chicago. He plans to return here on October 8, two days before his appearance at a local open air show.

DEMPSEY HEADS FOR TEXAS

(U. P. Leased Wire to The Bend Bulletin) LOS ANGELES, Sept. 21.—Jack Dempsey left Los Angeles today for San Antonio, Texas, where he is scheduled to open a series of athletic exhibitions tomorrow night. The heavyweight champion was attended by Gus Wilson and Jerry Luydas, trainers.

Monday Health Talk No. 36 By Roy Reynolds, D. C., Ph. C.

When a man has suffered from a chronic complaint for a number of years, tried one method after another without result except expense and possible added suffering, he is apt to become resigned to his fate.

Many an individual is thankful that, after arriving at this mental attitude, something impelled him to take one more chance, and see a chiropractor, for there he found the health vainly sought elsewhere.

HEALTH FOLLOWS CHIROPRACTIC CORRECTS PRESSURE ON SPINAL NERVES IN DISEASES OF THE FOLLOWING ORGANS:

Leading Professionals Start In Annual Match

(Wall Street Journal Financial Review) OLYMPIA FIELD, Chicago, Sept. 21.—Crisp autumn weather greeted the 67 professional golfers today as they started off in the qualifying round of the annual Professional Golfers' association tournament.

It was medal play today, the 32 players with lowest scores for 36 holes to remain in the competition. They went off in two brackets simultaneously over two 18 hole courses, those playing on course No. 3 in the morning moving to course No. 4 in the afternoon and vice versa.

By a trick of the drawings, most of the leading players got off to an early start. Gene Sarazen and Leo Diegel of New York and Al Espinosa, Chicago, went off in a threesome at 10 a. m. over No. 3 course and at the same hour Walter Hagen, William Cravy, Oklahoma and Bill Mehlhorn, Chicago, teed off on No. 4. This year's champion may come from one of those six players.

Al Watrous, Grand Rapids, Mich., shot a 69 over No. 3 course yesterday. Par for that course is 70.

Four Players Suspended For Quarreling at Game (U. P. Leased Wire to The Bend Bulletin) LOS ANGELES, Sept. 21.—Four players were indefinitely suspended today by Harry A. Williams, president of the Pacific Coast league, for their part in the quarrelsome finish to the second game of yesterday's Seattle-Los Angeles double header here.

Infielders Brazill and Herman of Seattle and Pitchers Stryker of Seattle and Root of Los Angeles were the victims of the president's wrath. In addition to being suspended, Brazill and Stryker were each fined \$25.
