

Franco-American Bridge Games Wind Up Like London Conference

PARIS MATCH ENDS IN ROW

Ely Culbertson Loses in Verbal Combat

By Wallace Carroll
(United Press Staff Correspondent)
Paris, July 13.—(UP)—Ely Culbertson's good will bridge visit to France followed the course of the world economic conference and ended in a row.

A referee's error caused Culbertson's American team to play the same hand twice toward the end of its three day match against a French team last night.

The American bridge mahatma had hoped to prove the superiority of his bidding system.

Playing the French Playford variation, the French and American teams had zig-zagged in the lead all the way. Last night with but six hands to go American No. 1 team played a hand against the French No. 1 team. Under the rules the hands should have been reversed when they were sent into another room of the fashionable George V hotel for the No. 2 team to play. By a referee's error the American No. 2 team got the same hand that had been played by the No. 1 team. It was a good one, and they won the game, putting the Americans ahead.

When the error was discovered, the 300 bridge fans watching the play, including the tennis players Suzanne Lenglen and Wilma Allison, gathered in excited groups resembling those on the floor of a stock market and talked it over. Shoulders were shrugged and hands waved. Culbertson and Pierre Belonger, French captain, argued loudly.

Talk became louder, and it was 2 1/2 hours before the argument ended in a decision to award the points to the American No. 2 team gained by error to the French side.

The next hand was being dealt when the row broke out again, and the referees called it a draw. The scores stood: France 31.24 points, America 31.050.

The 5,000 franc stakes were given to charity. Mrs. Culbertson gave a dinner in honor of the French players and everyone seemed content.

Sport Tabloids

Portland—Tentative arrangements were being made today for a match race between Winooka, Australian "wonder horse" and heralded as successor to the late Phar Lap, and Quickaway, the Kentucky colt which swept everything out of its way on the winter tracks of the west. William P. Kyne, promoter of a race meet to start on the Gresham track here July 21, said the race probably will be held the first week in August, possibly on a winner-take-all and \$5,000 purse basis. Kyne is in possession of a challenge by Rufe Taylor, San Francisco, agent for Winooka's Australian owners and is negotiating with Harry Walters, trainer, and John D. Spreckles III, owner of Quickaway. Walters indicated the challenge would be accepted.

Vancouver, B. C.—Four of the five American entries entered the quarter finals of the Dominion championship at the Shaughnessy Golf club here today. The fifth entry, Jack Efinger, San Francisco, who was a favorite, was eliminated in the second round by Scotty Campbell, Seattle, Pacific northwest champion, on the ninth hole. Besides Campbell, the other Americans still in the contest were Dr. Cliff Baker, Portland, who beat John Lewis, Brantford, Ont., in an extra hole match; Frank Dolp, Portland, who defeated Alan Taylor, Victoria, 4 and 3, and Harry Givan, Seattle, who beat Jack Moryson, Vancouver, 8 and 7.

Wimbledon, Eng.—Jack Crawford sent Australia off to a winning start in the European zone Davis cup final today by defeating Henry (Bunny) Austin of England, 4-6, 6-2, 6-2, 6-3, in the opening match. After Crawford, Australia's No. 1 player, and recent conqueror of Ellsworth Vines in the all-England final, had defeated H. Wilfred (Bunny) Austin, Frederick J. Perry, British star, defeated Vivian McGrath. Crawford dropped the first set in beating Perry, 6-4, 6-2, 6-2, in straight sets, 6-2, 6-4, 6-2. Today's results ran true to expectations, and with the opening day's matches

complete experts still believed the outcome depended upon tomorrow's one doubles match. Crawford was a prohibitive betting favorite to beat Perry, and Austin is expected to win his match with McGrath.

Seattle—Golda Meyer Gross, San Francisco, defeated May Hope Doeg, Santa Monica, Calif., 6-1, 6-4, to assure herself a place in the all-California finals of the women's division of the Washington State tennis tournament today. She will play the winner of the Gracyn Wheeler-Dorothy Sutton Bundy match for the championship Saturday.

MAJOR LEAGUES

New York, July 13.—(UP)—Rothund Wilbert Robinson was not near Chicago yesterday, but the Brooklyn Dodgers played like the Daffiness boys of his regime and clowned away the game to Chicago, 5 to 3.

They made three errors in the first inning and Ralph Boyle lost a fly in the sun.

Meanwhile New York snapped out of its seven-game losing streak, with Byrne James replacing Travis Jackson at shortstop, and blanked St. Louis, 3 to 0.

Floyd Vaughn's 10th inning triple drove in the winning run as Pittsburgh beat Boston, 9 to 8. Cincinnati rose to seventh place and dropped the Phillies back into the cellar by beating them 4 to 1.

Washington maintained its two-game American league lead over New York by trouncing the Chicago White Sox, 4 to 1. The Yanks registered their fifth consecutive win by downing St. Louis, 4 to 2. Ben Chapman led the New York attack with four singles in four tries.

Philadelphia beat Cleveland, 6 to 4, after Jimmy Foxx started a three-run rally in the sixth with his 25th homer. Fitcher Hudlin made a Cleveland homer in the fifth. Boston blanked Detroit, 1 to 0, by combining two walks, a sacrifice, a fly and Roy Johnson's single for the game's lone tally in the 11th inning. This enabled Lloyd Brown to best Vic Sorrell in a mound duel.

20-30 Team Noses Out Leedy's In Close Game

Bill Foley's two bagger with the bases full, in the eighth inning, gave the Twenty-Three team of the Harmon playfield kitenball league a 6 to 4 victory over Leedy's yesterday evening before a partisan Twenty-Three crowd. At the end of the regular seven inning game, the score was tied, 4 to 4. In the eighth, Foley ended the game when he poled out his two-bagger, bringing Fletcher

BEN CANTWELL

SIX years ago Ben Cantwell won 25 of the first 30 games he pitched for Jacksonville, in the Southern league. A dozen major league scouts were sent scurrying to Florida to look him over.

"Just a good bush league pitcher who hasn't enough stuff to deliver in the big show" was the consensus of opinion. But those 25 victories looked mighty good to John McGraw. He took a chance. The scout's judgment seemed vindicated the following year when Cantwell flopped, and McGraw traded him to the Braves along

with Virgil Barnes for Joe Genevich.

Cantwell improved, very slowly it is true, but definitely. He won four and lost 13 for Boston in 1929, won nine and lost 15 in 1930, won seven and lost nine in 1931. Then last year he crashed into the win column with 13 victories and 11 defeats.

Averages compiled the other day showed that Cantwell had won 11 of his first 14 games for the Braves.

Just another job on the big league scouts!

Mrs. H. F. Hansen Wins Handicap Tournament

Mrs. H. F. Hansen won the Lumbermen bank trophy in the annual spring handicap tournament of the Ladies Golf club, defeating Mrs. E. G. Insler, 4 to 2, in the finals this week. Mrs. C. C. Taylor won in the first flight, defeating Mrs. Chalmers Noss, 4 and 3, in the final round.

COAST LEAGUE

Joe Demaggio, 18-year-old outfielder for San Francisco, will have an opportunity to carve his name in baseball's hall of fame when the Seals play Los Angeles today.

The youngster has hit safely in 48 consecutive games. He needs another game to tie the record of 49 made by Jack Noss of Oakland in 1915.

Although this is his first season in the Pacific Coast league, Demaggio has shown the attributes of a seasoned player. He said he was confident he would tie and then break Noss' mark.

The first two times up against Hermans of Los Angeles yesterday, Demaggio popped out to Lillard and sent a fly to Stutz in center field. He drove a double to left in the sixth. In the seventh he again knocked a fly to Stutz. The Seals won, 4 to 1, but that was incidental to Demaggio's safe hit so far as the fans were concerned.

Jim Oglesby, Los Angeles first sacker, who also is trying to reach Noss' record, hit safely in his 34th straight game.

The Sacramento Senators welcomed the Angels' defeat and Oakland's triumph over Portland, 10 to 4, for they increased their lead on first place to a game and a half. The Senators broke Seattle's jinx over them by winning 4 to 3 in 10 innings.

Trailing by one run in the last half of the 10th, Sacramento scored twice to tally the winning margin. Vince stopped the Indians with 8 hits, while the Senators got 13 off Pilette and Sewell.

McEvoy pitched the Oaks to their second straight victory over the Beavers and their 10th in 16 games this season. An error by Joe Palmisana accounted for three of the five runs made by Oakland in the first inning. The runs were scored when the Portland catcher dropped a pop fly with the bases loaded. The Beavers outbit the Oaks 11 to 10. The Missions turned the tables on Hollywood in an 11 inning battle. The Reds scored two of their four runs in the 11th when Louie Almada hit a homer and Lloyd Johnson, who let the Stars down with six bingles, scored Dahlgren with a single. The Stars scored their two runs in the ninth.

Fans Boo As Petrolle Is Awarded Decision

New York, July 13.—(UP)—Because of the unsatisfactory four-round technical knockout which Billy Petrolle was awarded last night over young Bep Van Klaveren of Holland, it seemed virtually certain today that the old "Fargo Express" would be forced into a return match with Van Klaveren before getting a crack at Jimmy McLarnin's welterweight title.

The 10,000 fans at the Polo grounds roared their disapproval when Dr. Joseph Sheridan, the boxing commission's official physician, halted the bout at the end of the fourth round because of a re-opened gash over Van Klaveren's right eye. The bout was scheduled for 10 rounds.

Van Klaveren was leading two rounds to one when the fight was stopped, according to the United Press score sheet.
