

Lava Bears Win From Prineville, Will Face Madras Team Tonight

Bend Boys Show Big Improvement Stiffer Opposition Is Slated Tonight

Apparently inspired and given a world of confidence by their recent victory over Klamath Falls, Bend high school basketball players shot their way to a 45 to 31 victory over the Prineville Cowboys here last night in a game that was far more closely contested than the score indicates. In the preliminary, Coach Oliver Raikko's Cubs swamped the Crook county reserves 39 to 8 as 20 players saw action for the two teams.

By defeating Prineville last night, the Bears cleared their decks for a game tonight that promises even stiffer opposition. This will be against Madras, at 8 o'clock on the Bend floor. The Buffaloes from Madras are reported much stronger than the Prineville boys this year and a real battle appears to be in the offing.

Coach Lyle Swanson of Madras is expected to start against Bend tonight the same team that dumped Prineville 36 to 17 last week. Brown and Conroy will probably start in the forward positions for Madras, with Tothman at center. H. Thomas and Monroe will probably play the guard positions.

Incidentally, relative scores indicate that Bend and Madras are of equal strength this year. Their victories over Coach Tommy Hawkins LaPine boys were by the same margin—16 points. Bend defeated LaPine 44 to 28.

However, it is agreed that the Bears, Bend's first "letterless team" in years, have made real improvement in recent weeks and the victories over Klamath Falls and Chiloquin last week end gave the young players much confidence. This was evident here last night as the Bears passed their way to the victory over Prineville. The Bears were especially strong in converting free throws last night. Nine points were made on free tosses.

It was Birchard, forward, who set the pace for the Bears last night as he accounted for 11 points. He was closely pressed by McKinnon of Prineville and Douglass of Bend for high point honors.

The game had all the earmarks of a real battle as it got under way. The Cowboys were right behind the Bears as the first half ended with Bend ahead by only three points, 12 to 9. However, the Crook county lads were held to a scant three points in the third quarter, and that just about ruined their evening. A total of 20 players saw action for the two teams.

Coach John Lundahl used 11 men, practically his entire squad, and Coach Rex Kassberg of Prineville used nine.

Between halves, there was plenty of color on the floor as the Prineville band and the Bend girls' marching unit went into action. The game was watched by a large crowd.

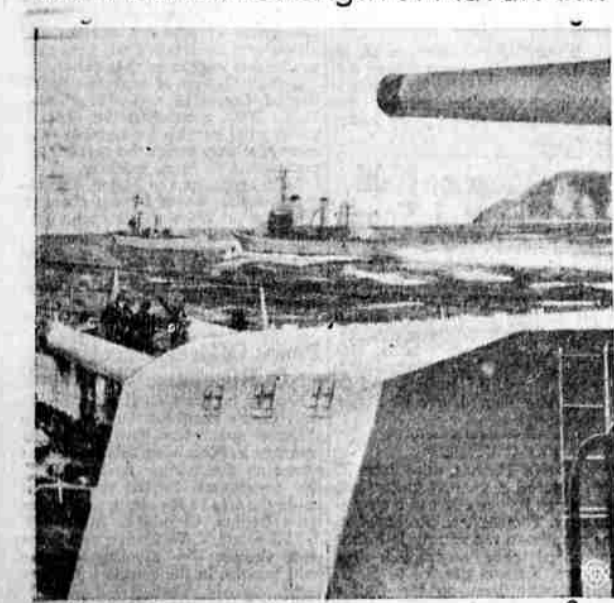

The score: (31) Prineville Ness (9) F. (3) Battles Birchard (11) F. (4) McKenzie Clapp (6) C. (4) Buckner D. Currie (7) G. (9) McKinnon Douglass (9) G. (5) Yancey Substitutes: Bend, Wise, B. Currie (4), Hudson, Eby (2), Miller, Glazier, Prineville, Johnson (2), Dugas, McCarver (4), D. Yancey, Officials, Murel Nehl and Buryl Bryant, Scorer, John G. Jones, Timer, Dr. J. S. Grahman.

Seattle, Jan. 21 (AP)—Favorites in the northern division Pacific Coast conference basketball race came through last night, but not without a struggle, as Washington beat Oregon State, 34 to 21, in Seattle and Oregon defeated Idaho, 38 to 30, at Moscow. The teams play again tonight.

Both the Huskies and Webfoots were slow getting under way last night and didn't do any real scoring until the second halves.

Oregon State dominated the play in the first half against the Huskies and it was all Washington could do to pull up to an 11-all tie at the rest period. The Beavers started fast and scored six points in the first two minutes. Washington had plenty of shots but couldn't sink a basket for the first six minutes of the game. When the Huskies finally managed to tie the score neither team could break through the tight defenses to tally in the last five minutes of the first period.

Washington made up for lost time in the second half, potting field goals and free throws like clockwork while Oregon State got only one field goal and eight free throws in the 20 minutes.

Oregon State substituted frantically but couldn't stem the tide when Washington finally got the range on the hoop. The Huskies didn't replace their starting five until late in the game.

Roy Williamson, with nine points from the free throw line, led the Washington scoring with 11.

The Oregon-Idaho game was colorless. The first half was nip and tuck with the score tied three times, but Oregon pulled out to a 19 to 15 lead at the gun. Laddie Gale, John Dick and Slim Wintermute sparked the Webfoots in the second half and ran the score to 28 before Idaho got going.

Harris, Idaho sophomore, was high scorer with 13. Gale had 10 for Oregon.

Oregon made 16 out of 53 attempted field goals. Idaho connected with 11 out of 42.

MUSIC SOOTHES COWS

London (AP)—The soft lilt of Viennese waltzes and the throbbing grandeur of organ recitals inspire cows to give more milk, Sir Harry Hague, head of a large milk food firm, believes. He has had radio loud-speakers installed in the cow-sheds of three dairy farms, to play specially selected programs.

Until 1916, infantile paralysis attacked mainly children under five years; recently the percentage of victims over 10 years has been increasing.
