Lava Bears Win District Meet, Qualifying Fifteen for State Meet

Redmond Second In Contest Here

Hood River is Third, Arlington Fourth

Bend's Lava Bears amassed a surprising total of 80 3/5 points under the lights of the local field last night to win the district No. 2 track and field meet and qualify 15 men for the state meet, to be held in Eugene next week end. Redmond placed second in the district finals, with 43 3/5 points, and Hood River took third place, winning 34 points.

Arlington placed fourth with 27 3/5 points and Maupin athletes earned fifth place as the Wasco boys chalked up 13 1/5 points. LaPine and Wasco, with 4 points each, and Grass Valley, with 2 points, trailed the field in which 76 young athletes were entered.

First and second place winners in each race, preliminaries for which were held Friday afternoon, qualified for the state meet. For Bend, Redden, Coleman, Deveraux, Hudson, Sholes, Eby, Miller, Howard, Rukaveno, Gotchy, Gelbrich and Blucher qualified in the regular events and in addition three members of Bend's winning relay team, Boyd, Chambers and Betts, qualified. The fourth member of the winning team was Coleman, who had already qualified.

Despite an early threat by Arlington as first scores were tabulated and the consistent performance of the Redmond boys, the Bears, champions of all Oregon in 1937 and 1938, easily dominated the field.

Several records were shattered as the boys from the central and north central counties of Oregon battled for the right to enter the state finals in Eugene. However, these records date back to the old district meets and do not include marks made here during the past few years when sub-district meets were held.

One of the records to tumble last night was Bob Hendershott's mark of 11 feet 3¼ inches in the pole vault, set in 1936. The new mark was made by Merritt Hill of Redmond, who last night cleared the high bar at 11 feet 5 inches, then failed in a 11 foot 8 inch try.

The mile run mark for the district was lowered from 4:52.8, made by Endicott of Redmond, to 4:50.8 last night when Childs of Arlington placed first in a large starting field. However, this mark does not equal the sub-district time, 4:46.0, made by Kleinfeldt in 1937.

In the shot put, Hudson of Bend bettered the old mark of Porfily of Prineville by several inches. The Bend athlete last night tossed the weight 45 feet 9 inches. Porfily's mark was 45 feet 6½ inches. Eby of Bend last night stepped the 440 yard dash in 55.4 to equal the old district mark of McMean of Bend, but not to break Nelson's sub-district mark.

Last night's results:

Brunswick, Me., May 13 (AP)—Bowdoin college students praised Outfielder Oakley Melendy for his baseball boner today. Melendy stole third base in a game with Colby college yesterday, then he discovered the base was occupied. But the Colby infield was more confused than Melendy. Before it had finished tossing the ball around, both runners scored and Bowdoin won, 7 to 5.

Pittsburgh, May 13 (AP)—Manager Gabby Hartnett of the Chicago Cubs today denied stories of dissension among his National league champions as he brought his team here for a three game series with the Pittsburgh Pirates.

Chicago, May 13 (AP)—A clever team of European amateurs outboxed a harder punching Chicago team last night for the first European victory in eight years of international competition. The Europeans won five of eight matches before a crowd of 20,000.

Corvallis, Ore., May 13 (AP)—University of Washington's tennis team went home today with a 4-3 victory over Oregon State in a northern division conference match. Washington won three singles and one doubles engagement.

Salem, Ore., May 13 (AP)—In its seventh straight victory, Willamette university's tennis team yesterday swamped barnstorming Seattle college, 5-2, sweeping the doubles and winning three singles matches.

Seattle, May 13 (AP)—The University of Oregon baseball club remained tied for first place in northern division, Pacific coast conference standings today by virtue of a 4 to 2 defeat they slapped on the University of Washington Huskies yesterday. Bob Hardy, Webfott chucker, limited the Huskies to seven hits. Meanwhile his mates combined eight hits off Sierer with six Washington errors, to score in four innings.

Moscow, Ida., May 13 (AP)—The tennis team of Linfield college, McMinnville, Ore., yesterday posted a 7 to 0 defeat over the University of Idaho.

Nyack, N. Y., May 13 (AP)—Lou Nova, training for his June 1 fight against Maxie Baer, will work out secretly every night next week with Jim Braddock, who won the heavyweight title from Baer in 1935 and is now conditioning himself for a comeback.

San Francisco, May 13 (AP)—Honolulu held the lead today in the National Y. M. C. A. swimming championships. Honolulu rolled up 29 points, five more than its nearest competitor, Huntington, Ind. San Francisco was in third place with 21 points. The other team totals were Portland, 10; Tulsa, Okla., 10; San Diego, 7; Chicago, 4; Tacoma, 2; and Berkeley 0.

Moscow, Ida., May 13 (AP)—Five-hit pitching by Clayton Shaw, Oregon State college pitcher, was the big reason today why the Beavers were tied with the University of Oregon for leadership of the northern division, Pacific coast conference baseball race. Behind Shaw's airtight hurling, the Beavers defeated the University of Idaho 3 to 2 yesterday afternoon. The Vandals were relegated to second place, breaking a three-way tie between Oregon, Oregon State and Idaho.

MAJOR LEAGUES

New York, May 13 (AP)—John Henry Kramer, who slipped into the American league unheralded, appeared ticketed for stardom with the St. Louis Browns today. A big 185-pound right-hander, Kramer has won three straight games, and leads the Browns' staff with a perfect record.

Only 21, Kramer was just one of a flock of pitchers the Browns took to camp with them. But in five starts Kramer has pitched his way past Buck Newsome, a 20-game major league winner, as the No. 1 man on the St. Louis staff.

Kramer, who hails from New Orleans, pitched the best game of the American league season yesterday. He let the Tigers down with two hits, and himself drove in the winning run.

Clint Brown's brilliant relief work in the ninth enabled the White Sox to nose out Cleveland, 4-3, in the only other American league game. Brown came in with the bases loaded and one out. He struck out Ben Chapman and tossed out Ken Keltner.

The Cardinals increased their National league lead to a game and a half by staving off a ninth inning rally to lick the Reds, 8-7. Bill Posedel, ex-Dodger, pitched the Boston Bees to a 7-5 victory over Brooklyn.

The Phillies beat the Giants, 10-6, dropping Bill Tery's club back into the National league cellar. Morris Arnovich's homer with two mates on base was a big punch in the eighth. Ott, Danning and Bonura hit homers for the Giants.

PACIFIC COAST LEAGUE

(By United Press)

The Los Angeles Angels resumed their dive for the storm cellar of the Pacific Coast league today, and held just a slim one-game margin over Seattle's Rainiers. The Seraphs lost again last night, 8-7, but it took them 12 innings to do it.

San Francisco's sassy Seals looked silly in losing, 12 to 2, to Portland's Beavers. The previously unbeatable rookie Larry Powell yielded three hits, four walks and four runs in the two-thirds of an inning he worked against the Portland powerhouse, and Wilkie, who succeeded him, didn't fare much better. He was touched for 11 hits and four more runs before Frazier took up the burden in the seventh.

Sacramento and Oakland split a double-header, the Senators winning the opener 3 to 0 and the Oaks the seven-inning nightcap, 2 to 1.

Trap Club Members to Enter Klamath Shoot

At least two automobile leads of Bend Trap club members will leave for Klamath Falls early tomorrow morning, to take part in a registered shoot that is expected to attract outstanding gunners of Oregon. The Klamath target work will be preliminary to a registered shoot, "open to the world," that will be held in Bend a week from Sunday.

Plans are being made to accommodate scores of outside marksmen coming to Bend for the May 21 shoot, planned as a climax to a highly successful local season in which Bend gunners placed second in northwest competition when the annual telegraphic shoot was held.

Bend Tennis Players Go To Klamath Falls

Ten Bend high school tennis players left early today for Klamath Falls, to meet the Klamath Falls high school squad in intersectional competition. Two squads, varsity players and juniors, were sent south by Bend.

Varsity players making the trip were Jack Dunlap, Kay Thompson, Ken Preston, Don Graham and Hugh Smith. Members of the junior team, composed of freshmen and sophomores, were Sterling McGarvey, Bob Krog, Harry Baker, Elmore Ewing and Nick Matich.

The tennis squad, accompanied by Gerald Jensen, faculty advisor, made the trip south on one of the smaller Mount Hood buses.

Circuit Court To Be in Session Next Week

Circuit court which opened April 10 and which in the past two weeks has been recessed will be resumed Monday with the case of Walter J. Hamilton versus W. E. Redeman set for trial. The jury has been asked to report at 9:30 a. m.

Circuit Judge Duffy returned to Bend shortly before noon today from Madras where he has been conducting court. The case of William MacPherson of Madras versus the Oregon Trunk Railway company was tried before Judge Duffy. MacPherson, track walker for the company, was awarded a judgment for $10,000 for injuries sustained in a rock slide along the railway right-of-way.

In the case here Monday, Hamilton, an employe of Redeman on October 22, 1937, was injured in a gravel pit slide for which he is asking damages totalling $11,780.

Portland Babes Will Meet Elks

Game Is Scheduled In Bend Sunday

Ray Brooks and his flashy Portland Babes will be here tomorrow as the Elks, victors over the Marine Electrics of Portland, 12 to 6, last Sunday, enter their second week of Oregon State league play. The game will start at the usual time, 2:30 o'clock.

This afternoon, Brooks is adjusting his Portland players to the Central Oregon climate by playing in Prineville. The Babes will come directly to Bend from Prineville this evening and will work out on the Elks' diamond, just to get the "feel" of the ground, before long shadows creep across the park.

Brooks has sent word here that he will be starting pitcher for his Babes, but fans are inclined to believe that the Portland manager will do his pitching over the plate before the Bend batters start swinging. Brooks is expected to use Carstens, a left hander.

"Probably Brooks will pitch one ball to one of our batters tomorrow, and in that case the fortunate batter is certain of one good hit," Manager Clyde Stokoe of the Elks declared today.

Yesterday evening, the Elks took part in their best practice of the week, and today Manager Stokoe announced that his starting lineup will be much the same as that which mowed down the Electrics last Sunday. Joe Decker, Murle Nehl and George Walker will be in the outfield. Phil Salstrom will be on third and Harlow Burton on short. Either Pete Roid, who is recovering from an injury, or Ed Curran, Portland university player, will start on second and Hatch or Houck will be on first.

There is a possibility that Jim Farmer, who worked so effectively against the other Portland team last Sunday, will start on the mound tomorrow, with Tom Hawkins behind the bat. If this battery is used, Bob Houtchens and Kally Kremer will comprise the battery that will face the Zulu Giants in a game booked for Wednesday evening.

Fans tomorrow will find the municipal ball park enclosed by a fence and the diamond in fine shape.

Bend Rifle Club to Practice on Sunday

The Bend Rifle club will practice at the outdoor range near Tumalo tomorrow beginning at 8:30 a. m. in anticipation of matches scheduled for the next two weeks. May 14 a Bend team will take part in a small-bore match at Burns, and Klamath Falls riflemen will come to Bend May 28 for a 30-caliber match.

The Burns shoot will be a return engagement of the two towns. The Harney county team was in Bend last Sunday to shoot on both the new indoor rifle range and the outdoor range. Burns won the indoor shoot from Bend and lost the outdoor match.

Rejoins Elks

After securing some fine practice in organized baseball early in the season, George Walker, above, No. 1 centerfielder of the Oregon State league last year, rejoined the Elks recently and will be seen in action again tomorrow when the Elks meet Ray Brooks' Portland Babes. Working with Walker in Bend's outer garden this season are Joe Decker and Murel Nehl.

Number 1 on the list brings the Portland Babes to Bend for Sunday's game with none other than the well-known Ray Brooks in charge. As usual, Ray is making his brags . . . and this time even insists that he plans to pitch part of the game. If he does, we warn "Dutch" Stover to bring an extra supply of passes for every Elk that faces Ray swears he'll get a home run.

Event Number 2 is the best Boxing Card ever brought to Bend. Billy Lee and Johnny Shumway are the headliners, but there's plenty more talent on this card.
