Redmond Team Wins Game at Prineville

Redmond, Oct. 21—Redmond Union high school Panthers defeated the Prineville eleven Friday afternoon in a close game on the Prineville field.

The final score was 7 to 0. Prineville had the best of the struggle throughout the whole first half, playing continually in Redmond territory and threatening the goal line again and again.

In the first few minutes of play the Crook county team carried the ball to Redmond's two-yard line, but the Redmond line strengthened and held them for downs.

Coming back for the second half, Prineville kicked off to Redmond, who took the ball downfield on a series of spinners and reverses, with a final run by Gaston, with Kilgore running interference, inside Prineville's right tackle for a touchdown.

Motley smashed through center for the extra point. Prineville failed to threaten again and the game ended.

Several Redmond players turned in their best games of the season. Kilgore, shifted from defensive left end, functioned very capably. Gaston played a fine offensive game. Meeker, Allen and Darnewood showed up well in defense. In fact the Redmond line, after the first quarter of play, was too tough for the Crook county squad to penetrate.

The starting line-up for Redmond was Darnewood, left end, Kilgore, left tackle; Adams, right end; Gaston, left half; Wilson, right half; Meeker, quarterback; Meigs, fullback. Substitutions were Simmons, Ayers, Shaler, and Grubb.

Before the start of the high school struggle, Redmond grade school and Prineville grade school played a touch tackle game. Redmond lost 25 to 0.
