Bend Woman Gets \$10 From Midwest 'Angel'
The mysterious "angel" who has been visiting many communities in the United States during the past month or so hovered over Bend this week and left a gift of money for Mrs. Monroe Piland.
"I am certainly sorry to learn of the death of your husband," states the writer of the unsigned letter accompanying the \$10 gift. "I trust and believe that he died in the faith. If he died as he had lived when I knew him, we will all meet in a better world. Accept this little present in appreciation for kindness shown me when I used to stop at your place, for which you never made any charge. May the grace of God sustain you in all your undertakings in life."
The letter to the Ava paper was signed: "Romans according to Isaiah 35:1 and Romans 8:1."
Mrs. Piland's address was apparently obtained through a request printed in the Douglas County Herald of Ava, Mo. The letter, from Kansas City, was to the editor, and asked for the "correct" present address of five people, one of whom was the late Monroe Piland of Bend, formerly of Thornfield, Mo.
The letter to the Ava paper was signed: "Romans according to Isaiah 35:1 and Romans 8:1."
