

OHIO'S TEAMS ADD TO LEADS

Reds and Indians Are Both Winners

Yankees Take Double Bill From Detroit, 4-3 And 4-2

New York, Aug. 21 (AP)—The all-Ohio world series got a shot in the arm today when the Indians and Reds staged last ditch rallies to pull games out of the fire.

The Reds were losing, 2-0, going into the ninth. Bill Lohrman, Giants' pitcher, had the league-leaders handcuffed. They had made only three hits off him and hadn't got a man past second. Then things began to happen fast and furiously and when Bill Terry and the Giants recovered the Reds had won, 3-2.

Cleveland, with Bob Feller on the mound, was trailing the Red Sox, 5-2 going into the eighth. Then the Indians went on the warpath and scored seven runs off Jack Wilson and Emerson Dickman to win, 11-6.

Both triumphs were highly important to the pacemakers. Cleveland picked up a game and a half and increased its lead to 4½ games over Detroit as the Tigers bowed to the Yanks twice, 4-3 and 4-2. The Reds also gained a game and a half and lengthened their margin to 5½ games over Brooklyn as the Dodgers took a double tumble before the Cards, 3-0 and 4-3.

The Yanks moved into a fourth place tie with the White Sox as a result of the double victory.

The Athletics gained an even break with the White Sox when Wally Moses stole home on Thornton Lee in the tenth inning of the nightcap, giving the Mackmen a 4-3 victory. The White Sox won the opener, 6-1, on Edgar Smith's 3-hitter.

Driving the rookie sensation, Sid Hudson, out of the box, the Browns annexed a 6-3 victory over the Senators.

Claude Passeau scored his 15th victory as the Cubs beat the Phillies, 9-4.

Pittsburgh pounded out 15 hits to beat the Bees, 6-3, with Dick Lanahan outlasting Manuel Salvo to win his fourth game.

Police Hunt Fossil Man Lost 11 Days

Fossil, Ore., Aug. 21 (AP)—The Columbia highway, from The Dalles to Pendleton was searched today by state police and sheriff's deputies for a trace of Ray Biann, 45, a fossil poultryman who disappeared mysteriously 11 days ago.

Police said Biann was last seen leaving a hotel in The Dalles, Aug. 10, and his automobile was found abandoned on an old highway four miles west of Pendleton. His trailer was missing.

Biann was understood to have been on his way home after selling several crates of chickens to a produce dealer. It was believed he may have picked up a hitch hiker, who may have robbed then slain him, police said.

SOFTBALL PLAYOFF AT QUARTER-FINAL

Pendleton Pitcher Hurls No-Hit, No-Run Game

Salem, Aug. 21 (AP)—This evening's softball tournament games: 8:00—Corvallis vs. Julia Lee Wright of Portland. 9:00—Portland Firemen vs. Medford.

Last Night's Games

Oregon City 9, McMinnville 5. Pendleton 2, Salem Kennedys 0. Salem Square Deal 8, Woodburn 1. Bonneville 7, Eugene 0.

Salem, Aug. 21 (AP)—It looked as if the main battles of the state softball tournament would be on the mound as the teams moved into quarter-final play today.

Harvey Griffin, hurler for Pendleton, pitched the fourth no-run, no-hit, game in tournament history as he turned down the Kennedy Kids of Salem 2-0 last night. Griffin last year led his squad into the finals only to be defeated by Joe Mann of Portland.

Burly Biff Georgesen barely missed doing the same thing for Bonneville as he engineered a 7-0 shutout over Eugene. Eugene's lone hit came in the final out of the last inning and was only called a hit because the Bonneville third baseman was a bit slow in getting it to first.

Salem's other entry, the Square Dealers, started out with a healthy three-run first inning and then kept adding to win 8-1 over Woodburn. Hank Singer, Salem pitcher, allowed the Woodburn nine only four hits as the Square Dealers let loose a ten-hit barrage on Woodburn's bean.

Zale to Defend Title Against Billy Soose

Chicago, Aug. 21 (AP)—What the boys have been calling the "middleweight middle" for the last couple of seasons reaches a crucial stage tonight when N. B. A. Champion Tony Zale of Gary, Ind., boxes 10 non-title rounds with a boy who licked New York's champion.

If clean-cut Billy Soose of Scranton, Pa., adds Zale to his list of victims, which includes the New York king, Ken Overlin, the division sinks to an all-time low with three champions—two official and one unofficial.

It could happen but the bettors say it won't. Zale's official heavy body punching, which produced a 13-round technical knockout in a title bout against Al Hostak in Seattle, established him a favorite at 3 to 1.

PORTLAND NEARS ITS ALL-TIME LOW

Seattle Extends Lead by Beating Los Angeles

(By United Press)

The Rainiers took another game from Los Angeles and extended their coast league leadership to 15½ games, last night.

Seattle did it the hard way. Trailing by two runs going into the eighth, the Rainiers landed on Lee Stine for three hits, coupled them with Lou Stringer's two errors and Spencer Harris' pinch three-run homer and scored four runs, to emerge with a 6-4 victory.

Hollywood took the third-place Oakland team 5-4 when Frency Uhalt singled Bill Dapper home with two out in the eighth inning.

Portland may not approach its all-time low of .276 at the season's finish, still a coast league record for a tail-ender, but the Beavers are trying mighty hard. They dropped another to San Diego last night, 8-3.

San Francisco split a pair with Sacramento, blowing the first game by a score of 12 to 0, and taking the second, 3-1.

34 Miles of North Santiam Is Surfaced

Road machinery is being moved and last-minute work completed to the summit of the North Santiam highway, according to a news dispatch from Detroit appearing in the Oregonian.

"The 34-mile stretch from Detroit to the summit is now hard surfaced, and the six miles on the east slope, while still a gravel road, is in fair condition," the news story states.

This unit of the highway will not be oiled this season.

The efficiency of Britain's balloon barrage in coastal defense was indicated by Germany's determined efforts to smash it by recent mass aerial attacks along the southeast coast. Lines of "sausages," like those above, trail long steel cables which mesh enemy planes.

McLemore's Sport Parade

(United Press Staff Correspondent)

New York, Aug. 21 (AP)—My wits are of rummage sale calibre I know, but even so they are sharp enough to detect that the handicap system in horse racing doesn't have a hand-in-glove relationship with the turf men's talk about the improvement of the breed.

What's the use of improving the breed and developing a fine, outstanding horse if, the moment he proves himself as such, you pack his saddle with so much lead he is dragged down to the level of inferior thoroughbreds?

For an example, take W. L. Brann's Maryland bred star, Chaledon. He is a thoroughbred running today what Brenda Frazier is to glamour girls. Bing Crosby is to crooners, and Cherystone is to clams. In short, he is the No. 1 critter, and if the racing secretaries of the various tracks would leave him alone he wouldn't lose any more races than Jesse Owens would at an Elks picnic.

But every time Chaledon goes to the post these days he is assigned so much weight it makes you wonder why the secretaries don't go the whole way and put Oliver Hardy or Paul Whiteman on him as a jockey, forge him a saddle from Bethlehem steel, and send the Marx brothers along as observers. Maybe they will do something like this before the year is out. They'll have to if they are absolutely determined to slow him down to where he doesn't have any more speed than his rivals.

The latest burden assigned to Chaledon is 135 pounds for the merchants and citizens handicap to be run at Saratoga on Saturday. This is a full eight pounds more than any of his rivals will be asked to lug on the mile and three-sixteenths journey. If Saratoga's handicapper John B. Campbell wanted to be real sure that Chaledon would be beaten why didn't he make it a real merchants and citizens handicap and insist that he carry a Saratoga merchant or citizen as excess baggage? It would be novel, to say the least, to see a hardware merchant or a real estate dealer hanging on for dear life as Chaledon tore down the stretch.

Just why Chaledon should be given 135 pounds in this stake and George E. Wivener's Eight Thirty let off with 127 is a bit of a mystery. The only time the two horses ever met was in the Massachusetts handicap and Eight Thirty ran first to Chaledon's third. Since then, of course, Chaledon has won the Hollywood gold cup in track record time and Eight Thirty taken a licking in the Saratoga handicap.

Speaking for myself, my top weight was 187 and did I develop staggers.

GUARDSMEN TO BE HOME SATURDAY

Hardest Maneuvers Over, Writes Chute

Company I of Bend, members of which are now veterans of "toughest maneuvers in the history of the national guard," is scheduled to arrive home Saturday evening at 8 p. m. or earlier, according to word received from Captain J. L. Chute today.

The Bend company, part of an army of some 41,000 western troops concentrated in the vicinity of Camp Murray, Wash., for the past three weeks, "went into action" a week ago Tuesday, at 8 p. m., and did not return to headquarters until last Saturday at 4 p. m.

"We moved 21 miles in one 24-hour period on the march, plus all the maneuvering in the field," Captain Chute wrote. "The boys all came through in fine shape."

Flower Show Held at Prineville Is Success

Prineville, Aug. 21 (Special)—The flower show sponsored each year by the Prineville Garden club was held this week at the Ochocho Inn, and was a success both artistically and financially.

One hundred sixteen entries were judged by Mrs. Clifford Rasmussen of Bend, Mrs. W. L. Franks of Redmond, and Mrs. S. D. Mustard of Powell Butte. The sweepstakes prizes were won this year, first prize to Mrs. J. H. Rosenberg on a tall basket of gladioli and second place by Mrs. Carey Easter on a platter arrangement of white gladioli. The sweepstakes were judged this year by the public instead of by judges.

Redmond Fire Truck Gets Series of Tests

Redmond, Aug. 21—Redmond's new fire truck was being put through a series of tests yesterday to determine efficiency of the pump and general dependability of the fire fighting equipment. A representative of the Oregon Insurance Rating bureau arrived in Redmond Tuesday morning from Portland to supervise the tests.

The force and efficiency of a pumper, it was explained by Mayor E. C. Parker, may vary considerably at different altitudes. Therefore, fire engines, to be approved by fire underwriters, must be tested in the locality where they are to be used.

The Redmond city council will officially accept the new truck, driven here from Detroit, Mich., last week by John Berning of the Redmond volunteer fire department, provided today's tests prove satisfactory.
