

PRACTICE TILT HELD BY ELKS

Regulars Win 5 to 3 in 8-Inning Game

Several Players Expected To Join Club in Next Few Weeks

Bend's Oregon State league Elks joined in their first real workout of the 1941 season yesterday, taking advantage of an afternoon of sunshine and mild temperatures. The squad was divided into the regulars and the yannigans, and the regulars won 5 to 3 in an eight inning game. Despite the fine workout, the Elks management was far from satisfied with the squad, badly rattled by the migration of former Elks to 'try out in organized baseball.

Bend, it was evident after yesterday's workout, will require several replacements before facing Klamath Falls here on May 11 in the opening game of the Oregon State league.

In yesterday's practice game, Hatch and Turpin took turns on the mound for the yannigans and looked good in their early season hurrying against the regular batters. Walker and Farmer pitched against the reserves and were equally effective. Walker, regular centerfielder, has been doing plenty of work on the mound in practice and is showing to good advantage.

Jack Gordon, last year's leading third baseman, worked in the shortstop berth yesterday, in the absence of Bob Douglass, and started scooping them up in the same manner he finished the 1940 season.

Manager Clyde Stokoe has announced that the Elks hope to secure several new players in the next week or so.

The Elks had been invited to visit Salem Sunday for a practice game, but were unable to accept the bid. The Bend team has hopes of playing a practice game here, however, on May 4, if a full sized squad can be lined up by that time.

Manager Stokoe has announced that the Elks will practice on Tuesday, Thursday and Friday evenings of this week, at 5:15 p. m.

LOSE TENNIS MATCH

Eugene, April 21 (AP)—Oregon's varsity tennis squad suffered its first setback over the weekend when Portland's ace netman, Wayne Sabin, helped the leader tennis team turn back the university, 7 to 2.

REPLACES GUSTAFSON

Klamath Falls, April 21 (AP)—Officials today said Kenneth (Buck) Hammer would succeed Arthur Gustafson as football coach at Klamath union high school. Gustafson, a reserve army lieutenant, was called into service.

THE SPIRIT OF 76

From now on you can call me Shock-Proof John. I've seen everything! Because the other morning when I was driving past the Union Oil station on the corner I almost fell out of my Hispano-Plymouth at what I saw.

There, drawn grandly up to the pumps was a horse and wagon. "This, I gotta see!" says I, and turned back. And when I returned I got the 2nd shock, for what do you think the hay-burner was doing?

Well sir, the driver had put four old auto wheels on his wagon, and he was having the tires filled with air! While he was doing it, one of the boys had put a bucket of water down for Dobbin to drink! It was the most unusual sight I've seen for years!

And while the situation was, to say the least, amusing, the boys at the station were doing their stuff with perfectly straight faces. I'm not sure just what the entire significance of this little drama was, but it certainly proves that the Union Oil boys are gentlemen from way back!

So, in addition to giving you to drive your car into a Union Oil station for service, I'm now in a position to invite all horse-and-wagon operators to do likewise. It's really too bad that Union can't think up some way for horses to use 76, or Trion Motor Oil, because somehow I think life would be more picturesque (if less convenient) if we had more horses galloping by. Don't you?

Washington Sweeps Pacific Coast Rowing

The University of Washington varsity crew was well established today as the favorite to win the Poughkeepsie regatta on the Hudson river, June 25.

The smooth-stroking Huskies defeated the University of California by three and two-thirds lengths Saturday in the fastest race in the history of the Pacific coast regatta.

Washington's time was 14 minutes and 28 seconds, 18.3 seconds better than the record of 14:46.3 set about half an hour before by the Washington junior varsity in their length and an eighth victory.

Princeton's varsity, which opened with a victory over Rutgers two weeks ago, helped Navy open its season and won from the Middies by three-quarters of a length in 9:36 over the mile and three-quarter course on the Severn river.

Columbia put on a spirited drive in the last eighth of a mile to row some three-quarters of a length ahead of Rutgers on the Harlem river in 5:53 4/5 for the mile and a half course.

Beavers' Deal for 2 Yankees Called Off

Portland, April 21 (AP)—The Portland Beavers' deal with the New York Yankees for the services of First Baseman Harry Bassin and Outfielder Fred Collins was apparently off today.

Rollie Scheffer, Beaver secretary, announced today that the players had been obtained on option, but today he said a telegram from Manager Oscar Vitt in Los Angeles advised him to deny the story. "Will explain later," said Vitt.

Both Bassin and Collins finished last season with Oklahoma City of the Texas league.

SEATTLE NEARING LEAGUE TOP SPOT

The Seattle Rainiers, fresh from their 5-2 series conquest of Oakland, today were knocking on the door again, only half a game behind Sacramento for leadership of the Pacific Coast league.

The Rainiers took a Sunday doubleheader from Oakland, 9-4 and 3-1, while Sacramento split with Los Angeles, losing 5-4 and winning 3-1.

San Diego took the first game from San Francisco, 10-9, and the Seals won the abbreviated second game, 1-0. Portland beat Hollywood 7-5 in the opener but lost the nightcap 11-6.

Marvin Owen, Portland third baseman, batted in one of the winning runs in the first game and saved the contest by spearing a line drive with two men on base in the last half of the ninth. Hollywood's Johnny Barrett homered in the second game and Ted Norbert of the Beavers also hit for the circuit. The Stars scored six runs on four hits, three errors, three stolen bases and a wild pitch in the third.

TIGERS LOSE; YANKEES WIN

Boston Red Sox Still Unbeaten

Cincinnati, Chicago and Bees Take National League Games

Detroit, April 21 (AP)—When a champ looks bad, there's something wrong. The Detroit Tigers, defending champions of the American league, are in seventh place, and the trouble is they're not hitting.

In four games they've made only eight runs and 22 hits. Only one Tiger is hitting over .300—Barney McCoy, who made three hits yesterday to boost his mark to .357.

The Tigers had half a dozen chances to beat the Indians yesterday but wound up losing, 4-2. They left 14 men stranded because their big guns were converted into a bunch of pop guns by Mel Harder's curve.

Manager Joe McCarthy got his birthday present from the Yanks a day in advance. Marse Joe is 53 today so the Yanks unlimbered their heavy artillery yesterday and battered out a 19-5 triumph over the Athletics. The Yanks made 18 hits, including two homers by Joe Gordon and one by Joe DiMaggio.

Little Dom DiMaggio paced the unbeaten Boston Red Sox to a 14-8 victory over Washington. He rapped out four hits, three of them doubles, scored four runs and stole two bases.

The Brooklyn Dodgers snapped the New York Giants' five-game winning streak with a 10-9 triumph at the Polo grounds.

Homers by Lonnie Frey and Harry Craft helped Cincinnati trim Pittsburgh, 7-3. Babe Dahlgren's homer with a mate on base in the tenth gave the Boston Bees a 7-5 victory over the Phillies. A walk to Bill Nicholson, Rip Russell's single and Clyde McCullough's fly in the 10th enabled the Chicago Cubs to nose out the St. Louis Cardinals, 11-10.

Trap Club Members Go to Klamath Shoot

Bend scattergun marksmen shooting over traps nearly 150 miles apart, here and in Klamath Falls, succeeded in turning in another perfect team score of 75 yesterday, officers of the club reported this morning in checking up on their week-end activities. Six of the local gunners, N. R. Gilbert, Dr. J. C. Vandeventer, Lloyd Magill, Walt Howard, Marshall Hunt and Dee Haines, shot over the Klamath traps, while taking part in a registered shoot in the southern Oregon town.

Members of the Oregonian telegraphic tournament team yesterday were Vic Plath and Dr. W. G. Manning, who shot over the local traps, and Hunt, who fired in Klamath Falls.

High gunners in the Klamath Falls shooting were Paul Hilton and E. E. Driscoll, members of the southern club, who turned in scores of 99 in the 16-yard handicap. Dr. Vandeventer and Howard were credited with scores of 95. Hunt won the handicap with a score of 93.

In addition to the perfect scores made on the Bend grounds Sunday, J. O. Gillfillan and Roy Branton each broke 25 out of strings of 25 targets.

Golf Club's Opening Is Attended by 40

Bend Golf club members auspiciously opened their 1941 season Sunday under a bright sun and cloudless skies, following a members' breakfast attended by approximately 40 persons. E. G. McCabe won the major prize of the blind bogey, featured event of the day. Buford Rollins had high net score and James W. Bushong had low net score.

Throughout the entire day, and until evening shadows moved over the Deschutes country, the course was crowded. Women members of the club joined in afternoon play.

Jerre Gillis was chef in charge of the opening breakfast. Scrambled eggs, fried ham and all the trimmings were served. Gillis was assisted by Thor Sande and Jim Gillfillan.

All greens were in use yesterday for the first time this season and the grounds were reported in ideal shape for play.

HEALTH TALKS

By Dr. R. D. Ketchum
Chiropractic Physician
791 918 Wall St.

CHRONIC SICKNESS

As long as thousands of people continue to suffer pain and sickness that tends to become chronic, science will continue to work day and night to find a correction for each case. Since nerve interference has proven to be a major factor in causing human sickness, many thousands of sufferers have found the key to restored health to be the normalizing of their nerve supply. In the past forty years this new science of restoring health through the normalizing of the nerve supply has made rapid advances. Many chronic diseases, such as heart disorders, stomach ailments, constipation, colitis, neuritis, sinus, hay fever and asthma, diseases of the liver, kidneys, high blood pressure and nervous weakness are responding to modern chiropractic methods in less time than ever before. The Chiropractic physician makes full use of modern scientific instruments in the diagnosis and treatment of disease. One of the newest and perhaps the most valuable instruments for detecting heart disorders in the Heartometer. It registers upon a graph valuable information that serves as a guide in the use of the most effective therapeutic procedures. May we suggest that you investigate the modern drugless methods with which we fight disease so successfully.

THE RECORD... Facts That Concern You

ONE SOUR NOTE...

but it's a great orchestra nevertheless

Even a great orchestra will make a musical mistake once in a while. And once in a while... out of the thousands of decent, law-abiding beer retailers in Oregon... you'll come across one or two who operate disreputable establishments.

These "black sheep" retailers constitute a tiny minority. Yet they tend to drag down the good name of beer.

By arousing public indignation, such undesirable retailers endanger your right to enjoy good beer. They also endanger the benefits to the public that beer has made possible.

For example, in Oregon beer has created 13,238 new jobs with an annual payroll of \$11,541,550 and paid \$617,020.86 in taxes last year.

The brewing industry wants "black sheep" retailers eliminated entirely. You can help us by patronizing only the reputable, legal places where beer is sold. And by reporting irregularities to the duly constituted law enforcement authorities.
