

War News Aids Stock Market

MARKETS AT A GLANCE

(By United Press)

Stocks irregularly higher in quiet trading.

Bonds irregularly higher.

Curb stocks irregular.

Cotton off around 50 cents a bale.

Wheat 1 1/4 to 1 1/2 cents higher; corn up 1/2 to 3/4.

By Elmer C. Walzer

New York, April 21 (UP)—Mild rallying tendencies developed in the main stock list in quiet dealings today but selected inactive issues continued to meet selling and recorded losses ranging to more than 16 points.

A few high priced shares dropped abruptly on withdrawal of bids.

Sentiment appeared less uneasy over the war news but there was nervousness over growing anti-inflation talk and a gloomy outlook for corporate earnings, as depicted by several business executives at annual meetings today.

General Electric common stock drifted down 1/2 point to a new 1942 low at 22 1/2, after President Charles E. Wilson told G. E. stockholders that first quarter earnings this year would be less than in 1941 although the corporation is working at a record pace.

Curtiss-Wright common firmed 1/4 point to 7 1/2 when its annual report for 1941 showed earnings equal to \$3.15 a share against \$1.81 in 1940. However, 1941 tax provisions were up more than 300 per cent, while net profit showed a considerably smaller gain. Douglas Aircraft held a gain of 1 1/4 points to 60 and United Aircraft preferred was up 3/4 to 94 1/4.

Rails met fair support. Norfolk & Western gained 2 points and Santa Fe, Nickel Plate preferred and Southern Railway preferred were up almost a point. Utilities were barely steady.

Bethlehem Steel still was up 1/2 to 56 1/2 and U. S. Steel up 1/2 to 47 1/2 after easing from earlier highs. Motors had narrow advances. American Telephone slipped down 1/2 to 113 1/2. Allied Chemical dropped 2 points and Du Pont sold off a point, while Monsanto gained 1 1/4 and Virginia Carolina Chemical 2 points.

Wide losers included National Lead preferred A, 150, off 16 1/4; National Biscuit preferred 151, off 8; Reynolds Tobacco 45, off 5 1/2; Gold & Stock Telegraph Co. 75, off 5 1/2; and National Gypsum preferred 61 off 2, all new 1942 lows.
