### Autoists Warned Of Gas Thieves

The OPA's promise to cut gasoline rations beginning tomorrow to two gallons a week has already produced in Bend a gang of gasoline tank siphoners, according to police reports today.

Chief of Police Ken C. Gulick disclosed that gasoline thieves had stolen gasoline from cars last night, including automobiles parked at the new Jansen villa at Fifth street and Portland avenue. The chief admonished his patrolmen to keep a particular watch for gasoline thieves, but at the same time suggested car owners take steps to protect their gasoline supplies as "our men can't be in all parts of Bend at the same time."
