

Railroad Issues Reach New Highs

By Elmer C. Walzer
(United Press Financial Editor)
New York, Dec. 23 (U.P.)—Railroad issues advanced to new high points since August 31, 1937, to feature a firm, quiet stock market session today.

The lift which the rails gave the whole market left the general average about unchanged from last week's close although the industrial component failed to make up its losses of the Wednesday session.

Activity centered in the carrier group although International Telephone was the most active individual issue of the whole list. Baltimore & Ohio had a heavy turnover and along with its preferred made a new top. Gains of a point each were noted in Colorado & Southern preferred, Delaware & Hudson, Illinois Central preferred, and Louisville & Nashville. The others rose fractionally and most of them made new highs.

Christmas Eve Exercise Is Set

The Methodist church has made plans for a Christmas eve program, to be held at the church on Sunday, starting at 6:30 p. m. The service will open with a candle lighting exercise, followed by the processional, by the junior choir.

Highlighting the Christmas eve program will be a pageant, "Christmas Night in a Foxhole." This is an original, modernized drama, written by Mrs. M. F. Lyons, in which all Sunday school departments take part. The offertory will be "Ave Maria." A quartet, Joyce Conn, Maureen Lyons, Albert Miles and David Coyner, with Maureen Lyons as soloist, will be featured.

The junior choir, directed by Mrs. Craig Coyner, will sing carols.
