The German high command ac knowledged that "on the entire front from the northern slopes of the Carpathians to the Niemen river, the winter battle for the German eastern provinces con-tinues with greatest fierceness."

Yarn Donations Asked by Juniors

Donations of yarn are needed to complete two afghans being made by the Camp Fire girls for the junior Red Cross, Mrs. Joe Elder, director, said today. The afghans—one knitted and one woven—are well started but the 13 Union in Jefferson county. It was the last of the control o

plete them, Mrs. Elder stated, as the same on Tuesday night, the work is a group project, directed by Miss Jean Webster.

Yarn may be left at the City meeting here. Drug company, Mrs. Elder said.

Portland Plans To Test Herds

Portland, Ore., Jan. 19 III-The

family cow or goat in Portland will receive regular inspections as a means of preventing the spread of undulant fever, the Portland city council decided today.

The new ordinance provides for tests for mastitis every 90 days, and once a year for tuberculosis and Bang's disease. Because such family cows are generally isolated from herds, the ordinance specifies longer intervals between tests for longer intervals between tests for the latter diseases.

Aides Appointed
