

Railroad Shares Take Mart Lead

By Elmer C. Walzer (United Press Financial Editor) New York, Jan. 20 (UP)—Railroad shares led the stock market down in the short session today, rounding out a week of almost steady decline that wiped out more than \$1,000,000,000 (B) of valuation on all listed shares.

Trading increased to the heaviest volume since December 16 for a Saturday. Losses of one to three points were spread over a broad list and very few issues managed to move against the trend.

Rails led in activity with heaviest dealings in New York Central and Baltimore & Ohio. Nickel Plate preferred lost three points and declines of a point or more were noted in Santa Fe, Atlantic Coast Line, P. E. Marquette, Louisville & Nashville, and Texas & Pacific.

U. S. Steel and Bethlehem each lost a point. Allied Chemical was down two points. Losses of a point or more were made by International Telephone, Crucible Steel issues, Lima Locomotive, Westinghouse Electric, International Harvester, American Power issues, and Grumman Aircraft.

"Woman in Dormitory" Puts USO Staff in Dither Fort Worth, Tex. (UP)—A frantic porter burst out of the elevator and into the service men's center.

"There's a woman asleep in one of the bunks on the third floor," he yelled to night staff members.

A hurried conference was held, and the night staff rode up to the dormitory room—a room for men only.

There she was, sound asleep, her wavy brown hair spread on a pillow.

"You can't do this—you'll have to get up, right now," said Clarence C. Tippitt, one of the staff.

"We can't have a scandal. How did you get in? What are you doing here?"

There was no response. Tippitt remonstrated, pleaded. To no avail.

Finally, in desperation he grabbed the shoulder of the sleeper. Then, suddenly he grinned sheepishly.

There were concentrated howls from the GI's occupying the other bunks.

The figure in the bunk was wax—hold-over from the day when the building was part of a department store.

Tests of Cattle In Area Planned

Pine Forest, Jan. 20 (Special)—Paul Reidel, agriculture committee chairman for the Pine Forest grange, today began listing cattle in this district to be given tubercular and Bang's disease tests.

The next examination of cows will be from Pine Forest out to the George Murphy ranch, Reidel said.

At a grange meeting held Tuesday, Reidel gave a report on the recent cattle testing in which 34 cows were examined.

The grange voted to stage a dance on Feb. 2 for the benefit of the "march of dimes" and the Foundation for Infantile Paralysis fund campaign.

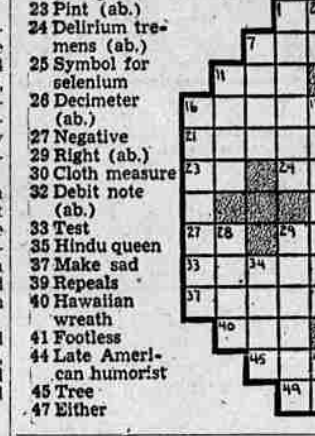

Tuesday's social hour consisted of a monologue by Alice Walker, a skit by the Y.G.A. ladies and Roy Van Vleet, some songs and a quiz contest.

Indian Orphan Boy Holds Soft Spot With Soldiers

Hammond, Ind. (UP)—An army air force quartermaster unit stationed in India has adopted "Kayo," an orphaned boy who came out of the hills and was found eating out of the camp garbage cans.

Pvt. Glen W. Williams of Hammond, a member of the unit said that Kayo was about five years old when they found him. That was two years ago. They cut down GI clothes to fit him and have taught the lad to read, write and speak English.

Pvt. Williams said that in two years the air corpsmen have saved over 5,000 rupees which will be used for Kayo's education. Arrangements also have been made for the Indian boy to live with an American family when the soldiers return to the states after the war.
