

Stocks Decline For 4th Session

By Elmer C. Walzer
(United Press Financial Editor)

New York, Jan. 22 (UP)—Stocks declined today for the fourth consecutive session, but rallied from the lows and displayed a sturdier undertone at closing time.

Early unsettlement was traced to the appointment of Henry A. Wallace to succeed Jesse Jones as secretary of commerce and head of several other government agencies. The subsequent recovery was attributed to belief the appointment will have tough sledging in the senate.

Other factors in the recent decline are listed as the Russian successes seen as hastening the reconversion period with its many problems, and the securities and exchange proposal to eliminate the floor trader on the major exchanges.

George Sauerbeck, 24, is five feet, nine inches tall, weighs about 160 pounds, and has brown eyes, fair skin, brown hair and a scar on his right wrist.

Explosion of Tar Results in Fire

Two persons narrowly escaped serious injury, and damage to the extent of approximately \$3,000 resulted from a fire which late yesterday nearly destroyed the home of Mr. and Mrs. Ralph T. Cooper, 827 Delaware avenue. The fire started in the six-room structure after two gallons of tar which Cooper was heating on the kitchen stove exploded, scattering the flaming liquid around the room.

Mrs. Betty Justice, a daughter, suffered singed hair, and she was forced by the intense heat to drop the telephone while she was calling the fire department. The call was completed over the telephone at the Delaware hotel next door. Cooper's clothing was badly burned, but he escaped without serious injury.

Three of the rooms were completely gutted by the flames, and considerable furniture in the rear rooms was lost. The loss was partly covered by insurance.

Cooper, whose wife and daughter were the other occupants of the house at the time of the fire, told firemen that he was heating the tar to repair a roof on another house.

Loan Association Elects Directors

H. H. De Armond, Ward H. Coble and C. J. Lindh, directors of the Deschutes Federal Savings and Loan association who have just concluded three-year terms, were reelected at the annual meeting of the association in the offices last week. Other officers are George P. Gove, president, and Carl E. Erickson, vice-president. Lindh is secretary-treasurer. De Armond is the firm's attorney.

D. H. Peoples and W. A. Wirtz were elected as official appraisers. Savings accounts with the firm increased \$122,472.30, or slightly over 25 per cent, in 1944. Lindh said today. Savings accounts in 1943 amounted to \$458,954.08. In 1944 they amounted to \$581,426.38.

Dividends at the rate of 2 1/2 per cent were paid during the past year, he stated, adding that that rate is slightly above the average now prevailing.

During 1944 \$155,000 of savings funds was invested in war bonds. "This makes a total of \$255,000 in local depositories funds that are now helping to win the war," Lindh concluded.

The first spoken words transmitted by telephone were sent March 10, 1876.
