

Riders Planning Saddlery Show

The Rim Rock Riders will stage their first annual saddlery show on Feb. 11 at the cavalrymen's barracks, it was announced today by Glen Gregg, president of the equestrian group. The show, open to the public, will begin at 2 p. m. and continue until 8 o'clock. Besides a large display of riding equipment, entertainment will be provided, it was announced.

The committee in charge of arrangements is composed of Mrs. Frank Filey, Mrs. Dean Hollinshead and Mrs. Nellie Clark. In charge of the display will be Ken. C. Gulick, Filey, Hollinshead, Harry Terwilliger, N. R. Gilbert and Les Dodson.

Members of the group were scheduled to hold a regular business meeting on Feb. 12, at which time the annual election of officers is to be held.

Sunset Division Men Reach Fort

Fort Lewis, Wash., Jan. 24 (AP)—After more than three years in the jungles of New Guinea and other southwest Pacific islands, 40 Jap-fighting veterans—many of the members of the "Northwest's own" 41st division—arrived at Fort Lewis today en route to their Washington and Oregon homes.

Those back under the army's rotation program will be reassigned to duty in the United

Jap's Lingayen Airstrip Knocked Out

Hirohito Writes Poems for Nation

(By United Press) The Imperial poetry party was held in Tokyo Wednesday—and therein may lie the answer to the question: How does Hirohito spend his time in an air raid shelter?

Tokyo radio, recorded by United Press, San Francisco, reported: "The emperor has been spending considerable of his gracious time lately in the composition of beautiful poems which were read in his august presence. "Although not read, 985 poems were presented by the people."

Redmond Fliers Lose to Marines

The Klamath Falls Marines defeated Redmond's Army Air field basketball team last night, 55 to 43, on the Prineville high school court.

The win ran the Marines' season won and loss total to 13 and four, and was one of the roughest games the Leathernecks have played so far—39 fouls were called on the two teams.

Lewis, Army forward, led the scoring with 15 points, while Mills, lanky Marine forward, scored 13.

Farmer Youths Get Service Call

In line with the recent directive of the national selective service, the Deschutes county selective service board today sent more than a score of men engaged in agriculture to the Portland induction center for pre-induction physical examinations. Under the recent ruling to increase the military strength, these men now in classification 2-C, may be reclassified and called for service if found physically fit, it was said.

In the group were Wilson Lee Allen, Joe William Howard, Jr., Martin Daly, Jr., Arvel William Williamson, Samuel Walter McCall, Francis Glenn Kriger, Delbert Allan Rutherford, Robert C. Johnson, Joe Clifford Henry, Robert Bishop Varco, Phillip Happy Bradetich, Clarence Stanley Tor-Kelson, Bernard Oliver Pedersen, Byron Fisher Logan, Lowell Dean Van Tassel.

Raymond Woodrow Gibson, Ray John Cowan, James Joe McArdle, Warren Harvey Cyrus, Marvin Leon Enlow, Kenneth Charles Lowe and Danny Rastovich.

First Water Due For North Canal

In order to determine the location of a permanent gauging station, officials of the bureau of reclamation and Aubrey E. Perry, Deschutes county watermaster, plan to turn water into the North Unit canal as soon as weather permits, it was reported today. It was believed likely that this historic event will take place within a few days.

Plans call for the installation of the gauging station as close as possible to the canal intake, just north of the city limits of Bend. The station will be used for the purpose of determining the flow of water from the Deschutes river into the big irrigation waterway.

TEXAS OIL LEASES HIGH
Austin, Tex. (AP)—There are 48,500,000 acres of land leased for oil and gas development in Texas, with annual rentals and bonuses on the leases amounting to \$70,000,000, state statistics show.

First Camera Appearance

(NEA Telephoto) Rebecca Welles, daughter of Orson Welles and Actress Rita Hayworth, looks a bit surprised as she makes her first camera debut at the age of 1 month in her mother's arms.

Mrs. Killenbeck Of Metolius Dead

Mrs. Guy Killenbeck, 59, died at the St. Charles hospital at 6 a. m. today following a brief illness. An early settler at Metolius, Mrs. Killenbeck had lived in Jefferson county for many years and was well known throughout Central Oregon.

Survivors include her husband, two daughters, Miss Ruth Killenbeck of Metolius; Mrs. Fred Degen, Portland, and one son, Clarence H. Killenbeck of Redmond.

The time of the funeral has not been set but will be announced later by the Irvin mortuary of Redmond.

George Hansen Hurt in Belgium

Pfc. George W. Hansen, Jr., overseas for several months with an infantry unit, was recently wounded in action in Belgium, friends here have learned. George, a Bend high school graduate with the class of 1941, is a son of Mr. and Mrs. George W. Hansen of Hillsboro.

The father of the young soldier was formerly office manager of The Shevlin-Hixon Company in Bend. While Pfc. Hansen was attending high school here, he was a member of the Bend airways weather bureau staff, serving as relief observer.

Abbot Surplus To Go on Sale

Here for a survey of the Central Oregon market to assure that the methods of disposal of Camp Abbot surplus property may best meet local needs, George H. Playter, chief of the disposal section, Portland sub-office, real estate division of the U. S. Engineers, and Capt. L. S. Young, architectural engineer for the Pacific division, announced this morning that item bids will be recognized when the work of salvage starts. This, it is expected, will be in mid-spring. By then, it is believed, property acquired by individuals will be removed with greater ease.

Procedure Explained
Playter and Capt. Young stressed that any individual wishing to purchase even one unit of equipment offered may do so. They are of the opinion that much of the material at Camp Abbot may find advantageous use in the Central Oregon area and that this method of sale will greatly facilitate local buying. The call for bids will be issued later.

FIND SYNTHETIC BETTER
Akron, O. (AP)—Synthetic rubber is being used entirely in the manufacture of rubber printing plates and stamps made by the Good-year Tire and Rubber Co. because, the company says, the synthetic products outwear those made of crude rubber by 200 to 300 per cent. The synthetic rubber's greater longevity is said to be due to its resistance to solvents used in the inks and cleaning fluids.
