Market Reveals New Advances By Elmer C. Walzer

ted Press Financial Editor)

previous session. elephone regained more than half its loss of yesterday. The drop was ascribed to selling for an drop was ascribed to selling for an estate but the weakness in this favorite had pulled the market down, principally the industrial average in which it is included. The issue dropped on the Chicago stock exchange today to get into line with the New York price. Today's improvement in the share list was accompanied by a use market for bonds. Rails

share list was accompanied of a better market for bonds. Rails stood out for strength in both markets. Commodities also dismarkets. played a stronger tone. All mar-kets were orderly. The better-ment was seen as mostly technical following a lengthy period of

ecession.
