

Utilities Move To 4-Year High

By Elmer C. Walzer
(United Press Financial Editor)

New York, Jan. 30 (AP)—Utility stocks moved up to a new high since Aug. 3, 1939 today while other sections of the stock market declined fractions to 3 points on large volume.

Late in the day the railroad department was hard hit. Losses extended to 3 points in Pere Marquette preferred. Others of the so-called war group were depressed. Steels had losses ranging to a point in U. S. Steel whose directors were scheduled to meet after the close to act on the dividend and release the 1944 earnings statement.

Earlier in the session, selective buying went ahead in numerous secondary groups and in individual issues. The packing shares were seen another whirl but they sagged late in the day. Farm equipments gave a similar performance. Low priced motors made new highs and then receded. Some of the oils, including Sococo-Vacuum, and Richfield were active. The group turned irregular near closing time. American Radiator and Johns-Mansville made new highs in the building section before dipping to around the previous closing levels.

Parents Attend Health Meeting

Salem, Ore., Jan. 30 (AP)—An individual clad in flowing white robes and carrying a lantern late yesterday appeared in the gallery of the Oregon house of representatives, identified himself as Diogenes, and his mission as a search for an honest man.

After a brief and lugubrious inspection, he informed the house that he had yet to find one.

Puzzled lawmakers, after a laugh discovered that the apparition was a loser in the Willamette University "freshman glee" held Sunday, and the trip to the state house was part of the penalty inflicted upon him.

Rep. Carl H. Francis, Yamhill county, did not, however believe that the joke was in keeping with the dignity of the house and berated the upstairs doorkeeper for not preventing the demonstration.

In the senate another glee loser presented president Howard C. Belton with a chocolate milkshake.

Soviets Strike

Not Identified
Moscow did not identify immediately the point at which the Soviets crossed the Odra, but said they were plunging on to the west toward Frankfurt-on-Oder, 38 miles east southeast of Berlin.

The Russian army organ Red Star said staff officers of Marshal Gregory K. Zhukov's first White Russian army had been issued maps of the Berlin region, while his tanks and trucks rumbling west were emblazoned with the slogan "on to Berlin."

German reinforcements of infantry, tanks, and mobile guns were streaming east across the center of Germany for the impending battle of Berlin, the Soviet government newspaper Izvestia reported, but there remained a question whether they would arrive in time or in sufficient strength to save the capital.

Last Reserves Used
All available reports, Moscow said, indicated the German command was rushing its last strategic reserves into battle.

Moscow said Zhukov's tanks and infantry smashed two panzer and four infantry divisions on the east bank of the Odra. The Germans counterattacked strongly, but were thrown back in retreat.

Only yesterday, the first White Russian army was drawn up in force along a 35-mile front only two to six miles from the Brandenburg frontiers. The Moscow reports indicated they may have crossed the border along the entire front.

Zhukov's northern wing swept 12 to 14 miles across the Pomeranian border on a 29-mile front northeast of Berlin yesterday and at one point was within 55 miles of the great Baltic port of Stettin.

Eagles, Grange Set Polio Dance

The Bend Eagles lodge and the Pine Forest grange will sponsor a "march of dimes" dance Friday evening at the Pine Forest grange hall. It was announced here today. Funds raised at the event will be given to the Foundation for Infantile Paralysis to combat the disease, according to W. M. Loy, president of the lodge.

A feature of the dance will be an auction of a large cake by Auctioneer C. W. Mobley, and a \$25 war bond will be placed on "the block."

Fred Hollenbeck, chairman of the Eagles committee, and Mazie Smead, head of the grange committee, said today that ticket sales already have been started, and that they anticipated a large gathering. The ladies auxiliary of the lodge and their drill team are aiding grange women in selling the tickets.

To Donate Fares
Not to be outdone, Dalton Hershey, owner of the City Bus lines, said today that he would donate all the fares collected after scheduled hours to the polio fund. He said that the last trip from the hall would be at 12:15 a. m.

Members of the committee assisting Hollenbeck and Miss Smead are Hazel Bowden, Jacob Sigmund, George Roberts, Jacob Dalhan, George Murphy and L. H. Glass. Music for the dance will be furnished by Web Loy and his "Night Owls."

Mrs. J. F. Arnold, chairman of the county's polio fund drive, said today that money continues to come in from the ticket sale for the president's annual ball, held last Saturday night. Members of the Women's Junior Civic league have turned in an additional \$19.50.
