

Brooklyn College Bars Five Players From All Sports

New York, Feb. 2 (UP)—The first of what probably will be a long line of witnesses was scheduled to appear before the kings county (Brooklyn) grand jury today to assist in the investigation of gambling on collegiate basketball.

The investigation ordered by Judge Samuel S. Leibowitz of Brooklyn, followed the disclosure that five Brooklyn college players had accepted a bribe to throw a game against Akron University at Boston. The game was cancelled when the plot was revealed.

Two indicted—

The jury, acting with the haste required by Judge Leibowitz, returned indictments against two Brooklyn gamblers whom the boys identified as the men who offered them money to throw the game and discussed the possibilities of throwing a future game against St. Francis college of Brooklyn at Madison Square garden.

The men indicted, Harvey Stemmer and Henry Rosen, both of Brooklyn, were held in \$25,000 bail on Wednesday. Stemmer's bail was reduced to \$10,000 and he was released when that amount was posted yesterday.

Meanwhile Brooklyn college took its own action against the five players. The faculty-student committee on athletics voted to bar the players from all further intercollegiate athletic competition at the school. The recommendation was sent to college president Harry D. Gleason who was expected to decide today whether or not the players would be expelled.

Players named

The players are Capt. Bob Leder, Bernard Barnett, Larry Pearlstein, Jerry Green and Stan Simon. They admitted having accepted \$1,000 of a promised \$3,000 to throw the game. The rest of the money was to have been paid after the game.

The grand jury was expected to spend a month and possibly more investigating gambling and it was believed that several metropolitan sports writers would be invited to offer testimony.

Advisory Council Rebukes Browns

Chicago, Feb. 2 (UP)—The St. Louis Browns were set down on two counts today in decisions handed down by Leslie M. O'Connor, chairman of the three-man major league advisory council, who sharply reprimanded the American league champions for violation of the major league agreement.

In his first written edicts since assuming the council chairmanship, O'Connor denied a claim by pitcher Louis (Bobo) Newsom against the Browns for an alleged promise of \$1,500 bonus and also directed the St. Louis club to reimburse Tom Hatley the month's salary he lost while being shunted from the Browns to Washington to Oakland.

Browns Criticized

O'Connor, former secretary-treasurer to the late commissioner Kenesaw M. Landis, sharply rebuked the St. Louis management and Newsom for entering into a verbal agreement in direct violation of the major league pact, which states "the making of any agreement between a club and a player not embodied in the contract shall subject both parties to discipline by the commissioner."

President Don L. Barnes of the Browns and Newsom had verbally agreed at the time Newsom was transferred to St. Louis from Brooklyn in 1943 that the burly, right-handed pitching star would receive a \$1,500 bonus if he performed creditably for the Browns.

Bearcats to Play Whitman Quintet

Salem, Ore., Feb. 2 (UP)—Willamette University and the Whitman Missionaries—traditionally bitter foes in the northwest conference games—will meet here Saturday in an unusual doubleheader.

The first contest will be played at 3 p. m., and at 8 p. m. They'll meet and do it all over again. Both teams will go into the game with impressive records in contests played with schools of comparable size.

Since the beginning of the rivalry between the schools in 1925, Whitman has won 21 games, while the Willamette teams have won 18.

and for that reason the sport should continue. He felt sure that the owners would vote to open the season, during the current meetings, and he predicted that the '45 campaign would be played successfully. Corpus Christi Tourney Opens

Corpus Christi, Tex., Feb. 2 (UP)—The first Corpus Christi open golf tournament started today with Byron Nelson of Toledo, O., favored to win the event against a field of 135 professional and amateur linksmen.

In yesterday's pro-amateur round, Ed Furgol, Detroit amateur, and Johnny Revolta, Evanston, Ill., pro teamed to win with a low ball of 60, 10-under-par. Claude Harmon, stocky Grosse Pointe, Mich., pro had the best individual score of the day, however, with identical nines of 32 for a six-under-par 64.

Huber and Sharp Battle Tonight

Portland, Ore., Feb. 2 (UP)—Sailor Jack Huber, a 198-pound coast guard fighter, will tackle a tartar tonight in Nolan Sharp, Los Angeles negro, who'll weigh in around 191 pounds.

Nolan comes to Portland highly recommended by California promoters who have been giving him plenty of chances to develop his talent since his discharge recently from the army. If Nolan gets over the Huber match here, he'll be offered a chance to fight Joe Kahut, Oregon heavyweight champ, the next time Joe gets a leave from the navy.

Bears Head South To Battle Tigers

Ten Lava Bear hoopers, Manager Rowan Brick and Coach Claude Cook headed into southern Oregon this morning to meet a team which many fans hereabouts believe will be the 1945 basketball champions of Oregon—the powerful Medford Tigers, victors in their last 13 games and now riding high at the top of the southern Oregon circuit. Crippled by the loss of Harold Smith, injured in the first game at The Dalles, and rather low in spirits as a result of their 27 to 24 defeat here Tuesday by Redmond, the Bears have little hope of making even a good showing against the Simpson-coached Black Tornado Friday and Saturday nights.

Coach Cook took to Medford his smallest road squad of the season, just two teams. Smith remained home, to rest his injured ankle for the hard games ahead on the Bend court. Making the trip south this morning were Doug Wirtz, Willard Higgins, Darrell Hawes, George Murphy, Bob James, Bill Path, Phil Brogan, George Rasmussen, Denny Moore and Ken Fretwell. Inasmuch as the Bears have little chance of even holding the Tornado to a comfortable score through play of a first string, all 10 boys may see action tonight.

Medford Powerful

Medford will face the Bears fresh from a 40 to 18 victory over the Tornado's old rival, Grants Pass, a team that earlier in the season held Medford to a 29 to 27 score. Medford ended the first half of its southern Oregon league season with a total of 251 points, to 162 for opponents. With one exception, the Tornado rolled up 40 points or better in every league game. Both Medford and Bend played Klamath Falls. The Bears split their two-game series with the Pelicans. Medford won both its games, 44 to 28 and 42 to 26.

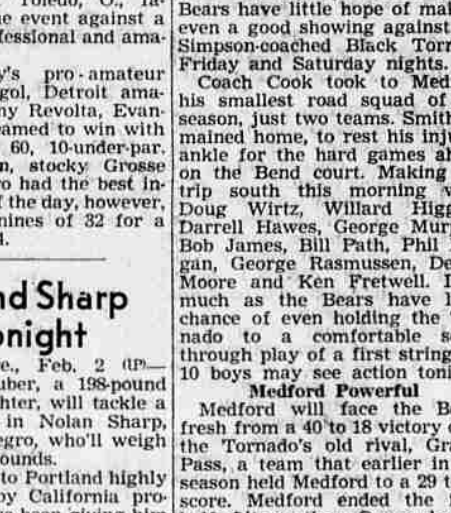

Headman of the Tornado this season, Coach Simpson is the same chap who coached the Ashland team that nosed out Bend for the state championship last March in Salem.

The Bears were making a long, but leisurely jaunt to Medford today, and left here about 9 a. m., with time out for lunch in Klamath Falls before crossing the mountains to the lair of the Tigers.
