

Long Rest Billed For Oregon Team

Eugene, Ore., Feb. 6 (UP)—In order to bring his battered University of Oregon basketball team back to full strength, Oregon Coach John Warren is giving his squad a well-earned rest during the fore part of this week in preparation for the game Saturday night with the Oregon State Beavers in McArthur court here.

The Oregon team arrived here Sunday afternoon after a torrid series in Seattle with the Washington Huskies. After losing a bitterly contested game, 59-56 on the first night, the Oregon team came back to trounce the Huskies Saturday.

The Webfoot came out of the Washington series in bad shape with several of the players suffering from injuries that may impair their efficiency in the OSC game.

Saturday's game will be Oregon State's first of the year on the Oregon campus. The Webfoot will have to win this contest if they are to maintain their present two-game lead in the Northern division race over the Beavers.

Wright Is Loser To Willie Joyce

Philadelphia, Feb. 6 (UP)—The recuperative powers of Willie Joyce, Gary, Ind., lightweight were credited today with bringing him a 10-round decision over the veteran Chalky Wright of Los Angeles, who almost knocked the youngster out with a whirlwind start in the first two rounds.

Joyce gained an unanimous decision over Wright, the former featherweight titleholder before 6,000 fans at the arena last night. However, he had to come back fast after Wright went after him with hard, hooking head punches. Joyce was hanging on in both the first and second rounds, but he came out swinging in the third round and carried the fight the rest of the way with superior boxing and ring craft. Wright, trying hard for a knockout, swung wildly but Joyce outmaneuvered him.

Wright weighed 132½, Joyce 135.

Jim Bevins Beats Parks Via K.O.

Washington, Feb. 6 (UP)—Jimmy Bevins, ranking Cleveland negro heavyweight, earned the right to meet Arturo Godoy, South American heavyweight here in April or May, it was announced today, after his three round technical knockout victory over George Parks of Washington here last night.

Bevins was after a knockout from the start, tagging Parks for the first knockdown early in the first round. He knocked the Washington heavyweight down twice more in the second round and that was enough. Parks failed to answer the bell for the third.

Bevins weighed 188 for the scheduled 10-round bout. Parks scaled 184.

Duff B. Kimsey Is Cited by Navy

Duff B. Kimsey, RM 3/c, United States navy, has been cited for meritorious achievement and devotion to duty in the south Pacific theater of war, according to information received in Bend by his uncle, L. C. Kimsey, Duff, son of Mr. and Mrs. Dolphy Kimsey, of The Dalles, took part in extended combat operations in the vicinity of the Marianas and the Carolines, and also near Bonin Islands, Halmahera, Formosa and the Philippines. These actions included support of amphibious operations, the citation reads.

Action in which The Dalles boy took part included major operations against the Japanese fleet, the citation, signed by Vice Admiral M. A. Mitscher, states.

Today's Sport Parade

New York, Feb. 6 (UP)—If Juan Ponce De Leon were alive today, he certainly would greet Big Bill Tilden at the station Saturday and ask him the \$64 question: "Where did you find the fountain, kid?"

Old Ponce was the guy who in the early 1500's gave Florida its first resort advertising by searching there for the fountain of youth. Ponce couldn't find the rejuvenating waters; but Tilden seems to have, for he celebrates his 52nd birthday Saturday by arriving from Hollywood, Calif., to compete in exhibition tennis matches.

Competitive tennis at 52. This is another remarkable accomplishment by one of the most amazing athletes of all time. It verges on the miraculous because tennis is a sport where the accent is definitely on legs; and in all athletics it's the legs that fade first.

When their "gams" gave out, other giants of sports' golden decade—the roaring 20's—retired to the sidelines: Babe Ruth, Jack Dempsey, Bobby Jones, etc. But Tilden—tall, gaunt and graying—retains enough zing in his underpinning to carry on midway in the 1940's. However, he admitted recently in Hollywood, where he teaches the love game to movie stars, "after the first set now, the court begins to seem uncomfortably large."

Tilden is coming to New York to compete in matches at the 17th regiment armory on Feb. 17. The show is being staged for the benefit of the Grossinger Canteen-By-

Prineville Wins 2 From Burns

Prineville, Feb. 6 (Special)—Coach John Pariseau's Cowboys two-timed the Burns Bulldogs here Friday and Saturday nights 26 to 23 and 50 to 12, respectively, in two basketball games that contrasted like day and night.

The game Friday night was a real thriller with the Burns team making the Bronco-busters battle for every point they made. Prineville potted the opening basket, but the Bulldogs quickly matched it with one. It went that way throughout the game although Burns made 11 of its 23 points on free throws, which the Bulldogs never seemed to miss. Leading 12 to 10 at the half the Cowboys continued to hold the edge to win a close 26 to 23 victory.

Saturday night was an entirely different story. The Cowboys started out with a bang and were never threatened during the entire game, ending with a 50 to 12 victory for Prineville.

Henry Martinez Killed in Action

Portland, Ore., Feb. 6 (UP)—Henry Martinez, speedy second baseman of the Portland Beavers during the 1942 season, but who was one of the members of that team who were called into service the following year, has been killed in action, supporting the Philippine invasion in the central Pacific, according to information received by the Beavers' office in Portland.

Martinez joined the navy in 1942 and was lost at sea recently during the invasion.

Leg Weary Bears To Play Redmond

Redmond's rampaging Panthers who have run up an enviable winning streak of 11 straight games will be gunning for number 12 when they meet the hapless Lava Bears on the local court tonight.

The leg weary Bears who were hard put to find five men who could even finish the game Saturday night at Medford are not expected to be recovered, although no practice was held last night.

With their travels over and all the remainder of their games scheduled in or close to Bend, the Bears will try to recover some of the hustle and drive that three weeks of strenuous travel and play has taken from them.

Good Showing Made

In mid January the Bears climaxed a grilling home schedule against four invading top teams by splitting a thrilling series with the Hood River Blue Dragons and local fans were hoping that the potential strength that the Bears seemed to have was beginning to evidence itself. However, after the conclusion of their travels the Bears managed to win only four of their nine games played and managed to score only 271 points to their opponents 296.

Moreover the trips seem to have left the Bears with more than just leg-weariness, as the whole squad is run down and underweight. To top it all off the two "drivers" on the squad, Harold Smith and Doug Wirtz suffered injuries that will handicap them for some time. All in all the last three weeks in which they traveled almost 1500 miles, played 9 games in 17 days and slept in strange beds eight nights may be a blow from which the young Bears will not recover.

Arnold Cisterns To Get Water

Water will be turned on in the Arnold canal at 10 a. m. tomorrow and will remain on for four days, weather permitting, for George Murphy, chairman of the board of directors of the Arnold Irrigation district, stated today.

Persons receiving water from the Arnold canal should take advantage of the water turn-out to fill their cisterns, Murphy added.

Five Day Forecast

Five-day forecast ending Saturday night:

Oregon and Washington west of Cascades: rain latter part of week. Temperatures normal to slightly above normal.

Idaho, Oregon and Washington east of Cascades: no precipitation until light snow or rain near end of week. Normal temperatures.

Quints May Play On College Floors

Chicago, Feb. 6 (UP)—The championship basketball tournaments of the National Collegiate Athletic association may be played entirely on the campus of one of the association's member schools next year, according to Harold Olsen, Ohio State basketball coach and chairman of the N.C.A.A.'s basketball committee.

"There may be a move to play the tournaments at one school next year and it may be a good thing," he told the basketball writers' association over the long distance telephone yesterday.

Olsen's remarks were made in connection with the Big Ten's recent action requiring all member schools, starting next year, to play basketball games only on college campuses, unless given special permission by the athletic directors.

KID HOWARD DEAD

Chicago, Feb. 6 (UP)—Services will be held Thursday for Howard Carr, better known as Kid Howard, who died yesterday after a stroke.

Carr began his fighting career as a bantamweight 50 years ago, but gained wider prominence promoting bouts throughout the mid-west and operating a gymnasium in Chicago's loop for 25 years.

State Beaver '5' Ready for Oregon

Corvallis, Ore., Feb. 6 (UP)—The Oregon State Beavers settled down today for an intensive preparation for the game Saturday night in Eugene with the University of Oregon Webfoot which will determine if OSC still has a chance for the Northern division crown.

The second round of the little "civil war" series between the two teams will find the Oregon team greatly favored.

Each of the teams has five games left to play in the season, but Oregon has won two more than the Beavers. The Staters, however, will be in better condition, since none of the players were injured during the inland invasion.

Coach A. T. (Slats) Gill has indicated there may be new starters in the Oregon game, with the only sure starter being Red Rocha, who has been the sparkplug and sure scorer of the OSC team. Rocha scored 68 points last week, to go into the lead in the Northern division scoring race, with a total of 158 points, for an average of 14.3 points per game.

Mott on Group Visiting Coast

Washington, Feb. 6 (UP)—A house subcommittee on naval affairs, headed by Rep. Ed V. Izac, D., Calif., was scheduled to arrive today at Elk Hills, Calif., to inspect navy oil reserves.

Committee members included Reps. Frank Havenner, D., Calif., Alfred J. Elliott, D., Calif., Hugh De Lacey, D., Wash., and James W. Mott, R., Ore. They will inspect naval installations at Hunters Point and Alameda, Calif., Wednesday and Thursday, Havenner's office announced.
