

County Grangers Discuss Measures, Observe Birthday

Establishments where food or drink is sold should come under the jurisdiction of the state board of health in regard to sanitation, but regulatory legislation pertaining to production, processing and distribution of all food products or commodities of agricultural origin should be administered by the department of agriculture, members of Deschutes Pomona grange resolved at an all-day, 20th anniversary meeting held in the eastern Star grange hall on Saturday. It was further resolved that senate bill no. 128, containing these provisions, be enacted into law.

Grange members also went on record as favoring the repeal of the so-called "Walker plan," which would provide a cushion of \$5,000,000 and an eventual lowering of property and state income taxes.

It was also agreed that bills pending which would restrict the people's utility districts in the acquisition and management of power systems would be harmful to the public power program of Oregon and should be opposed. Resolutions pertaining to these matters were passed and copies of the resolutions sent to Marshall E. Cornett, state senator; William A. Niskanen state representative; Burt K. Snyder, state representative and Morton Tompkins, state grange master.

Mrs. Allen Presides

Mrs. B. C. Allen, master of Deschutes Pomona grange, presided at the business meeting.

Following the morning session a chicken dinner was served to 150 persons by women of the Eastern Star grange. A birthday cake, in honor of Deschutes Pomona grange's 20th anniversary, was presented by women of Pine Forest grange and was cut by Miss Bertha J. Beck, state grange secretary. Mrs. Allen, Pomona master, was presented with a cake by members of Terrebonne grange.

A lecturer's program was presented under the direction of Mrs. P. F. Riedel in the afternoon. Group singing was led by Mrs. Eugene Ackley. Other features of the program were: Introduction of past Pomona masters by Mrs. B. C. Allen; piano solo, Mrs. Geraldine Robideaux; history of Pomona grange, E. H. Young; reading of the minutes of the first Deschutes Pomona meeting held on Jan. 15, 1925; piano solo by Clara Dexter; speeches by Miss Beck and Verne L. Livesey, regional agriculture advisor of the Oregon war price administration.

Members Initiated

New members were initiated at 8 p. m. and the fifth degree was given to Mr. and Mrs. Albert Walker, Mrs. John Franks, William Hardy, Mr. and Mrs. Del Matson, Mr. and Mrs. E. D. Fitzgerald and L. H. Gless.

Following the Saturday night session a dance was held with Marshall's orchestra furnishing the music.

Among charter members of Deschutes Pomona grange were Fred C. Shepard, master; Mrs. George Thompson, Ceres, and Mrs. Lulu Griffin, Flora.

Paper Collection In Oregon Gains

Portland, Feb. 12 (AP)—Volunteer collections of waste paper in Oregon during January showed an increase of 469 tons over the December total according to an announcement by the Oregon state salvage committee today.

January collections totaled 1,112 tons against a 643-ton collection in December. The January total was still considerably below tonnage reported in preceding months however.

Benton county remained on top of the state's list for cumulative per capita collection averages with 65.7 pounds contributed per person since the start of the campaign in November, 1943. Wasco county held second place with a 53.1 pound average and Marion county was third with 45.6 pounds.

Other counties in the "top ten" include: Clatsop, 45.5 pounds per capita; Sherman, 41.3 pounds; Deschutes, 37.5; Multnomah, 36.7; Clackamas, 32.5; Yamhill, 31.9, and Hood River, 29.5.

Industrial Fund Nears Completion

As the last day for raising the fund was growing to a close, the special committee of the Bend chamber of commerce raising a \$10,000 post-war industrial fund, reported today that approximately 75 per cent of the amount had been raised. The chamber is attempting to match a \$10,000 city peacetime industrial development fund, and voluntary subscriptions have been mounting steadily until only about \$2,500 remains yet to be collected.

The committee planned to meet tonight and canvass the returns, and to determine whether additional solicitation should be made of those who have not as yet donated.

Johnson Reports
 Carl A. Johnson, chairman of the special committee, reported to the chamber directors that he believed the day's mail might bring in sufficient money to complete the fund. He pointed out that the fund must be raised in its entirety before an administering committee may be appointed. The chairman added that he be-

Polio Aid Dance Is Well Attended

More than 300 persons attended the benefit dance for the Foundation of Infantile Paralysis in the Bend Roller rink Saturday night, it was estimated today as Clair Fuller, manager, reported that \$454 worth of tickets had been sold for the event.

Fuller said that approximately \$80 would be turned over to Mrs. J. F. Arnold, chairman of the Deschutes county polio drive, after the orchestra and government taxes had been paid out of the receipts.

Scores of soldiers stationed at the Redmond army air field attended the dance, which was featured by a lively floor show.

Mrs. Arnold today urged persons who have collected funds for the polio battle to turn them in promptly to her, as she believed that after she had received money outstanding that she probably would be able to report that the \$4,000 quota had been nearly reached.
