

General Average Of Stocks Gains

By Elmer C. Walzer
(United Press Financial Editor)

New York, Feb. 15 (AP)—Stocks advanced fractions to more than 2 points today to new highs in the general average since August 31, 1937.

The rise came after a bit of unsettledness in the late morning dealings caused by profit-taking by timid traders. The subsequent recovery was swift and accompanied by active trading.

Wall street had grown increasingly bullish since the results of the Crimean conference were published. There are other reasons given in the financial district for the market's strength, including the fact that the trading element has stopped worrying over the end of the war against Germany; favorable domestic news and the fact that the market excesses have been almost nil.

All sections of the list joined the rise today. The industrial average reached a new high since November 12, 1938, and utility since August 18, 1937. The rail average approached its seven-year top.

Official Records

Justice Court
Four boys arrested in Deschutes county last week and held on vagrancy charges were not from Sisters, Justice of the Peace Wilson George, Bend, reported today. In the story appearing in The Bulletin, the addresses of three of the boys were given as Sisters.

Two of the boys, Jack M. Menear and James W. Piggott were from Sweet Home, George said, and the other two, Charles N. Loyd and Stanley D. Porterfield, were from Bend. They were held on a vagrancy charge, after a car in which they were riding was assertedly used in splashing water on pedestrians. Porterfield, driver of the car, and Loyd were fined and Menear and Piggott were placed on probation, without sentence.

Japanese Pilots Aid in Funerals

New York, Feb. 15 (AP)—Some Japanese pilots drop their funeral trappings before their bombs, just in case. Others wear their burial robes in combat.

This was the report of Alfred Marche, president of Republic Aviation corporation, who has just returned from a 25,000-mile tour of Pacific island fronts.

Marche said the Japanese pilots were so skeptical of their chances over Saipan, that 20 minutes before they attacked, a Jap plane flew over the island and dropped traditional funeral banners.

"It was a good idea," Marche said, "as all 17 attacking planes were shot down."

Strikers Facing Induction Threat

Seattle, Feb. 15 (AP)—Threat of induction into the armed forces hung over striking independent welders at Todd-Pacific shipyards and Todd dry dock today, where absenteeism due to the jurisdictional dispute had risen to 1,135.

Selective service officials said they would report names of all male strikers to their local draft boards today, the date when workers willfully absent from their jobs more than five days were eligible for reclassification.

A company spokesman said the draft call would not entirely dissolve the strike, as about half the independent union members who quit their jobs last Friday were women.

Betty Gilliland, Phillip Aris Wed

Miss Betty Joyce Gilliland, daughter of Mr. and Mrs. Lyle V. Gilliland, 1070 Union avenue, and Phillip George Aris, son of Mrs. Helen Hammond, 315 Riverfront, were married by Rev. W. M. Byars, pastor of the Community church, Prineville, in that city at 5:30 p. m. Tuesday.

The bride, a junior in Bend high school and a member of Torch honor society, plans to continue her studies here. The groom will enter the army early in March.

The young couple are making their home at present with Mrs. Hammon.
