Veterans Support Armory Measure
 The bill now pending in the Oregon legislature, proposing the erection of armories throughout the state, was approved by Percy A. Stevens post No. 4, American Legion, at a regular bi-monthly meeting last night in the Deschutes county court. Al Ryman, adjutant, was directed to draw up a resolution to that effect and to send copies to Central Oregon representatives now in Salem.

The bill provides for the erection of an armory in Bend. A committee consisting of A. T. Niebergall, C. A. Boyd and Craig Coyner was appointed to assist in establishing a new organization, the Sons of the Legion, in Bend. Adjutant Ryman was instructed to secure a charter for the new group, which must have 10 members to organize.

D. Ray Miller, commander, presided at last night's meeting.

Red Cross Plans Sew, Save Week
 Beginning tomorrow, a "sew and save week" inaugurated by the National Needlecraft bureau, will be launched here, with women through the community being asked to make garments for foreign war relief, it was announced at the Red Cross headquarters here.
