

# U. S. Casualties Reach 800,000

Washington, Feb. 22 (AP)—American combat casualties announced here passed the 800,000 mark today.

Secretary of War Henry L. Stimson also announced that allied armies have captured more than 900,000 Germans in western Europe since D-day. These are in addition to the 100,692 German prisoners taken in Sicily and Italy and 134,300 taken in North Africa. This makes a grand total of 1,134,992 German prisoners since November, 1942.

Stimson said U. S. army casualties on all fronts compiled through Feb. 14 were 711,497. This figure reflected actual events through the middle of January.

Navy, marine corps, and coast guard casualties to date have totaled 89,665. The grand total of 801,162 was an increase of 18,982 over last week's total.

The army casualties included 138,723 dead; 420,465 wounded, of whom nearly half have returned to duty; 60,086 prisoners of war and 92,223 missing in action.

The navy total included 33,822 dead, 407,783 wounded, 10,546 missing and 4,474 prisoners of war.

## NATIONAL LEAGUE HOCKEY

(By United Press) Goalie Mike Karakas of the Chicago Blackhawks pressed Frank McCool of Toronto for defensive honors among the national league net minders, with his second shutout in as many games.

Karakas blanked the Boston Bruins at Chicago 5 to 0 last night after holding the league leading Montreal Canadiens in a scoreless tie Sunday. Earlier in the season McCool scored shutouts on successive nights. McCool has four blankings to his credit for the season while Karakas is next with three.

The victory enabled the Chicagoans to keep within mathematical range of a Stanley cup playoff berth. They are within one game of the fifth place New York Rangers and only three behind Boston in fourth place.
