NEW kind of

ASPIRIN tablet
doesn't upset stomach

SUPERIN, is "just what the doctor ordered!" for you.

Superin is aspirin plus—contains the same pure, safe aspirin you have long known—but developed by doctors in a special way for those upset by aspirin in its ordinary form.

This new kind of aspirin tablet dissolves more quickly, lets the aspirin get right at the job of relieving pain, reduces the acidity of ordinary aspirin, and does not irritate or upset stomach—even after repeat doses.

Tear this out to remind you to get Superin today, so you can have it on hand when headaches, colds, etc., strike. See how quickly it relieves pain—how fine you feel after taking. At your drug-gist's, 15¢ and 39¢.

Mr. and Mrs. G. A. Dunn and son, Ernest were dinner guests Sunday at the William McGregor home.
