

Price of Stocks Reverses Trend

By Elmer C. Walzer
(United Press Financial Editor)

New York, Feb. 27 (AP)—Stock prices today reversed the trend of the past four sessions, climbing fractions to more than a point in a restricted volume of trading.

Oil shares, a number of the liquor, a few department store shares and several utility issues were outstanding strong spots. The oils, particularly, were a favorite on Wall street expectations of further good dividend actions and the outlook for a banner production year in the industry.

Introduction in the house of representatives of a bill to raise the government's purchase price for gold to \$56 per fine ounce had little immediate reaction among gold shares.

PORTLAND PRODUCE
Portland, Ore., Feb. 27 (AP)—Considerable movement of eggs to consumer channels was being absorbed by brisk demand today. Prices remained unchanged.

Production of butter continued to reflect a loss in dairy cows through slaughter. Prices were unchanged.

Butter—Cube 93 score 42½; 92 score 42½; 90 score 42; 89 score 41½ pound.

Eggs—Price to retailers: AA large 45c; A large 43c; medium A 40c; small 36c dozen.

Bible Teaching Luncheon Topic

"Bible Teaching in the Public Schools" was the topic of Rev. Kenneth Tobias at today's meeting of the Bend Lions club in the Pine Tavern, with Glenn Gregg, president, in charge. Rev. Tobias told how the Bible teaching plan has worked in the Eugene schools for the past several years. In the first year, 84 per cent of the Eugene pupils received training, with the consent of their parents, and today over 99 per cent of pupils between the third and six grades are enrolled, Rev. Tobias said.

The Bend school board has agreed to make way for one hour of Bible teaching each week. Costs are not to be borne by the schools, but by those interested, Rev. Tobias explained.

BILL IS APPROVED
