commerce offices at the foot of Oregon street. Members of the Junior chamber auxiliary will accept donations there.

In statements issued by Rath and Gilbert, both drive leaders expressed hope that the plea for aid to the Red Cross would be generously and enthusiastically responded to. Rath's statement follows:

"We have done it before and we can do it again. The money you give will make it possible to make the boys in the army, at home and abroad, more comfortable. Also your money will aid the needy families of men in the service here at home. Remember that the men and women who solicit your donation have not only made their own donation, but are giving freely of their time and effort. Your cooperation will make it possible to bring this War Fund drive to a speedy and successful close."

Leader Confident Chairman Gilbert expressed "confidence" in his statement which follows:

"Our organization for conducting this year's Red Cross War Fund campaign is now complete. We have an excellent group of workers who are ready to contribute their effort in conducting the drive, and I am confident that with such a fine group working, the drive will come to a speedy and successful conclusion."
