## Blast Mystery Not Yet Solved

Police investigation last night failed to solve the mystery of a loud blast that startled a number of residents in the Kenwood district shortly before nine o'clock.

First report of the explosion came from Mrs. Margaret Emmett and Mrs. Alice Soderstrom of 856 Ogden avenue. They said that immediately following the blast they heard something strike a window of their home. Officers were unable to find any foreign object which might have struck the house, and discounted the theory that the sound might have been made by a gun.

The report also was heard by Mrs. Elsie McKeivey, 902 Ogden avenue, and Vernon Everett, living at 830 Ogden avenue. They said that the sound seemed to come from West Ninth street.
