Stocks Go Higher Winnie Speaks

By Elmer C. Walzer
(United Press Financial Editor)

New York, March 15 (UP)—Stocks went higher today in response to Prime Minister Winston Churchill's prediction of peace in Europe by the end of summer "or sooner."

The further promise of full British co-operation in the war against Germany after fall of Germany also was a bullish influence.

Traders continued to operate cautiously, however, and volume around the slow pace of pre-war sessions this week. With the main list generally flat, a number of specialties showed wide advances.

Stocks in the Atlantic Coast group featured rails, continuing to move higher on action today of Atlantic Coast Line selling for cash a large block of the Louisville & Nashville railroad, a subsidiary, which is to use the money to redeem final \$20,000,000 block of L. collateral bonds outstanding.

PORTLAND LIVESTOCK

Portland, Ore., March 15 (UP)—Livestock: Cattle 100, calves 10, steady with Wednesday. Over grade cows 25-50c lower on Monday. Odd common lighters 10-25. Canner-cutter cows 7.00-9.50. Fat dairy type cows to 10.50. Heavy Holsteins 11.50. Medium bulls 10-12.00. Good-choice vealers 10-15.50.

Hogs 100. Active, steady. Good-pool 170-300 lbs. 15.75. Good 15.00. Feeder pigs salable 10-17.50.

Sheep 250. Active, steady. Medium-good woolled lambs 14.75. Good-choice grades late Wednesday to 16.00. Good woolled ewes 50.

Bomber Crew Makes First Kill Good One

Somewhere in the Pacific (UP)—The crew of one medium bomber of the 4th Marine air wing unit had a year's training, but hadn't had a chance to get their Japanese ship.

This is the story of their first kill, as told by Marine Combat Correspondent Sgt. James J. McElroy, Lonsdale, R. I., who rode the plane over an enemy convoy of the Bonin Islands recently.

A unit of bombers under command of Lt. Col. Jack E. Cram, Albany, Ore., was assigned to intercept a convoy headed for Chikima, McElroy rode in the plane commanded by 1st Lt. Clifford L. James of Oakboro, N. C.

James spotted the convoy and then dropped low to count the ships and warship protection. There were eight ships.

"We'll go on for about 20 minutes and let the Japs think we haven't spotted them," James told his crew. "Then we'll come back and pick out the biggest ship. Check all equipment."

Minutes later, the plane swung around toward the convoy and dropped for a low-level attack. Sgt. William R. Constantine, of 44 North Kedzie Chicago, Ill., called off the mileage count.

"Ten miles... eight miles... six miles... two miles..."

And then the order to open the bomb bays was given.

As they passed across the big Japanese ship, four separate explosions rent the area about the vessel, and as the plane pulled up over the convoy the target became a glowing red mass.

"The Japs," said McElroy, "were apparently caught unaware, and failed to fire a shot from any of their ships."

Other crew members were: 1st Sgt. Frank Dumary, Athens, N. Y., bombardier-navigator; 2nd Lt. Samuel C. Bathrop, Mobile, Ala., co-pilot; Cpl. Warren A. Bolton, St. James, Minn., second radio man, and T/Sgt. Marvin W. Bender, Warren Center, Pa., tail gunner and photographer.

TOWNSEND UNIT MEETS

Sisters, March 15 (Special)—The regular meeting of the Townsend club was called to order last Saturday evening in the Copeland building. V. H. May, membership chairman, reported the addition of 81 members in the past two weeks. Following the business session, games were played and refreshments were served.

Formula for a MILE OF TRACK

Begin with a strip of land 150 feet wide. Grade to desired height and level, providing for ditches, culverts and bridges. Then apply 3,250 chemically-treated ties, 6,500 metal tie plates, 271 steel rails, 2,700 rail anchors, 13,000 spikes, 1,084 bolts and many tons of heavy ballast. Add signals and switches as necessary.

That makes one mile of Great Northern main line track. Thousands of such miles of rugged track between the Great Lakes and the Pacific make the foundation for Great Northern's dependable freight service.
