Teachers Given Pay Increases Portland, Ore., March 21 (AP)—Pay increases totaling \$2,800,000 over a nine-year period were voted for Portland teachers last night by the school board.

Reversing a stand taken a week previously, the board by a four-to-three vote approved a schedule submitted by the superintendent's office, which was a combination of recommendations by teachers' committees, the administrative staff and the plan submitted by Dr. John Almack, school finance expert at Stanford university.

The immediate effect will be to increase salaries for starting teachers, while under the long-range plan the chief beneficiaries among the city's 1600 teachers will be the veterans.

Large "O" on Car Has New Meaning Fort Lewis, Wash., March 21 (AP)—A new slant on alphabets at Fort Lewis is giving G. I.'s a bad time.

In order to step up proper saluting of officers riding in staff cars, vehicles now display windshield cards marked with a large "O" when an officer is aboard.

The car in which a lieutenant was riding passed a soldier today who made no attempt to salute.

Pulling over, the officer inquired about the lack of military courtesy, pointing to the newly-adapted sign.

"Oh, is that what that means?" the soldier asked earnestly. "I thought zero meant nobody is in there."

Marie Anderson To Assist Nurses

Deschutes county has contributed another recruit to the Wac's emergency army hospital corps, it was reported here today by George Simerville, coordinator for the civilian defense council.

The latest woman to volunteer her services for nursing in army hospitals is Marie R. Anderson, route 2, who was in Portland today taking a physical examination preliminary to enlisting. The other one was Miss Judith Reese, who enlisted last week, and was the first one from Deschutes county to enter this branch of the service.

At the request of General George C. Marshall, civilian defense councils throughout the country are sponsoring a campaign to recruit women for emergency army hospital work. A dire shortage of trained nurses exists, Gen. Marshall reported, and any woman who has any nursing experience, or who desires to take nursing training, are urged to enlist.

Nurses Needed Coordinator Simerville said that there are five army hospitals in California and Washington which urgently need nurses, and that those women who enlist may choose the hospital where they would serve. The hospitals are the Hammond at Modesto, Calif.; the Dibble at Palo Alto, Calif.; the DeWitt at Auburn, Calif.; Madigan at Fort Lewis, Wash., and the McCaw at Walla Walla, Wash.

Simerville said that Miss Anderson was recruited by Mrs. Philip R. Buckingham, president of the Soroptimist club. Recently all women's organizations in the county were asked to assist in the recruiting campaign, and Simerville said that the Soroptimist club is the only one thus far to produce a recruit.

An effort is being made to recruit a platoon of 15 women from this county.

Youth Club Notes

Bare Facts from the Bears' Den By the Den Reporter All members of the Youth club would like to express their thanks to the Degree of Honor lodge for their generous donation.

Last Thursday's clean-up night was announced a complete success by Miss Wilma Jacobson, director. All who came worked hard and had the den shining before the night was over. For refreshment, ice cream was on the house.

Who can solve the mystery of the week? Where did the dish towels vanish to? It's amazing. The den has been thoroughly searched, but still there is no trace of them.

We were honored this week when we received a letter from The Dalles for information on our club. The Dalles youngsters are also thinking of starting a club and we wish them all the success possible.

It seems spring vacation is just around the corner. All members should be glad to know that the club will be open every week night until 9:45. Let's see if we can't spend part of our vacation at the den.

Start getting prepared for another "fun for all" dance, to be held on April 7 at the den. Nan Freede has been appointed chairman and other committees will be announced at a later date. It will be our first big spring dance, so let's all work for a big success.

Here is the schedule for those busy girls who will be cleaning the club on Saturday mornings: March 24, Senior Sub Debs, March 31, The W's; April 7, Gamma Phi Mu; April 14, Freshman Sub Debs; April 21, Sophomore Sub Debs; April 28, Junior Sub Debs; May 5, Senior Sub Debs; May 12, The W's; May 19, Gamma Phi Mu; May 26, Freshman Sub Debs. Thanks for your cooperation, it's really appreciated. You're doing a swell job so far, let's keep it up.

The den will be closed on Friday night, as there will be a high school dance sponsored by the Juniors in the gym. It's for everyone, so let's really patronize it.

Phil Brogan, Bend high student body president, and Beverly Baer have been invited as guests to the council meeting Monday night at 7:30.
