#### New Health Chief Takes Up Duties

Portland, Ore., March 21 (IP) — Dr. Harold M. Erickson today headed Oregon's public health ac-tivities as Dr. Frederick D. Strick-er retired after a quarter-century as the state's public health of-ficer.

as the state's public health orficer.

Dr. Erickson has been Stricker's
assistant and was promoted by
Gov. Earl Shell following Dr.
Stricker's resignation in January.
The outgoing executive will remain on the staff in an advisory
capacity for at least a year, it was
announced. He remained in office
until this week to be of help to
the state legislature, which adjourned last week-end.

100 In Department
Dr. Stricker had a staff of five
men when he took office in 1921
but now the department employs
about 100. The two-year state appropriation at that time was about
\$35,000 while the department now
administers a million dollar budget in state and federal funds.

In recent years, Oregon has
alson to be state for healthy chil.

In recent years, Oregon has risen to top state for healthy chil-dren, has the best infant mortality rate in the nation, and has cut the mothers' deaths in childbirth to one-third.

Blast-treatment of metals in-cludes pelting finished parts with sand, steel shot, or equivalent ma-terials, to "work-harden" 'the sur-face and improve the durability of the metal.

#### Poor Digestion? " " Headachy? Sour or Upset? $\Box$ Tired-Listless? $\Box$

digested properly.

Each day, Nature must produce about two pints of a vital digestive juice to help digest your food. If Nature fails, your food may remain undigested—leaving you headachy and irritable.

Therefore, you must increase the flow of this digestive juice. Carter's Little Liver Pills increase this flow quickly—often in as little as 30 minutes. And, you're on the road to feeling better.

Don't depend on artificial sids to counterest indigestion—when Carter's Little Liver Pills and digestion after Nature's own order. Take Carter's Little Liver Pills as directed. Get them at any drugstore. Only 25s.

## "We've been getting a 'Baker's Dozen' from PP&L since 1910"

says Edward C. Pease, Pres. and Mgr., Department Store, The Dalles, Oregon

"Ever since Pacific Power & Light Company came to The Dalles 35 years ago, we have been getting more electricity for less money each year, and, in addition to that, the extra services that help us use it to the best advantage. For instance, when we installed complete new lighting fixtures to improve our store, a PP&L lighting expert helped us figure our requirements and helped us select store lights that are giving us far more light for less money. But more important still is PP&L's 35-year record of continuously reducing the price of electricity through good business

management. In the past fifteen years alone, the cost of lighting our store has been reduced nearly one-third."

The Edward C. Pease Co., Inc., department store is one of the oldest mercantile establishments east of the Cascades. Mr. Pease has been a resident of The Dalles and in the mercantile business since 1884. One of the first users of electricity in The Dalles, Mr. Pease tells of the early days when his store was lighted with coal oil lamps, and when The Dalles was a shipping point and trading center for all the central Oregon country as far south as Lakeview; when ten-horse teams hauled wool to The Dalles for shipment by rail or boat, and returned to the inland country with wagonloads of groceries and

supplies, often taking a month for the round trip. Mr.

Pease has a well-electrified home in The Dalles now,

but says his light bill is one of the smallest items of
